FOREWORD

The Kentucky Constitution requires each chamber of the General Assembly to keep a journal as a public accounting of daily legislative activity. The journal is the official record of action.

The Kentucky Revised Statutes require the Legislative Research Commission to compile, edit, correct, and publish the journals of each chamber. This is the House Journal for the Regular Session of the 2002 General Assembly.

Texts of bills, joint resolutions, and concurrent resolutions appear in the journal on the day of their first reading. Texts of simple resolutions appear on the day of either their first reading or adoption. Texts of committee amendments appear when they are reported out of committee and floor amendments are inserted at the end of the day on which they were filed. The appendices include a table of actions on bills and resolutions, a list of elected representatives, roll call votes, and a sponsor and subject index.

JoAnn Paulin, Rhonda Carter, and Shelly Purvis prepared the *House Journal* for the 2002 Regular Session. The edited copy and appendices in this volume reflect the cooperative efforts of the LRC Staff.

(1) The Division of Air Quality shall promulgate administrative regulations to implement a nitrogen oxide budget trading program in conformance with the provisions of Sections 1 to 9 of this Act.

(2) The act of establishing source pools for EGUs shall not be construed to restrict the cabinet from establishing source pools for other NOx budget units including those affecting industrial sources and cement kilns.

SECTION 3. A NEW SECTION OF SUBCHAPTER 20 OF KRS CHAPTER 224 IS CREATED TO READ AS FOLLOWS:

(1) The program adopted by the Natural Resources and Environmental Protection Cabinet that creates a nitrogen oxide budget trading program shall establish the following source pools for electric generating units:

(b) For control periods after 2004, new EGUs shall receive five percent (5%) of the total EGU allocation, and existing EGUs shall receive eighty-five percent (85%) of the total EGU allocation.

(2) For allocation purposes, the Division shall use the heat input formula set forth in 40 C.F.R. Part 75 to allocate credits to individual budget units in the EGU source pool.

(3) The division shall modify the heat input formula or make adjustments in the total number of allowances allocated to all electric generating units in the applicable pools so that the total number of NOx allowances allocated equals the percentages established for each source pool set forth in subsection (1)(a) and (b) of this section.

SECTION 5. A NEW SECTION OF SUBCHAPTER 20 OF KRS CHAPTER 224 IS CREATED TO READ AS FOLLOWS:

No allocation shall be made by the cabinet to a NOx budget unit from the EGU source pool until ten percent (10%) of the total allocation from the EGU source pool is transferred to the efficient energy reserve pool as prescribed in subsection (1) of Section 6 of this Act.

4. A combination of fuel feedstocks listed in subparagraphs 1. to 3. of this paragraph; or

SECTION 7. A NEW SECTION OF SUBCHAPTER 20 OF KRS CHAPTER 224 IS CREATED TO READ AS FOLLOWS:

(1) The cabinet shall promulgate administrative regulations to establish a methodology to set aside a proportion of the allowance credits transferred from U.S. EPA to Kentucky's compliance supplement pool for allocation or sale to EGUs.

(2) The methodology to set aside allowance credits for allocation or sale to EGUs shall be based on the ratio of NOx emission reductions required from industrial sources and EGU sources to the total NOx emission reductions required from industrial sources and EGU sources combined multiplied by the number of ERCs in the compliance supplement pool.

(3) Nothing in this section shall be construed to limit the cabinet from apportioning allowance credits in the compliance supplement pool for allocation or sale to industrial sources.

SECTION 8. A NEW SECTION OF SUBCHAPTER 20 OF KRS CHAPTER 224 IS CREATED TO READ AS FOLLOWS:

(4) With respect to the allowance credits set aside in the compliance supplement pool for EGUs, any EGU shall be eligible for allowance credits from the compliance supplement pool according to the priority established in subsection (2) of this section if the EGU:

(a) Has achieved early reductions in the years 2001 through 2003; or

(b) Is unable to meet the compliance deadline imposed by the division and that meet the following conditions:

1. Curtailment of the EGU applying for credits from the compliance supplement pool would jeopardize the reliability of the electric transmission system or the reliability of service to Kentucky customers by a utility as defined in KRS 278.010; or

2. The EGU is able to demonstrate that it was not possible to acquire sufficient NOx allowances to meet the compliance deadline by generating ERCs, acquiring ERCs from other sources, or acquiring NOx allowances from the NOx Budget Trading Program.

SECTION 9. A NEW SECTION OF SUBCHAPTER 20 OF KRS CHAPTER 224 IS CREATED TO READ AS FOLLOWS:

(1) Allowance credits set aside for industrial sources in the compliance supplement pool first shall be allocated to existing industrial sources that have made early reductions in their NOx emissions to be eligible for ERCs.

HB 422, AN ACT relating to waste tires.

Be it enacted by the General Assembly of the Commonwealth of Kentucky:

Section 1. KRS 224.50-868 is amended to read as follows:

(1) Until July 31, ***2006***~~[2002]~~, a person purchasing a new motor vehicle tire in Kentucky shall pay to the retailer a one dollar ($1) fee at the time of the purchase of that tire. A new tire is a tire that has never been placed on a motor vehicle wheel rim, but it is not a tire placed on a motor vehicle prior to its original retail sale or a recapped tire. The term "motor vehicle" as used in this section shall mean "motor vehicle" as defined in KRS 138.450. The fee shall not be subject to the Kentucky sales tax.

(2) When a person purchases a new motor vehicle tire in Kentucky to replace another tire, the tire that is replaced becomes a waste tire subject to the waste tire program. The person purchasing the new motor vehicle tire shall either offer the retailer that waste tire or meet the following requirements:

(a) Dispose of the waste tire in accordance with KRS 224.50-856(1);

(b) Deliver the waste tire to a person registered in accordance with the waste tire program; or

(c) Reuse the waste tire for its original intended purpose or an agricultural purpose.

(3) A retailer shall report to the Revenue Cabinet on or before the twentieth day of each month the number of new motor vehicle tires sold during the preceding month and the number of waste tires received from customers that month. The report shall be filed on forms and contain information as the Revenue Cabinet may require. The retailer shall remit with the report ninety-five percent (95%) of the fees collected for the preceding month and may retain a five percent (5%) handling fee.

(4) A retailer shall:

(a) Accept from the purchaser of a new tire, if offered, for each new motor vehicle tire sold, a waste tire of similar size and type; and

(b) Post notice at the place where retail sales are made that state law requires the retailer to accept, if offered, a waste tire for each new motor vehicle tire sold and that a person purchasing a new motor vehicle tire to replace another tire shall comply with subsection (2) of this section. The notice shall also include the following wording: "State law requires a new tire buyer to pay one dollar ($1) for each new tire purchased. The money is collected and used by the state to oversee the management of waste tires, including cleaning up abandoned waste tire piles and preventing illegal dumping of waste tires."

(5) A retailer shall comply with the requirements of the recordkeeping system for waste tires established by KRS 224.50-874.

(6) A retailer shall transfer waste tires only to a person who presents a letter from the cabinet approving the registration issued under KRS 224.50-858 or a copy of a solid waste disposal facility permit issued by the cabinet, unless the retailer is delivering the waste tires to a destination outside Kentucky and the waste tires will remain in the retailer's possession until they reach that destination.

Section 2. KRS 224.50-872 is amended to read as follows:

The cabinet shall report to the General Assembly no later than January 15, ***2006***[~~2002~~], on the effectiveness of the waste tire program in developing markets for waste tires, the effectiveness of the fee established in KRS 224.50-868 in funding the cabinet's implementation of the waste tire program***, to include any waste tire amnesty program established by the cabinet as provided for in subsection (1)(b) of Section 3 of this Act***, and whether the fee should be extended beyond July 31, ***2006***[~~2002~~].

Section 3. KRS 224.50-880 is amended to read as follows:

(1) A waste tire trust fund is established in the state treasury. The fund shall be used by the cabinet for the following purposes:
  (a) Properly managing waste tires;
  (b) Paying the cabinet's costs in implementing the waste tire program ***to include costs associated with any waste tire amnesty program established by the cabinet that provides an opportunity for citizens, organizations, and businesses to turn in waste tires without incurring fees, charges, or penalties***;
  (c) Paying the Revenue Cabinet's costs of assessing and collecting the fee established by KRS 224.50-868;
  (d) Entering into the agreements described in KRS 224.50-876; and
  (e) Awarding the grants described in KRS 224.50-878.
(2) All interest earned on money in the fund shall be credited to the fund.
(3) Money unexpended at the end of a fiscal year shall not lapse to the general fund.
(4) Any money remaining in the waste tire trust fund established by KRS 224.50-820 shall be transferred to the fund established by this section.

The Committee Amendment No. 1 to **HB 422** is as follows:

On page 3, line 3, after the word, "***that***" insert:

The Committee on Appropriations and Revenue reported **HB 244, HB 448,** and **HB 452** with the expression of opinion that the same should pass. Read at length for the first time and ordered placed in the Calendar.

HB 244, AN ACT relating to environmental protection.

Be it enacted by the General Assembly of the Commonwealth of Kentucky:

Section 1. KRS 224.46-580 is amended to read as follows:

(1) The General Assembly declares that it is the purpose of this section to promote the development of statewide programs, under the responsibility of a single agency, which are intended to protect the health of the citizens and the environment of the Commonwealth from present and future threats associated with the management of hazardous wastes and the release of toxic chemicals regulated under Title III, Section 313 of the Superfund Amendments and Reauthorization Act of 1986, including disposal, treatment, recycling, storage, and transportation. The intent of the General Assembly is to add to and coordinate, and not replace, existing efforts and responsibilities in the areas of hazardous waste management, toxic chemical manufacture, processing, or other use, and to leave the primary burden and responsibility for hazardous waste and toxic chemical reduction on private industry; and further to finance assistance and coordination by imposing assessments on the generation of hazardous waste. The assessments are intended to produce a reduction in waste generated; to promote the use of new techniques in recycling, treatment, and alternatives other than land disposal; and to place the burden of financing additional hazardous waste management activities necessarily undertaken by state agencies on the users of those products associated with the generation of hazardous waste. The General Assembly further finds that Kentucky's industries need assistance in developing and implementing pollution prevention goals and that a fund should be established to provide technical and financial assistance to those industries.

(2) The Natural Resources and Environmental Protection Cabinet is given the authority to administer the provisions and programs of this section and the responsibility to achieve the purposes of this section.

(3) In addition to all specific responsibilities contained elsewhere in this chapter, the cabinet shall:

(a) Respond effectively and in a timely manner to emergencies created by the release of hazardous substances, as defined in KRS 224.01-400, into the environment. The cabinet shall provide for adequate containment and removal of the hazardous substances in order that the threat of a release or actual release of the substance may be abated and resultant harm to the environment minimized. The provisions of KRS 45A.695 to 45A.725 may be suspended by the cabinet if necessary to respond to an environmental emergency.

(b) Provide for post-closure monitoring and maintenance of hazardous waste disposal sites upon termination of post-closure monitoring and maintenance responsibilities by persons permitted to operate the facility pursuant to this chapter.

(c) Identify, investigate, classify, contain, or clean up any release, threatened release, or disposal of a hazardous substance where responsible parties are economically or otherwise unavailable to properly address the problem and the problem represents an imminent danger to the health of the citizens and the environment of the Commonwealth.

(4) The cabinet shall have the authority to finance the nonfederal share of the cost for clean up of sites under the Comprehensive Environmental Response, Compensation and Liability Act of 1980 (Pub. L. 96-510).

(5) The cabinet shall recover, when possible, actual and necessary expenditures incurred in carrying out the duties under this section. Any expenditures recovered shall be placed in the hazardous waste management fund.

(6) It is the expressed purpose of this section to accomplish effective hazardous waste and toxic chemical management that results in a reduction of the generation of hazardous wastes and the release of toxic chemicals within the Commonwealth; further, it is a purpose of this chapter to allocate a portion of the cost of administering necessary governmental programs related to hazardous waste and toxic chemical management to those industries whose products are reasonably related to the generation of hazardous waste.

(7) There is hereby imposed upon every person engaged within this state in the generation of hazardous waste an annual hazardous waste assessment to be determined pursuant to this section according to the quantity by weight of hazardous waste generated, except that no assessment shall be levied against generators for any quantity of "special wastes," waste oil, or spent material from air pollution control devices controlling emissions from coke manufacturing facilities. The assessment shall not be imposed upon any person for any quantities of hazardous waste generated by others for which that person is a secondary handler that stores, processes, or reclaims the waste. The assessment shall be reported and paid to the Natural Resources and Environmental Protection Cabinet for the generation of hazardous waste on an annual basis on January 1 of each year. The payment shall be accompanied by a report or return in a form that the cabinet may prescribe. If a federal law is enacted which accomplishes or purports to accomplish the purposes set forth in this section and which levies an assessment or tax upon any business assessed pursuant to this section, the amount of the assessment to be levied upon the business under this section shall be reduced by the amount of the federal assessment or tax upon the business. The reduction shall only be authorized when funds raised by the federal assessment or tax are made available to the state for any of the activities to be funded under this section. If federal moneys are available to carry out the duties imposed by subsection (3) of this section, the assessment shall cease to be levied and collected until such time as federal moneys are no longer available to the Commonwealth for these purposes.~~[The assessment shall be charged against generators of hazardous waste until June 30, 2002. After this date, no further hazardous waste management assessment shall be charged against generators.]~~

(8) The assessment on generators shall be one and two-tenths cents ($0.012) per pound if the waste is liquid, or two-tenths of a cent ($0.002) per pound if the waste is solid.

(a) Hazardous waste that is injected into a permitted underground injection well shall be assessed on a dry weight basis;

(b) Hazardous waste treated, detoxified, solidified, neutralized, recycled, incinerated, or disposed of on-site shall be assessed at one-half (1/2) of the appropriate rate, except for recycled waste used in the steel manufacturing process which shall be exempt; and

(c) Waste that is subject to regulation under Section 402 or 307B of the Federal Clean Water Act shall be exempt.

(9) Except for waste brought into the state by a company to an affiliated manufacturing facility of the company receiving the waste, any person who transports hazardous waste into the state for land disposal or treatment which is generated outside of the state shall pay an assessment to the hazardous waste facility which first receives the waste for storage, treatment, or land disposal. The assessment rate shall be identical to the rate described in subsection (8) of this section. The facility shall remit the assessment to the cabinet on an annual basis on January 1 of each year. The payment shall be accompanied by a return the cabinet shall prescribe.

(10) If any generator or hazardous waste facility subject to the provisions of subsection (8) or (9) of this section fails or refuses to file a return or furnish any information requested in writing by the cabinet, the cabinet may, from any information in its possession, make an estimate and issue an assessment against the generator or hazardous waste facility and add a penalty of ten percent (10%) of the amount of the assessment so determined. This penalty shall be in addition to all other applicable penalties in this chapter.

(11) If any generator or hazardous waste facility subject to the provisions of subsection (8) or (9) of this section fails to make and file a return required by this chapter on or before the due date of the return or the due date as extended by the cabinet, unless it is shown to the satisfaction of the cabinet, that the failure is due to reasonable cause, five percent (5%) of the assessment found to be due by the cabinet shall be added to the assessment for each thirty (30) days or fraction thereof elapsing between the due date of the return and the date on which it is filed, but the total penalty shall not exceed twenty-five percent (25%) of the assessment.

(12) If the assessment imposed by this chapter, whether assessed by the cabinet, or the generator, or any installment or portion of the assessment is not paid on or before the date prescribed for its payment, there shall be collected, as a part of the assessment, interest upon the unpaid amount at the rate of eight percent (8%) per annum from the date prescribed for its payment until payment is actually made to the cabinet.

(13) There is hereby created within the State Treasury a trust and agency fund which shall not lapse to be known as the hazardous waste management fund. The fund shall be deposited in an interest-bearing account. The cabinet shall be responsible for collecting and receiving funds as provided in this section, and all such assessments collected or received by the State Treasury shall be deposited in the hazardous waste management fund. All interest earned on the money deposited in the fund shall be deposited to the fund. When the State Treasurer certifies to the cabinet that the uncommitted balance of the hazardous waste management fund exceeds six million dollars ($6,000,000), assessments shall not be collected until the State Treasurer certifies to the cabinet that the balance in the hazardous waste management fund is less than three million dollars ($3,000,000). The implementation of the cap on the fund shall be suspended from July 13, 1990, until July 1, 1991. In addition, for assessments paid after July 1, 1991, the cabinet shall refund or grant a credit against the next assessment to come due, on a pro-rated basis, any money collected in one (1) year in excess of the cap.

(14) There is hereby created within the State Treasury a trust and agency account which shall not lapse to be known as the pollution prevention fund. The fund shall be placed in an interest-bearing account. The fund shall be administered by the Center for Pollution Prevention. The cabinet shall remit to the fund each fiscal year twenty percent (20%) of the funds received by the hazardous waste management fund subject to the enacted budget bill. The cabinet shall provide to the center estimates of the amount of the hazardous waste assessment expected to be collected during each upcoming fiscal year.

(15) Upon request of the secretary, moneys accumulated in the hazardous waste management fund shall be released in amounts necessary to accomplish the performance of the duties imposed by subsection (3) of this section. However, moneys from the fund shall not be used when federal moneys are available to carry out these duties, except when immediate action is required to protect public health or the environment, in which case the cabinet shall actively pursue reimbursement of the fund by any available federal moneys.

(16) If any person responsible for a release or threatened release of a hazardous substance fails to take response actions or to make reasonable progress in completing response actions ordered by the cabinet, the cabinet may bring an action to compel performance or may take appropriate response actions and order the responsible person to reimburse the cabinet for the actual costs incurred by the cabinet.

(17) If disposal activities have occurred at a hazardous waste site, the cabinet shall record in the office of the county clerk in the county in which a waste site is situated a notice containing a legal description of the property that discloses to any potential transferee that the land was used to dispose hazardous waste and that further information on the hazardous waste site may be obtained from the cabinet.

(18) No person shall affect the integrity of the final cover, liners, or any other components of any containment system after closure of a hazardous waste site on or in which hazardous waste remains without prior written approval of the cabinet.

HB 448, AN ACT relating to property taxes.

Be it enacted by the General Assembly of the Commonwealth of Kentucky:

(2) After the establishment of proper reserves, if any, and after complying with the above provisions of this section, any surplus of proceeds shall be devoted solely to the reduction of rates. The equity of the municipality contracting with the Tennessee Valley Authority or other governmental agency for the purchase and resale of electrical power or energy shall be the purchase price of the electric plant, less the face value of outstanding bonds, or, if there is no purchase price, the original cost of the plant as defined by the Federal ***Energy Regulatory***[~~power~~] Commission, less accrued depreciation, less the face value of the outstanding bonds. The payment of bonds or the acquisition or improvement of property from the receipts derived from electric service or any other operation of the board shall not be considered to increase the equity or investment of the municipality.

Section 2. KRS 96.820 is amended to read as follows:

1. The original cost (less reasonable depreciation or retirement reserve) of a board's electric plant in service on December 31 of the immediately preceding calendar year located within the state, used and held for use in the transmission, distribution, and generation of electric energy, and

2. The cost of the material and supplies owned by a board on December 31 of the immediately preceding calendar year. "Total assessed value" shall mean the total actual cash value assigned by the Revenue Cabinet for ad valorem property tax purposes to the property of such corporations located within the state (properly adjusted for property under construction). "Total property value" shall mean the sum of:

1. The depreciated original cost of the total utility plant in service of such corporations within the state, and

2. The book value of material and supplies of such corporations located within the state, both as derived from published reports of the Federal ***Energy Regulatory***[~~Power~~] Commission, or in the absence thereof, from information provided to the Revenue Cabinet by such corporations.

(i) "Electric operations" shall mean all activities associated with the establishment, development, administration, and operation of any electric system and the supplying of electric energy and associated services to the public, including without limitation the generation, purchase, sale, and resale of electric energy and the purchase, use, and consumption thereof by ultimate consumers.

(2) It shall be the duty of each board, on or before ***April 30***[~~March 31~~], to certify to the Revenue Cabinet the book value of property owned by the board and the adjusted book value of property owned by the board and located within the state and within each taxing jurisdiction in which the board operates. A copy of the certification shall also be sent by the board to each such taxing jurisdiction. The book value of property and adjusted book value of property shall be determined, and the books and records of the board shall be kept in accordance with standard accounting practices, and the books and records of each board shall be subject to inspection by the Revenue Cabinet and by representatives of the affected taxing jurisdictions and to adjustment by the Revenue Cabinet if found not to comply with the provisions of this section. Upon the receipt of the required certification from a board, the Revenue Cabinet shall make any inspection and adjustment, hereinabove authorized, as it deems necessary, and no earlier than September 1 of each year the Revenue Cabinet shall certify to the board and to the county clerk of each county in which the board operates the book value of property owned by the board and the adjusted book value of property owned by the board, located within each taxing jurisdiction in which the board operates and within the state. At the same time, the Revenue Cabinet shall certify to the board and to the county clerk the adjustment factor for the tax year. The county clerk shall promptly certify the book value of property, the adjusted book value of property, and the adjustment factor certified by the Revenue Cabinet, to the respective taxing jurisdiction in which the board operates.

(3) (a) Each board shall pay for each tax year, beginning with the tax year 1970, to the state and to each taxing jurisdiction in which the board operates, a tax equivalent from the revenues derived from the board's electric operations for that

tax year, computed according to this subsection.

(b) The tax equivalent for each tax year payable to the state shall be the total of:

1. The book value of the property owned by the board within the state, multiplied by the adjustment factor, multiplied by the current tax rate of the state, less thirty cents ($0.30), plus

2. The state's portion of the amount payable under paragraph (d) of this subsection.

(c) The tax equivalent for each tax year payable to each taxing jurisdiction in which the board operates shall be the total of:

1. The adjusted book value of property owned by the board within the taxing jurisdiction, multiplied by the adjustment factor, multiplied by the current tax rate of the taxing jurisdiction; provided, however, for the purpose of this calculation the tax rate for school districts shall be increased by thirty cents ($0.30), plus

2. The taxing jurisdiction's portion of the amount payable under paragraph (d) of this subsection.

(d) For purposes of this subsection, "amount payable" shall mean four-tenths of one percent (0.4%) of the book value of property owned by the board located within the state. The state shall be paid the same proportion of the amount payable as the payment to the state under subparagraph 1 of paragraph (b) of this subsection represents of the total payments to the state and all taxing jurisdictions in which the board operates required by subparagraph 1 of paragraph (b) and subparagraph 1 of paragraph (c) of this subsection. Each taxing jurisdiction in which the board operates shall be paid the same proportion of the amount payable as the payment to the taxing jurisdiction under subparagraph 1 of paragraph (c) of this subsection represents of the total payments to the state and all taxing jurisdictions in which the board operates required by subparagraph 1 of paragraph (b) and subparagraph 1 of paragraph (c) of this subsection. Under the regulations the Revenue Cabinet may prescribe, upon the board's receipt from the state and taxing jurisdictions of notice of the amount due under subparagraph 1 of paragraph (b) and subparagraph 1 of paragraph (c) of this subsection, the board shall compute the portion of the amount payable which is due the state and each taxing jurisdiction in which the board operates.

(e) Payment of the tax equivalent under this section for each tax year shall be made by each board to the state within thirty (30) days after receipt by the board of the certification from the Revenue Cabinet required by subsection (2) of this section and shall be made directly to each taxing jurisdiction in which the board operates within thirty (30) days from the date of the certifications by the county clerk required by subsection (2) of this section. The state and each taxing jurisdiction in which a board operates shall have a superior lien upon the proceeds of the sale of electric energy by that board for the amounts required by this section to be paid to it.

(4) Except as hereinafter provided, the tax equivalents computed under this section shall be in lieu of all state, municipal, county, school district, special taxing district, other taxing district, and other state and local taxes or charges on the tangible and intangible property, the income, franchises, rights, and resources of every kind and description of any municipal electric system operating under KRS 96.550 to 96.900 and on the electric operations of any board established pursuant thereto, and the tax equivalent for any tax year computed and payable under this section to the state or to any taxing jurisdiction in which any board operates shall be reduced by the aggregate amount of any tax or charge within the meaning of this sentence which is imposed by the state, or by any taxing jurisdiction in which a board operates, on the board, the electric system, or the board's electric operations. Provided, however, that if any school district in which property of a board is located has elected, or does hereafter elect, to apply the utility gross receipts license tax for schools to all utility services as provided by KRS 160.613 through KRS 160.617, or as may hereafter be provided by other statutes, the amount of such utility gross receipts license tax shall not reduce, or in any manner affect, the amount payable to any such board or boards under the provisions of this section. It is the intent and purpose of this provision to eliminate all sums received by any such board or boards by reason of the utility gross receipts license tax from any computation of the amount payable under this section to any such board or boards, irrespective of the manner in which that payment is computed, so that, in no event, shall any sum received by any school district by reason of the utility gross receipts license tax reduce, directly or indirectly, the amount payable to such district under this chapter. Provided, further, that if the state shall levy a statewide retail sales or use tax on electric power or energy, collected by retailers of the energy from the vendees or users thereof, and imposed at the same rate or rates as are generally applicable to the sale or use of personal property or services, including natural or artificial gas, fuel oil, and coal as well as electric power or energy, the retail sales or use tax shall not be deemed to be a tax or charge within the meaning of the first sentence of this subsection, and the tax equivalent payable for the tax year to the state under this section shall not be reduced on account of such retail sales or use tax.

(5) (a) Notwithstanding subsection (3) of this section, until the first tax year in which the total of:

1. The tax equivalent payable to the state, or to any taxing jurisdiction in which the board operates, computed under subsection (3) of this section, plus

2. The additional amounts permitted to be paid to the state or taxing jurisdiction without deduction under the second and third sentences of subsection (4) of this section, exceeds the minimum payment to the state or taxing jurisdiction specified in paragraph (b) of this subsection, the tax equivalent for each tax year payable to the state or taxing jurisdiction shall be an amount equal to the minimum payment computed under paragraph (b) of this subsection.

(b) For purposes of this subsection, the minimum payment to the state or to any taxing jurisdiction in which the board operates shall mean an amount equal to the total of:

1. The largest actual payment made by the board pursuant to this section to the state or to the taxing jurisdiction for any of the tax years 1964, 1965, or 1966, plus

2. The state's or taxing jurisdiction's pro rata share of an amount equal to four-tenths of one percent (0.4%) of the increase since July 1, 1964, in the book value of property owned by the board within the state. For the purposes of this paragraph "pro rata share" shall mean the same proportion of the amount computed under this subparagraph as the largest actual payment in lieu of taxes made by the board to the state or taxing jurisdiction for the applicable tax year under subparagraph 1. of this paragraph represents of the total amount of the largest actual payments in lieu of taxes made by the board to the state and to all taxing jurisdictions in which it operated for any of the applicable tax years.

(c) The provisions of paragraph (e) of subsection (3) of this section shall apply to all payments required under this subsection.

(d) This subsection shall not be applicable for the first tax year specified in paragraph (a) of this subsection or for any tax year thereafter, except however, that tax year 1977 shall not be deemed as the "first tax year" as specified in paragraph (a) and this subsection shall continue to apply in such cases.

Section 3. KRS 100.324 is amended to read as follows:

(1) All other provisions of this chapter to the contrary notwithstanding, public utilities operating under the jurisdiction of the Public Service Commission, except as specified in KRS 100.987 and subsection (5) of this section, or the Department of Vehicle Regulation or Federal ***Energy Regulatory***[~~Power~~] Commission, any municipally-owned electric system, and common carriers by rail shall not be required to receive the approval of the planning unit for the location or relocation of any of their service facilities. Service facilities include all facilities of such utilities and common carriers by rail other than office space, garage space, and warehouse space and include office space, garage space, and warehouse space when such space is incidental to a service facility. The Public Service Commission and the Department of Vehicle Regulation shall give notice to the planning commission of any planning unit of any hearing which affects locations or relocations of service facilities within that planning unit's jurisdiction.

(2) The nonservice facilities excluded in subsection (1) of this section must be in accordance with the zoning regulations.

(3) Upon the request of the planning commission, the public utilities referred to in this section shall provide the planning commission of the planning unit affected with information concerning service facilities which have been located on and relocated on private property.

(4) Any proposal for acquisition or disposition of land for public facilities, or changes in the character, location, or extent of structures or land for public facilities, excluding state and federal highways and public utilities and common carriers by rail mentioned in this section, shall be referred to the commission to be reviewed in light of its agreement with the comprehensive plan, and the commission shall, within sixty (60) days from the date of its receipt, review the project and advise the referring body whether the project is in accordance with the comprehensive plan. If it disapproves of the project, it shall state the reasons for disapproval in writing and make suggestions for changes which will, in its opinion, better accomplish the objectives of the comprehensive plan. No permit required for construction or occupancy of such public facilities shall be issued until the expiration of the sixty (60) day period or until the planning commission issues its report, whichever occurs first.

(5) Every utility which proposes to construct an antenna tower for cellular telecommunications services or personal communications services within a county containing a city of the first class shall submit the proposal to the planning commission of the affected planning unit. The planning commission shall review the proposal in light of its agreement with the comprehensive plan and locally-adopted zoning regulations and shall, within sixty (60) days from the date the proposal is submitted, make its final decision and advise the utility in writing whether the proposed construction is in accordance with the comprehensive plan and locally-adopted zoning regulations. If the planning commission fails to issue a final decision within sixty (60) days, it is presumed to have approved the proposal, and may not later appeal a decision of the Public Service Commission under KRS 278.650(3). If the planning commission disapproves of the proposed construction, it shall state the reasons for disapproval in its written decision and may make suggestions which, in its opinion, better accomplish the objectives of the comprehensive plan and the locally-adopted zoning regulations. No permit for construction of a cellular or personal communications services antenna tower, including any certificate of convenience and necessity required to be issued by the Kentucky Public Service Commission, shall be issued until the expiration of the sixty (60) day period or until the planning commission issues its final decision on the utility proposal, whichever occurs first.

After the cabinet has disposed of the protest, the taxpayer may appeal from any such additional assessment as provided by KRS 131.110 and 131.340.

(2) Upon such assessment becoming final the cabinet shall certify the amount due to the taxpayer. The tax bill shall be handled and collected as an omitted tax bill, and the additional tax shall be subject to the same penalties and interest as the tax on omitted property voluntarily listed.

(1) Any person who has been convicted of a crime and who has not been sentenced to death may be sentenced to probation, probation with an alternative sentencing plan, or conditional discharge as provided in this chapter.

(2) Before imposition of a sentence of imprisonment, the court shall consider probation, probation with an alternative sentencing plan, or conditional discharge. Unless the defendant is a violent felon as defined in KRS 439.3401 or a statute prohibits probation, shock probation, or conditional discharge, after due consideration of the nature and circumstances of the crime and the history, character, and condition of the defendant, probation or conditional discharge shall be granted, unless the court is of the opinion that imprisonment is necessary for protection of the public because:

(a) There is substantial risk that during a period of probation or conditional discharge the defendant will commit another crime;

(b) The defendant is in need of correctional treatment that can be provided most effectively by his commitment to a correctional institution; or

(c) A disposition under this chapter will unduly depreciate the seriousness of the defendant's crime.

(3) In the event the court determines that probation is not appropriate after due consideration of the nature and circumstances of the crime, and the history, character, and condition of the defendant, probation with an alternative sentencing plan shall be granted unless the court is of the opinion that imprisonment is necessary for the protection of the public because:

(a) There is a likelihood that during a period of probation with an alternative sentencing plan or conditional discharge the defendant will commit a Class D or Class C felony or a substantial risk that the defendant will commit a Class B or Class A felony;

(b) The defendant is in need of correctional treatment that can be provided most effectively by commitment to a correctional institution; or

(c) A disposition under this chapter will unduly depreciate the seriousness of the defendant's crime.

(4) The court shall not determine that there is a likelihood that the defendant will commit a Class C or Class D felony based upon the fact that:

(a) The defendant has never been convicted of, pled guilty to, or entered an Alford plea to a felony offense;

(b) If convicted of, having pled guilty to, or entered an Alford plea to a felony offense, the defendant successfully completed probation more than ten (10) years immediately prior to the date of the commission of the felony for which the defendant is now being sentenced and has had no intervening convictions, pleas of guilty, or Alford pleas to any criminal offense during that period; or

(c) The defendant has been released from incarceration for the commission of a felony offense more than ten (10) years immediately prior to the date of the commission of the felony for which the defendant is now being sentenced and has had no intervening convictions, pleas of guilty, or Alford pleas to any criminal offense during that period.

(5) In making a determination under subsection (4) of this section, the court may determine that the greater weight of the evidence indicates that there is a likelihood that the defendant will commit a Class C or Class D felony.

(6) Upon initial sentencing of a defendant or upon modification or revocation of probation, when the court deems it in the best

interest of the public and the defendant, the court may order probation with the defendant to serve one (1) of the following alternative sentences:

(a) To a halfway house for no more than twelve (12) months;

(b) To home incarceration with or without work release for no more than twelve (12) months;

(c) To jail for a period not to exceed twelve (12) months with or without work release, community service and other programs as required by the court;

(d) To a residential treatment program for the abuse of alcohol or controlled substances; or

(e) To any other specified counseling program, rehabilitation or treatment program, or facility.

(7) If during the term of the alternative sentence the defendant fails to adhere to and complete the conditions of the alternative sentence, the court may modify the terms of the alternative sentence or may modify or revoke probation and alternative sentence and commit the defendant to an institution.

(8) In addition to those conditions that the court may impose, the conditions of alternative sentence shall include the following and, if the court determines that the defendant cannot comply with them, then they shall not be made available:

(a) A defendant sentenced to a halfway house shall:

1. Be working or pursuing his or her education or be enrolled in a full-time treatment program;

2. Pay restitution during the term of probation; and

3. Have no contact with the victim of the defendant's crime;

(b) A defendant sentenced to home incarceration shall:

1. Be employed by another person or self-employed at the time of sentencing to home incarceration and continue the employment throughout the period of home incarceration, unless the court determines that there is a compelling reason to allow home incarceration while the defendant is unemployed;

2. Pay restitution during the term of home incarceration;

3. Enter a treatment program, if appropriate;

4. Pay all or some portion of the cost of home incarceration as determined by the court;

5. Comply with other conditions as specified; and

6. Have no contact with the victim of the defendant's crime;

(c) A defendant sentenced to jail with community service shall:

1. Pay restitution during all or some part of the defendant's term of probation; and

2. Have no contact with the victim of the defendant's crime; or

(d) A defendant sentenced to a residential treatment program for drug and alcohol abuse shall:

1. Undergo mandatory drug screening during term of probation;

2. Be subject to active, supervised probation for a term of five (5) years;

3. Undergo aftercare as required by the treatment program;

4. Pay restitution during the term of probation; and

5. Have no contact with the victim of the defendant's crime.

(9) When the court deems it in the best interest of the defendant and the public, the court may order the person to work at community service related projects under the terms and conditions specified in KRS 533.070. Work at community service related projects shall be considered as a form of conditional discharge.

(10) Probation with alternative sentence shall not be available as set out in KRS 532.045 and 533.060, except as provided in KRS 533.030***(5)***[~~(6)~~].

(11) The court may utilize a community corrections program authorized or funded under KRS Chapter 196 to provide services to any person released under this section.

(12) When the court deems it in the best interest of the defendant and the public, the court may order the defendant to placement for probation monitoring by a private agency. The private agency shall report to the court on the defendant's compliance with his terms of probation or conditional discharge. The defendant shall be responsible for any reasonable charges which the private agency charges.

(13) The jailer in each county incarcerating Class D felons may deny work release privileges to any defendant for violating standards of discipline or other jail regulations. The jailer shall report the action taken and the details of the violation on which the action was based to the court of jurisdiction within five (5) days of the violation.

(14) The Department of Corrections shall, by administrative regulation, develop written criteria for work release privileges granted under this section.

(15) ***Reimbursement of incarceration costs shall be paid directly to the jailer in the amount specified by written order of the***

court. Incarceration costs owed to the Department of Corrections shall be paid through the circuit clerk.

(16) The court shall enter into the record written findings of fact and conclusions of law when considering implementation of any sentence under this section.

Section 38. KRS 533.020 is amended to read as follows:

(1) When a person who has been convicted of an offense or who has entered a plea of guilty to an offense is not sentenced to imprisonment, the court shall place him on probation if he is in need of the supervision, guidance, assistance, or direction that the probation service can provide. Conditions of probation shall be imposed as provided in KRS 533.030, but the court may modify or enlarge the conditions or, if the defendant commits an additional offense or violates a condition, revoke the sentence at any time prior to the expiration or termination of the period of probation. ***When setting conditions under this subsection, the court shall not order any defendant to pay incarceration costs or any other cost permitted to be ordered under Section 37 of this Act, or other statute, except restitution and any costs owed to the Department of Corrections, through the circuit clerk.***

(2) When a person who has been convicted of an offense or who has entered a plea of guilty to an offense is not sentenced to imprisonment, the court may sentence him to probation with an alternative sentence if it is of the opinion that the defendant should conduct himself according to conditions determined by the court and that probationary supervision alone is insufficient. The court may modify or enlarge the conditions or, if the defendant commits an additional offense or violates a condition, revoke the sentence at any time prior to the expiration or termination of the alternative sentence.

(3) When a person who has been convicted of an offense or who has entered a plea of guilty to an offense is not sentenced to imprisonment, the court may sentence him to conditional discharge if it is of the opinion that the defendant should conduct himself according to conditions determined by the court but that probationary supervision is inappropriate. Conditions of conditional discharge shall be imposed as provided in KRS 533.030, but the court may modify or enlarge the conditions or, if the defendant commits an additional offense or violates a condition, revoke the sentence at any time prior to the expiration or termination of the period of conditional discharge.

(4) The period of probation, probation with an alternative sentence, or conditional discharge shall be fixed by the court and at any time may be extended or shortened by duly entered court order. Such period, with extensions thereof, shall not exceed five (5) years, or the time necessary to complete restitution, whichever is longer, upon conviction of a felony nor two (2) years, or the time necessary to complete restitution, whichever is longer, upon conviction of a misdemeanor. Upon completion of the probationary period, probation with an alternative sentence, or the period of conditional discharge, the defendant shall be deemed finally discharged, provided no warrant issued by the court is pending against him, and probation, probation with an alternative sentence, or conditional discharge has not been revoked.

(5) Notwithstanding the fact that a sentence to probation, probation with an alternative sentence, or conditional discharge can subsequently be modified or revoked, a judgment which includes such a sentence shall constitute a final judgment for purposes of appeal.

Section 39. KRS 533.030 is amended to read as follows:

(1) The conditions of probation and conditional discharge shall be such as the court, in its discretion, deems reasonably necessary to insure that the defendant will lead a law-abiding life or to assist him to do so. The court shall provide as an explicit condition of every sentence to probation or conditional discharge that the defendant not commit another offense during the period for which the sentence remains subject to revocation.

(2) When imposing a sentence of probation or conditional discharge, the court may, in addition to any other reasonable condition, require that the defendant:

(a) Avoid injurious or vicious habits;

(b) Avoid persons or places of disreputable or harmful character;

(c) Work faithfully at suitable employment as far as possible;

(d) Undergo available medical or psychiatric treatment and remain in a specific institution as required for that purpose;

(e) Post a bond, without surety, conditioned on performance of any of the prescribed conditions;

(f) Support his dependents and meet other family responsibilities;

(g) Pay the cost of the proceeding as set by the court;

(h) Remain within a specified area;

(i) Report to the probation officer as directed;

(j) Permit the probation officer to visit him at his home or elsewhere;

(k) Answer all reasonable inquiries by the probation officer and promptly notify the probation officer of any change in address or employment; and

(l) [~~If the defendant's record indicates a controlled substance or alcohol problem,~~]Submit to periodic testing for ***the*** use of controlled substances or alcohol***, if the defendant's record indicates a controlled substance or alcohol problem,*** and ***to*** pay a reasonable fee, ***as determined by the court, which fee shall*** not[~~ to~~] exceed the actual cost of the test and analysis ***and shall***[~~, as determined by the court, said fee to~~] be ***paid directly***[~~collected by the circuit~~

For good cause shown, the testing fee may be waived by the court.

(3) When imposing a sentence of probation or conditional discharge in a case where a victim of a crime has suffered monetary damage as a result of the crime due to his property having been converted, stolen, or unlawfully obtained, or its value substantially decreased as a result of the crime, or where the victim suffered actual medical expenses, direct out-of-pocket losses, or loss of earning as a direct result of the crime, or if as a direct result of the crime the victim incurred medical expenses that were paid by the Cabinet for Health Services, the Crime Victims Compensation Board, or any other governmental entity, the court shall order the defendant to make restitution in addition to any other penalty provided for the commission of the offense. Payment of restitution to the victim shall have priority over payment of restitution to any government agency. Restitution shall be ordered in the full amount of the damages, unless the damages exceed one hundred thousand dollars ($100,000) or twice the amount of the gain from the commission of the offense, whichever is greater, in which case the higher of these two (2) amounts shall be awarded. The court may, in lieu of ordering monetary restitution, order the defendant to make restitution by working for or on behalf of the victim. The court shall determine the number of hours of work necessary by applying the then-prevailing federal minimum wage to the total amount of monetary damage caused by or incidental to the commission of the crime. The court may, with the consent of the agency, order the defendant to work as specified in KRS 533.070. Any work ordered pursuant to this section shall not be deemed employment for any purpose, nor shall the person performing the work be deemed an employee for any purpose. Where there is more than one (1) defendant or more than one (1) victim, restitution may be apportioned. Restitution shall be subject to the following additional terms and conditions:

(a) Where property which is unlawfully in the possession of the defendant is in substantially undamaged condition from its condition at the time of the taking, return of the property shall be ordered in lieu of monetary restitution;

(b) The circuit clerk shall assess an additional fee of five percent (5%) to defray the administrative costs of collection of payments or property. This fee shall be paid by the defendant and shall inure to a trust and agency account which shall not lapse and which shall be used to hire additional deputy clerks and office personnel or increase deputy clerk or office personnel salaries, or combination thereof;

(c) When a defendant fails to make restitution ordered to be paid through the circuit clerk ***or a court-authorized program run by the county attorney or the Commonwealth's attorney***, the circuit clerk ***or court-authorized program*** shall notify the court; and

(d) An order of restitution shall not preclude the owner of property or the victim who suffered personal physical or mental injury or out-of-pocket loss of earnings or support or other damages from proceeding in a civil action to recover damages from the defendant. A civil verdict shall be reduced by the amount paid under the criminal restitution order.

(4) ***When requiring fees for controlled substances or alcohol tests, or other fees and payments authorized by this section or other statute, except restitution, to be paid by the defendant, the court shall not order the payments to be paid through the circuit clerk***~~[In addition to any other terms and conditions imposed under this section, the court may require the probationer, as a condition of his probation, to make one (1) payment to a crime stoppers organization in an amount not to exceed the amount of the reward paid by a crime stoppers organization, as defined by KRS 431.570, relative to the probationer.~~

~~(5) In addition to any other terms and conditions imposed under this section, the court may require the probationer, as a condition of probation or conditional discharge of a sentence of detention or imprisonment for a drug or alcohol related offense, to make one (1) payment either to Drug Abuse Resistance Education (D.A.R.E.) or to any treatment or prevention program for drug or alcohol abuse that a local government administers, refers individuals to, or contracts to administer, in an amount not to exceed the amount of any fine which also could have been imposed for the offense~~].

(5)~~[(6)]~~ When a defendant is sentenced to probation or conditional discharge, he shall be given a written statement explicitly setting forth the conditions under which he is being released.

(6)~~[(7)]~~ When imposing a sentence of probation or conditional discharge, the court, in addition to conditions imposed under this section, may require as a condition of the sentence that the defendant submit to a period of imprisonment in the county jail or to a period of home incarceration at whatever time or intervals, consecutive or nonconsecutive, the court shall determine. The time actually spent in confinement or home incarceration pursuant to this provision shall not exceed twelve (12) months or the maximum term of imprisonment assessed pursuant to KRS Chapter 532, whichever is the shorter. Time spent in confinement or home incarceration under this subsection shall be credited against the maximum term of imprisonment assessed for the defendant pursuant to KRS Chapter 532, if probation or conditional discharge is revoked and the defendant is sentenced to imprisonment. Any prohibitions against probation, shock probation, or conditional discharge under KRS 533.060(2) or 532.045 shall not apply to persons convicted of a misdemeanor or Class D felony and sentenced to a period of confinement or home incarceration under this section.

Section 40. KRS 534.020 is amended to read as follows:

(1) When a defendant is sentenced to pay a fine ***under KRS 534.030***, the court may provide for payment to be made within a specified period of time or in specified installments. If no such provision is made a part of the sentence, the fine shall be

payable forthwith. ***If the defendant fails to comply with subsection (1) of Section 1 of this Act, then any installment plan under this section shall be consistent with subsection (3) of Section 1 of this Act.***

(2) ***When a defendant is sentenced to pay a fine under KRS 534.040, the court shall proceed as provided in Section 4 of this Act.***

(3) When a defendant is sentenced to pay a fine, an alternative sentence of imprisonment that is to be served in the event the fine is not paid shall not be imposed at the same time. The response of a court to nonpayment of a fine shall be determined only after the fine has not been paid, and[~~ only~~] as provided in ***Section 4 of this Act or Section 41 of this Act***[~~KRS 534.060~~].

Section 41. KRS 534.060 is amended to read as follows:

(1) When an individual sentenced to pay a fine defaults in the payment of the fine or any installment, the court upon motion of the prosecuting attorney or upon its own motion may require him to show cause why he should not be imprisoned for nonpayment. The court may issue a warrant of arrest or a summons for his appearance.

(2) Following an order to show cause under subsection (1), unless the defendant shows that his default was not attributable to an intentional refusal to obey the sentence of the court and not attributable to a failure on his part to make a good faith effort to obtain the necessary funds for payment, the court may order the defendant imprisoned for a term not to exceed:

(a) Six (6) months, if the fine was imposed for the conviction of a felony; or

(b) One-third (1/3) of the maximum authorized term of imprisonment for the offense committed, if the fine was imposed for conviction of a misdemeanor; or

(c) Ten (10) days, if the fine was imposed for conviction of a violation.

(3) If the default in payment of a fine is determined to be excusable under the standards set forth in subsection (2), the court may enter an order allowing the defendant additional time for payment, reducing the amount of each installment ***to no less than fifty dollars ($50)***[~~, or modifying the manner of payment in any other way~~]. In addition the court may enter an order compelling the defendant to work for a department of local government, if:

(a) Such department, through appropriate authority, approves the defendant's employment;

(b) Such department will pay the defendant for his work at a reasonable rate of compensation;

(c) The defendant is not otherwise gainfully employed nor medically disabled; and

(d) Such employment will not cause economic hardship to the defendant or his dependents.

In the event such an order is entered the court shall designate the portion of the defendant's compensation that is to be credited toward payment of his fine, which in no event shall be more than forty percent (40%) of gross compensation.

(4) When a fine is imposed on a corporation, it is the duty of the person or persons authorized to make disbursement of the assets of the corporation and their superiors to pay the fine from assets of the corporation. The failure of such persons to do so shall render them subject to imprisonment under subsections (1) and (2).

(5) Following a default in the payment of a fine or any installment thereof, the fine may be collected by any means authorized for the enforcement of money judgments rendered in favor of the Commonwealth.

Section 42. KRS 534.045 is amended to read as follows:

(1) Pursuant to a conviction of a misdemeanor, including traffic offenses, where a person is sentenced to incarceration in the county jail, the District Court may assess a reimbursement fee to help defray the expenses of the prisoner's room and board. The reimbursement fee shall not exceed twenty-five percent (25%) of the prisoner's gross daily wages or forty dollars ($40) per day, whichever is less. All moneys shall be ***paid directly to the jailer***[~~collected by the District Court and paid to the county, urban-county, or charter county treasury for use on the jail as provided in KRS 441.206~~].

(2) In determining whether a reimbursement fee as described in subsection (1) of this section is to be assessed, and in establishing the amount of the fee, the court shall consider evidence relevant to the prisoner's ability to pay the fee but shall not consider as evidence the following:

(a) Joint ownership, if any, that the prisoner may have in real property;

(b) Joint ownership, if any, that the prisoner may have in any assets, earnings, or other sources of income; and

(c) The income, assets, earnings, or other property, both real and personal, that might be owned by the prisoner's spouse or family.

(3) After considering all relevant evidence to the issue of the prisoner's ability to pay, the court shall enter as part of its judgment the amount of the reimbursement fee, if any, that shall be paid by the prisoner during his period of incarceration in the county jail. The fee shall bear a reasonable relationship to the person's income. Upon petition by the prisoner affected by the order, the amount may be modified to reflect any changes in the financial status of the prisoner. In any appeal that might be taken from the conviction, the amount of the reimbursement fee may be challenged.

(4) If the person sentenced to jail is released in accordance with the provisions of KRS 439.179 and is subject to the provisions of KRS 439.179(4), the payment of the reimbursement fee shall be suspended so long as the person is gainfully employed.

(5) When imposing any payment authorized by this section, the court shall order the defendant to make the payment to the named officer, person, or organization. The court shall not order any payment authorized by this section to be made through the circuit clerk.

Section 43. KRS 635.085 is amended to read as follows:

(1) In lieu of commitment to the Department of Juvenile Justice, if a child is adjudicated a public offender, the court may in its discretion impose a fine. The imposition of a fine for an offense committed by a child shall be based upon a determination that such disposition is in the best interest of the child and to aid in his rehabilitation. Any such order shall include a finding that the child is financially able to pay the fine. Fines shall be levied consistent with the schedule set forth below:

  (a) For a felony, not to exceed five hundred dollars ($500);

  (b) For a misdemeanor, not to exceed two hundred fifty dollars ($250); and

  (c) For a violation, not to exceed one hundred dollars ($100).

(2) When a child is directed by the court to pay a fine, the court may provide for payment to be made within a specified period of time or in specified installments. If such provision is not made a part of the court's disposition, the fine shall be payable immediately. Nothing contained herein shall be construed as limiting the court's inherent contempt powers.

(3) Any public offender detained for failure to comply with the court order shall not be scheduled for a time that would interfere with the educational, occupational, or religious obligations of the child, and shall be in a secure juvenile detention facility or juvenile holding facility. Any portion of a day a child is detained pursuant to the court's exercising its contempt powers shall be deemed as one (1) day for purposes of serving a detention term.

[~~(4) Fines imposed and collected pursuant to this section shall be paid by the circuit clerk to the fund specified in KRS 431.100.~~]

Section 1. KRS 342.680 is amended to read as follows:

(1) In any claim for compensation, where the employee has been killed, or is physically or mentally unable to testify as confirmed by competent medical evidence and where there is unrebutted prima facie evidence that indicates that the injury was work related, it shall be presumed, in the absence of substantial evidence to the contrary, that the injury was work related, that sufficient notice of the injury has been given, and that the injury or death was not proximately caused by the employee's intoxication or by his willful intention to injure or kill himself or another.

(2) In any claim for compensation by a paid or volunteer firefighter, as defined in KRS 95.010, for a heart or lung disease or condition which results from activity as a firefighter for five (5) years or more, there shall be a presumption that the disease or condition is a result of the firefighter's employment.

HCR 12, A CONCURRENT RESOLUTION in support of the issuance of a commemorative U.S. Postal Service stamp honoring America's coal miners.

WHEREAS, United States coal miners perform a unique and vital service for the nation because without a man or woman at the controls of a dragline or working in a darkened mine shaft coal would not tumble into the trucks and barges that crisscross the country to power the boilers that generate over 50 percent of the nation's electricity; and

WHEREAS, coal miners keep the nation supplied with an energy resource that produces electricity for the lowest cost, when compared to fuels other than nuclear, which makes possible the country's unmatched productivity and prosperity; and

WHEREAS, coal miners provide a vital pool of labor with the expertise to produce energy supplies from vast national coal reserves which serves to buffer the country from a dangerous dependence on foreign energy fuels; and

WHEREAS, because of Kentucky's long and proud tradition as a preeminent supplier of the nation's coal supplies, we wish to be counted alongside the U.S. Secretary of Labor, the United Mine Workers of America, schoolchildren from Wilkes-Barre, Pennsylvania, and the many others seeking the proper recognition of the role played by coal miners in the history of the country;

NOW, THEREFORE,

Be it resolved by the House of Representatives of the General Assembly of the Commonwealth of Kentucky, the Senate concurring therein:

Section 1. The Citizens' Stamp Advisory Committee of the U.S. Postmaster General is urged to recommend for issuance as soon as practicable a U.S. Postal Service stamp commemorating the vital role of coal miners in the history and economic productivity of the country. The stamp would commemorate a class of American laborers who in their immigrant origins reflect the melting-pot ideals of the nation, who with their manual labor make possible the technological conveniences of modern American life, and whose contributions to the nation's welfare are generally unknown to the public. A stamp commemorating coal miners holds the promise of illustrating a colorful and historically rich segment of society for the benefit of schoolchildren, stamp collectors, educators, and the public.

Section 2. This Resolution shall be sent to the U.S. Postmaster General and to the Citizens' Stamp Advisory Committee, c/o Stamp Development, U.S. Postal Service, 475 L'Enfant SW, Room 5670, Washington, D.C. 20260-2437.

The Committee on State Government reported **HB 122, HB 184, HB 194, HB 196, HB 223, HB 411, HB 423, HB 438, HJR 20,** and **HCR 63** with the expression of opinion that the same should pass. Read at length for the first time and ordered placed in the Calendar.

The agency contract administrator shall note the reason that a performance bond is or is not recommended and his notation shall be a part of the permanent record relating to the contract. If a performance bond is required, the requirement shall be included in the invitation to bid, request for proposal, or other procurement document. The opinion of the agency contract administrator shall be made in writing or electronically, set forth the reasons for his or her opinion regarding compliance or noncompliance, and be signed by the agency contract administrator. This opinion may have an electronic signature. The using agency head shall, after consideration of the performance audits, the final performance review, and the opinion of the agency contract administrator regarding compliance or noncompliance, determine whether to recommend to the purchasing agency that the performance bond be released or whether a claim should be made against the performance bond. This determination of the using agency head shall be in writing, signed by the using agency head, and forwarded to the purchasing agency. This determination may have an electronic signature and be transmitted electronically. If the recommendation of the using agency is not followed by the purchasing agency, the purchasing agency shall place a statement in the file explaining why it is not followed.

(4) Nothing in this section shall be construed to limit the authority of the Commonwealth to require a performance bond or other security in addition to those bonds, or in circumstances other than specified in subsection (2) or (3) of this section.

HB 423, AN ACT relating to retirement.

Be it enacted by the General Assembly of the Commonwealth of Kentucky:

Section 1. KRS 21.580 is amended to read as follows:

(1) As a pilot project to determine the effectiveness of using senior retired judges to combat backlog and delay in Kentucky courts, there is hereby created a "Senior Status Program for Special Judges." The program shall be implemented as follows:

(a) KRS 21.400(1) and any other provision in KRS Chapter 21 to the contrary notwithstanding, a member who retires at a time when combining his total years of judicial service credit and his age equals or exceeds the number seventy-five (75), may elect, within ninety (90) days following retirement, to participate in the "Senior Status Program for Special Judges," if he complies with the provisions of this subsection. In that event, the member shall be entitled to a service retirement allowance, commencing at the member's normal retirement age, payable monthly during his lifetime in an amount equal to five percent (5%) of his final compensation multiplied by the number of years of his judicial service, not to exceed twenty (20) years of judicial service at the five percent (5%) factor, not to exceed one hundred percent (100%) of final compensation. "Final compensation" is as defined in KRS 21.400. Any nonjudicial time shall be counted as is otherwise provided in KRS Chapter 21, but in no event shall service retirement allowance exceed one hundred percent (100%) of final compensation.

(b) A justice of the Supreme Court, judge of the Kentucky Court of Appeals, Circuit Court Judge, or District Court Judge, who did not elect to participate in the Kentucky Judicial Retirement Plan under KRS 21.360 but who is a participant in the Kentucky Retirement Systems, whose age and years of service total at least seventy-five (75) may retire and elect, within ninety (90) days, to participate in the "Senior Status Program for Special Judges," if he or she complies with the provisions of this subsection. If complying, the retired judge shall be entitled to a supplemental service retirement allowance from the Judicial Retirement Plan, commencing at the member's normal retirement age. The supplemental allowance shall be in an amount equal to the difference in the benefit under KRS 61.595(1) attributable to judicial service only, and five percent (5%) of the final compensation under KRS 61.680(2)(a) multiplied by the number of years of judicial service. The supplemental benefit shall be limited to the difference in the annual Kentucky Retirement System benefit and the final compensation on which it is calculated.

(c)[~~1.~~] In the event the retiring judge elects to retire as a "Senior Status Special Judge" under this subsection, he shall commit to serve, upon appointment by the Chief Justice of the Commonwealth, as special judge for one hundred twenty (120) work days per year for a term of five (5) years without compensation other than the retirement benefits under this subsection. The Senior Status Special Judge may agree to work more than one hundred twenty (120) days in any year within the five (5) years of service; however, the Senior Status Special Judge shall be compensated as otherwise provided by law, in addition to his retirement benefits, for any days served in excess of one hundred twenty (120) in that year. If the Senior Status Special Judge has not served a total of six hundred (600) days within the five (5) year period outlined in this subsection, the Chief Justice shall require the Senior Status Special Judge to serve at no additional compensation to the Senior Status Special Judge, until the six hundred (600) day period is served by the Senior Status Special Judge. The Senior Status Special Judge and the Chief Justice may agree in writing to serve less than the one hundred twenty (120) days in any one (1) or more of the five (5) years; however, any of the days not served in a given year shall be served at the end of the five (5) year period set forth in this subsection.

(d)[~~2.~~] Should any member electing to retire under the Senior Status Program for Special Judges fail, when ordered by the Chief Justice to serve the requisite number of days not to exceed one hundred twenty (120) days a year for the five (5) year period outlined in this subsection, unless otherwise agreed in writing, he shall no longer be eligible for benefits computed under this subsection and shall return to the benefits otherwise provided under this chapter.

(e)[~~3.~~] Subject to Section 110(5)(b) of the Kentucky Constitution, the Chief Justice shall give due regard, when practical, to the desirability of appointing Senior Status Special Judges to serve within their judicial region as defined by the regional administration charter.

(2)[~~(b)~~] The inviolable contract provisions of Kentucky law, KRS 21.480 *and KRS 61.692*, shall apply during the period of time that KRS 21.580 is effective; however, no other provisions of 2000 Ky. Acts ch. 305 shall be considered subject to an inviolable contract of the Commonwealth.

(3)[~~(c)~~]Nothing contained in this section shall be construed to invalidate provisions in the current law which require a penalty for retiring before the normal retirement age.

(4)[~~(2)~~] The Senior Status Program for Special Judges created by this section shall be open to any member who is a judge in office on July 14, 2000, and who subsequently retires as a Senior Status Special Judge on or before June 30, 2007.

(2) (a) For purposes of this section, "duty-related injury" means:

1. a. A single traumatic event that occurs while the employee is performing the duties of his position; or

b. A single act of violence committed against the employee that is found to be related to his job duties, whether or not it occurs at his job site; and

(3) (a) If the employee dies as a result of a duty-related injury and is survived by a spouse, the surviving spouse shall be the beneficiary, and this shall supersede the designation of all previous beneficiaries of the deceased employee's retirement account.

(b) The surviving spouse may elect to receive the benefits payable under KRS 61.640 or other applicable death benefit statutes, or may elect to receive a lump-sum payment of ten thousand dollars ($10,000) and a monthly payment equal to twenty-five percent (25%) of the member's monthly final rate of pay beginning in the month following the member's death and continuing each month until death~~[or until the spouse remarries, whichever occurs first]~~.

For purposes of determining disability, the service requirement in KRS 61.600(1)(a), or other applicable statutes in any other state-administered retirement system, shall be waived.

(5) In the period of time following a member's death or disability during which dependent children survive, a monthly payment shall be made for each dependent child who is alive which shall be equal to ten percent (10%) of the deceased or disabled member's monthly final rate of pay; however, total maximum dependent children's benefits shall not exceed forty percent (40%) of the deceased or disabled member's monthly final rate of pay at the time any particular payment is due. The payment shall commence in the month following the date of death or disability of the member and shall be payable to the beneficiaries, or to a legally appointed guardian, or as directed by the system. Benefits for death as a result of a duty-related injury shall be payable under this subsection notwithstanding an election by a beneficiary to withdraw the deceased member's accumulated contributions as provided in KRS 61.625 or benefits under any other provisions of KRS 61.515 to 61.705 or other applicable death benefit statutes in any other state-administered retirement system.

(6) This section shall be known as "The Fred Capps Memorial Act."

Section 2. KRS 16.601 is amended to read as follows:

(1) If the death of a member in service occurs on or after August 1, 1992, as a direct result of an "act in line of duty" and the member has on file in the retirement office at the time of his death a written designation of only one (1) beneficiary, who is his spouse, the beneficiary may elect to receive a lump-sum payment of ten thousand dollars ($10,000) and a monthly payment equal to twenty-five percent (25%) of the member's monthly final rate of pay beginning in the month following the member's death and continuing each month until death~~[or until the spouse remarries, whichever occurs first]~~.

(2) If the death of a member in service occurs on or after July 1, 1968, as a direct result of an "act in line of duty" and the member has on file in the retirement office at the time of his death a written designation of only one (1) beneficiary other than his spouse, who is a dependent receiving at least one-half (1/2) of his support from the deceased member, the beneficiary may elect to receive a lump-sum payment of ten thousand dollars ($10,000).

(3) In the period of time following a member's death during which dependent children survive, monthly payments shall be made for each dependent child who is alive, equal to ten percent (10%) of the deceased member's monthly final rate of pay; however, total maximum dependent children's benefits shall not be greater than forty percent (40%) of the deceased member's monthly final rate of pay at the time any particular payment is due. The payments shall commence in the month following the date of death of the member and shall be payable to the beneficiaries, or to a legally appointed guardian or as directed by the system. Benefits shall be payable under this subsection notwithstanding an election by a beneficiary to withdraw the deceased member's accumulated contributions as provided in KRS 61.625 or benefits under any other provisions of KRS 16.510 to 16.652.

(4) A beneficiary eligible for benefits under subsection (1) or (2) of this section who is also eligible for benefits under any other provisions of KRS 16.510 to 16.652 may elect benefits under this section or any other section of KRS 16.510 to 16.652 but cannot elect to receive both.

(d) If a county or department elects the provisions of this subsection, any present employee who would be eligible to receive service credit under the provisions of this subsection and has purchased service credit under subsection (4) or (5) of this section shall have his payment for the service credit refunded with interest at the rate paid under KRS 61.575 or 78.640;

(e) Any payments made by a county or department under this subsection shall be deposited to the retirement allowance account of the proper retirement system and these funds shall not be considered accumulated contributions of the individual members.

(10) Interest paid by a member of the Kentucky Employees Retirement System, County Employees Retirement System, or State Police Retirement System under this section or other similar statutes under KRS 16.510 to 16.652, KRS 61.515 to 61.705, or KRS 78.520 to 78.852 prior to June 19, 1976, shall be credited to the individual member's contribution account in the appropriate retirement system and considered as accumulated contributions of the member.

(11) Employees who served as assistants to officers and employees of the General Assembly who were unable to acquire service under KRS 61.510(20) may purchase credit for the service performed after January 1, 1960, if the service purchased when added to other accumulated service will total at least forty-eight (48) months. Service credit under this section shall be obtained by the payment of a delayed contribution which shall not be picked up by the employer as described in KRS 61.560(4).

(12) (a) Effective August 1, 1988, any employee participating in one (1) of the state-administered retirement systems may purchase service credit for seasonal, emergency, or temporary employment or part-time employment averaging one hundred (100) or more hours of work per month on a calendar or fiscal year basis. If the average number of hours of work is less than one hundred (100) per month, the member shall be allowed credit only for those months he receives creditable compensation for one hundred hours of work. The cost will be determined by computing the

member and employer contributions for the period of time involved plus interest compounded annually at the current actuarial rate, which shall not be picked up by the employer as described in KRS 61.560(4).

(b) Any noncertified employee of a school board may purchase service credit for part-time employment prior to the 1990-91 school year which averaged eighty (80) or more hours of work per month on a calendar or fiscal year basis by paying to the County Employees Retirement System a delayed contribution payment. The delayed contribution payment shall not be picked up, as described in KRS 78.610(4), by the employer. Payment may be by lump sum or the employee may pay by increments. If the average number of hours of work is less than eighty (80) per month, the noncertified employee of a school board shall be allowed credit only for those months he receives creditable compensation for eighty (80) hours of work. The cost will be determined by computing the member and employer contributions for the period of time involved plus interest compounded annually at the current actuarial rate, which shall not be picked up by the employer as described in KRS 78.610(4).

(13) A retired member, who is contributing to one (1) of the state-administered retirement programs and purchases service credit under this section in the system or systems from which he is retired, shall have his retirement allowance recomputed:

(a) Upon termination from employment, if the member is contributing to the same system or systems from which he was retired; or

(b) Upon completion of six (6) months' service credit as required under subsection (6) of this section, if the member is contributing to a system other than the system or systems from which he is retired.

(14) Any employee participating in one (1) of the state-administered retirement systems who has at least forty-eight (48) months of service if age sixty-five (65) or at least sixty (60) months of service if under age sixty-five (65) may obtain credit for prior or current service for any period of approved educational leave, or for agency-approved leave to work for a work-related labor organization if the agency subsequently participated in the County Employees Retirement System, by paying to the respective retirement system a delayed contribution payment. The employee may also obtain credit for agency-approved leave to work for a work-related labor organization if the agency subsequently participated in the County Employees Retirement System, but only if the Kentucky Retirement Systems receives a favorable private letter ruling from the United States Internal Revenue Service or a favorable opinion letter from the United States Department of Labor. The delayed contribution payment shall not be picked up, as described in KRS 61.560(4), by the employer, and shall be deposited to the individual member's account.

(15) Any employee participating in one (1) of the state-administered retirement systems may obtain credit for prior or current service for any period of approved maternity leave, or for any period of approved sick leave without pay, by paying to the respective retirement system a delayed contribution payment. The delayed contribution payment shall not be picked up, as described in KRS 61.560(4), by the employer, and shall be deposited to the individual member's account.

(16) Any employee participating in one (1) of the retirement systems administered by Kentucky Retirement Systems may purchase service credit under any of the provisions of KRS 16.510 to 16.652, 61.515 to 61.705, or 78.520 to 78.852 by making installment payments in lieu of a lump-sum payment.

(a) The cost of the service shall be computed in the same manner as for a lump-sum payment which shall be the principal; and interest, at the actuarial rate in effect at the time the member elects to make the purchase compounded annually, shall be added for the period that the installments are to be made. Multiple service purchases may be combined under a single installment purchase; however, no employee may make more than one (1) installment purchase at the same time. Once multiple service purchases have been combined in an installment purchase, the employee may not separate the purchases or pay a portion of one (1) of the purchases. The employee may elect to stop the installment payments by notifying the retirement system; may have the installment purchase recalculated to add one (1) or more additional service purchases; or may pay by lump sum the remaining principal.

(b) Twelve (12) consecutive monthly installment payments shall be made for each one thousand dollars ($1,000) or any part thereof of the total cost, except that the total number of installments shall not be less than twelve (12) and shall not exceed sixty (60).

(c) The employee shall pay the installments by payroll deduction each pay period. Upon notification by the retirement system, the employer shall report the installment payments separate from regular employee contributions on the forms or by the computer format specified by the board. The payments made under this subsection shall be considered accumulated contributions of the member and shall not be picked up by the employer pursuant to KRS 61.560(4) and no employer contributions shall be paid on the installments.

(d) The retirement system shall determine how much of the total cost represents payment for one (1) month of the service to be purchased and shall credit one (1) month of service to the member's account each time this amount has been paid. The first service credited shall represent the first calendar month of the service to be purchased and each succeeding month of service credit shall represent the succeeding months of that service.

(e) If the employee elects to stop the installment payments, dies, retires, or does not continue employment in a position required to participate in the retirement system, the member, or in the case of death, the beneficiary, shall have sixty (60) days to pay the remaining principal of the purchase by lump sum. If the member or beneficiary does not pay the remaining cost, the retirement system shall refund to the member or the beneficiary the payment, payments, or portion of a payment that does not represent a full month of service purchased.

(f) If the employer does not report installment payments on an employee for sixty (60) days, the installment purchase shall cease and the retirement system shall refund to the employee the payment, payments, or portion of a payment that does not represent a full month of service purchased.

(g) If payments have ceased under paragraph (e) or (f) of this subsection and the member later becomes a participating employee in one (1) of the three (3) systems administered by Kentucky Retirement Systems, the employee may complete the adjusted original installment purchase by lump sum or installment payments. If the employee elects to renew the installment purchase, the cost of the remaining service shall be recalculated in accordance with paragraph (a) of this subsection. If the original installment purchase was for multiple service purchases, the employee may not separate those purchases under a new installment purchase.

(h) Any employee participating in one (1) of the retirement systems administered by Kentucky Retirement Systems may purchase service credit under any of the provisions of KRS 16.510 to 16.652, 61.515 to 61.705, or 78.520 to 78.852 by transferring funds pursuant to the rules in 26 U.S.C. sec. 401(a)(31) directly from a retirement plan or a deferred compensation arrangement maintained by his employer which is a qualified plan pursuant to 26 U.S.C. sec. 401(a). Service credit may also be purchased by a rollover of funds from a qualified retirement plan pursuant to the rules specified in 26 U.S.C. sec. 402(c). The Kentucky Retirement Systems shall accept the transfer or rollover to the extent permitted under the rules specified in 26 U.S.C. secs. 402(c) and 401(a)(31). The amount shall be credited to the individual member's contribution account in the appropriate retirement system and shall be considered accumulated contributions of the member.

(17) After August 1, 1998, any employee participating in one (1) of the state-administered retirement systems who is age sixty-five (65) or older and has forty-eight (48) months' service credit in the Kentucky Employees Retirement System or the County Employees Retirement System or, if younger, who has sixty (60) months' service credit in the Kentucky Employees Retirement System or the County Employees Retirement System may purchase credit in the system in which the employee has the service credit for up to ten (10) years service in a regular full-time position that was credited to a state or local government-administered public defined benefit plan in another state other than a defined benefit plan for teachers. The employee shall pay the full cost of the service as determined by the system. Payment may be by lump sum, or the employee may pay by increments. The employee may transfer funds directly from the other state's plan if eligible to the extent permitted under subsection (16)(h) of this section and to the extent permitted by the other state's laws and shall provide proof that he is not eligible for a retirement benefit for the period of service from the other state's plan.

(18) After August 1, 1998, any employee participating in one (1) of the state-administered retirement systems, who has sixty (60) or more months of service in the State Police Retirement System or in a hazardous position in the Kentucky Employees Retirement System or the County Employees Retirement System, may purchase credit in the system in which the employee has the sixty (60) months of service credit for up to ten (10) years of service in a regular full-time position that was credited to a defined benefit retirement plan administered by a state or local government in another state, if the service could be certified as hazardous pursuant to KRS 61.592. The employee shall pay the full cost of the service credit as determined by the system. Payment may be by lump sum or by increments. The employee may transfer funds directly from the other unit of government's plan if eligible to the extent permitted under subsection (16)(h) of this section and to the extent permitted by the other state's laws, and the employee shall provide proof that he is not eligible for a retirement benefit for the period of service from the other unit of government's plan.

(19) Any employee participating in one (1) of the state-administered retirement systems who has at least forty-eight (48) months of service if age sixty-five (65) or at least sixty (60) months of service if under age sixty-five (65) who has completed service as a volunteer in the Kentucky Peace Corps, created by KRS 154.01-720, may purchase service credit for the time served in the corps by making delayed contribution payments.

(20) An employee participating in any state-administered retirement system who has at least forty-eight (48) months' service if age sixty-five (65), or at least sixty (60) months' service if under age sixty-five (65), and who was formerly employed in a regional community mental health and mental retardation services program, organized and operated under the provisions of KRS 210.370 to 210.480, which does not participate in a state-administered retirement system may obtain credit for the period of his service in the regional community mental health and mental retardation program, by paying to the state retirement system in which he participates the full cost of the service credit purchased, as determined by the system. Payment to one (1) of the retirement systems administered by the Kentucky Retirement Systems may be made by lump sum or in increments.

(21) An employee participating in any state-administered retirement system who has at least forty-eight (48) months' service if age sixty-five (65) or at least sixty (60) months' service if under age sixty-five (65), who was employed by a vocational technical school in a noncertified part-time position averaging eighty (80) or more hours per month, determined by using the number of months actually worked within a calendar or fiscal year, may purchase service credit in the Kentucky Employees Retirement System. The cost of the service shall be determined by computing the member and employer contributions for the period of time involved plus interest compounded annually at the current actuarial rate, which shall not be picked up by the employer as described in KRS 61.560(4).

(22) Any employee participating in one (1) of the state-administered retirement systems on June 30, 2000, may obtain credit for subsequent service with a parted employer from the Commonwealth operating for the purposes of KRS 163.475, by paying to the respective retirement system a delayed contribution payment if the respective retirement system receives a favorable

private letter ruling from the United States Internal Revenue Service or a favorable opinion letter from the United States Department of Labor. The delayed contribution payment shall be deposited to the individual member's account. The delayed contribution payment shall not be picked up by the employer as described in KRS 61.560(4).

(23) Any employee participating in the County Employees Retirement System who has at least forty-eight (48) months of service if age sixty-five (65) or at least sixty (60) months of service if under age sixty-five (65) may purchase service credit for service with a city, county, or joint city-county planning commission, if that service was not covered by a state-administered retirement system. Notwithstanding any statute to the contrary, the employee shall be entitled to a full month of service for each month or portion of month that the employee occupied the position whether or not the employee would have qualified, at the time of planning commission service, for the service under KRS 6.525. The employee shall pay to the retirement system the full cost of the service credit purchased, as determined by the board's actuary. The payment shall not be picked up, as described in KRS 78.610(4), by the employer and shall be deposited to the member's account. Payment may be by lump sum or in increments. The employee may obtain credit for service with a city, county, or joint city-county planning commission only if the Kentucky Retirement Systems receives a favorable letter ruling from the United States Internal Revenue Service or a favorable opinion letter from the United States Department of Labor.

(24) (a) Any member or retired member of one (1) of the retirement systems administered by the Kentucky Retirement Systems who is entitled to service credit for employment which was not reported in accordance with KRS 16.543, 61.543, or KRS 78.615 may obtain credit for the service by paying the employee contributions due within six (6) months of notification by the system. No interest shall be added to the contributions. The service credit shall not be credited to the member's account until the employer contributions are received. If a retired member makes the payment within six (6) months, the retired member's retirement allowance shall be adjusted to reflect the added service after the employer contributions are received by the retirement system.

(b) Any employee participating in one (1) of the retirement systems administered by Kentucky Retirement Systems who is entitled to service credit under paragraph (a) of this subsection and who has not repaid the employee contributions due within six (6) months of notification by the system may regain the credit after the six (6) months by paying to the system the employee contributions plus interest at the actuarially assumed rate from the date of initial notification under paragraph (a) of this subsection. The cost of the service shall be determined as a delayed contribution payment for the respective retirement system. Payment may be made by lump sum or in increments. The payment shall not be picked up, as described in KRS 61.560(4) or KRS 78.610(4), by the employer.

(26) Any employee participating in one (1) of the retirement systems administered by the Kentucky Retirement Systems on or after August 1, 1998, who has at least two hundred forty (240) months of service credit may purchase a combined maximum total of five (5) years of retirement service credit which is not otherwise purchasable under any of the provisions of KRS 16.510 to 16.652, KRS 61.510 to 61.705, and KRS 78.510 to 78.852. Payment by the member may be by lump sum or by increments.

(27) An employee participating in one (1) of the state-administered retirement systems, who has at least forty-eight (48) months of service if age sixty-five (65), or at least sixty (60) months of service if under age sixty-five (65), may obtain credit in the County Employees Retirement System for the period of that employee's service with a community action agency created under KRS 273.405 to 273.453 if that service was not covered by a state-administered retirement system. Application for the criminal record of a probationary employee shall be made no later than the date probationary employment begins.

(b) Employment shall be contingent on the receipt of the criminal history background check documenting that the probationary employee has no record of a sex crime nor as a violent offender as defined in KRS 17.165.

(c) Notwithstanding KRS 161.720 to 161.800 or any other statute to the contrary, probationary employment under this section shall terminate on receipt by the school district of a criminal history background check documenting a record of a sex crime or as a violent offender as defined in KRS 17.165 and no further procedures shall be required.

(d) The provisions of KRS 161.790 shall apply to terminate employment of a certified employee on the basis of a criminal record other than a record of a sex crime or as a violent offender as defined in KRS 17.165.

(1) The Kentucky Board of Education shall have the management and control of the common schools and all programs operated in these schools, including interscholastic athletics, the Kentucky School for the Deaf, the Kentucky School for the Blind, and community education programs and services.

(2) The Kentucky Board of Education may designate an organization or agency to manage interscholastic athletics in the common schools, provided that the rules, regulations, and bylaws of any organization or agency so designated shall be approved by the board, and provided further that any administrative hearing conducted by the designated managing organization or agency shall be conducted in accordance with KRS Chapter 13B.

(a) The state board or its designated agency shall assure through promulgation of administrative regulations that if a secondary school sponsors or intends to sponsor an athletic activity or sport that is similar to a sport for which National Collegiate Athletic Association members offer an athletic scholarship, the school shall sponsor the athletic activity or sport for which a scholarship is offered. The administrative regulations shall specify which athletic activities are similar to sports for which National Collegiate Athletic Association members offer scholarships.

(b) The state board or any agency designated by the state board to manage interscholastic athletics shall not promulgate rules, administrative regulations, or bylaws ***that***~~[which]~~ prohibit pupils in grades seven (7) to eight (8) from participating in any high school sports except for high school varsity soccer and football, or from participating on more than one (1) school-sponsored team at the same time in the same sport. The Kentucky Board of Education, or an agency designated by the board to manage interscholastic athletics, may promulgate administrative regulations restricting, limiting, or prohibiting participation in high school varsity soccer and football for students who have not successfully completed the eighth grade.

(c) ***Every local board of education shall require an annual medical examination performed and signed by a physician, physician assistant, or advanced registered nurse practitioner for each student seeking eligibility to participate in any high school athletic activity or sport. The Kentucky Board of Education or any organization or agency designated by the state board to manage interscholastic athletics shall not promulgate administrative regulations or adopt any policies or bylaws that are contrary to the provisions of this paragraph.***

(d) Any student who turns nineteen (19) years of age prior to August 1 shall not be eligible for high school athletics in Kentucky. Any student who turns nineteen (19) years of age on or after August 1 shall remain eligible for that school year only.

(e)[~~(d)~~]If the state board or any agency designated by the state board to manage interscholastic athletics promulgates administrative regulations that permit a school district to employ or assign nonteaching personnel to serve in a coaching position, those administrative regulations shall apply to all sports and sports activities, including basketball and football. The administrative regulations shall give preference to the hiring or assignment of certified personnel over nonteaching personnel in coaching positions.

(3) (a) The Kentucky Board of Education is hereby authorized to lease from the State Property and Buildings Commission, or others, whether public or private, any lands, buildings, structures, installations, and facilities suitable for use in establishing and furthering television and related facilities as an aid or supplement to classroom instruction, throughout the Commonwealth, and for incidental use in any other proper public functions. The lease may be for any initial term commencing with the date of the lease and ending with the next ensuing June 30, which is the close of the then-current fiscal biennium of the Commonwealth, with exclusive options in favor of the board to renew the same for successive ensuing bienniums, July 1 in each even year to June 30 in the next ensuing even year; and the rentals may be fixed at the sums in each biennium, if renewed, sufficient to enable the State Property and Buildings Commission to pay therefrom the maturing principal of and interest on, and provide reserves for, any revenue bonds which the State Property and Buildings Commission may determine to be necessary and sufficient, in agreement with the board, to provide the cost of acquiring the television and related facilities, with appurtenances, and costs as may be incident to the issuance of the bonds.

(b) Each option of the Kentucky Board of Education to renew the lease for a succeeding biennial term may be exercised at any time after the adjournment of the session of the General Assembly at which appropriations shall have been made for the operation of the state government for such succeeding biennial term, by notifying the State Property and Buildings Commission in writing, signed by the chief state school officer, and delivered to the secretary of the Finance and Administration Cabinet as a member of the commission. The option shall be deemed automatically exercised, and the lease automatically renewed for the succeeding biennium, effective on the first day thereof, unless a written notice of the board's election not to renew shall have been delivered in the office of the secretary of the Finance and Administration Cabinet before the close of business on the last working day in April immediately preceding the beginning of the succeeding biennium.

(c) The Kentucky Board of Education shall not itself operate leased television facilities, or undertake the preparation of the educational presentations or films to be transmitted thereby, but may enter into one (1) or more contracts to provide therefor, with any public agency and instrumentality of the Commonwealth having, or able to provide, a staff with proper technical qualifications, upon which agency and instrumentality the board, through the chief state school officer and the Department of Education, is represented in such manner as to coordinate matters of curriculum with the curricula prescribed for the public schools of the Commonwealth. Any contract for the operation of the leased television or related facilities may permit limited and special uses of the television or related facilities for other programs in the public interest, subject to the reasonable terms and conditions as the board and the operating agency and instrumentality may agree upon; but any contract shall affirmatively forbid the use of the television or related facilities, at any time or in any manner, in the dissemination of political propaganda or in furtherance of the interest of any political party or candidate for public office, or for commercial advertising. No lease between the board and the State Property and Buildings Commission shall bind the board to pay rentals for more than one (1) fiscal biennium at a time, subject to the aforesaid renewal options. The board may receive and may apply to rental payments under any lease and to the cost of providing for the operation of the television or related facilities not only appropriations which may be made to it from state funds, from time to time, but also contributions, gifts, matching funds, devises, and bequests from any source, whether federal or state, and whether public or private, so long as the same are not conditioned upon any improper use of the television or related facilities in a manner inconsistent with the provisions of this subsection.

(4) The state board may, on the recommendation and with the advice of the chief state school officer, prescribe, print, publish, and distribute at public expense such administrative regulations, courses of study, curriculums, bulletins, programs,

outlines, reports, and placards as each deems necessary for the efficient management, control, and operation of the schools and programs under its jurisdiction. All administrative regulations published or distributed by the board shall be inclosed in a booklet or binder on which the words "informational copy" shall be clearly stamped or printed.

(5) Upon the recommendation of the chief state school officer or his designee, the state board shall establish policy or act on all matters relating to programs, services, publications, capital construction and facility renovation, equipment, litigation, contracts, budgets, and all other matters which are the administrative responsibility of the Department of Education.

HB 164, AN ACT relating to insurance.

Be it enacted by the General Assembly of the Commonwealth of Kentucky:

Section 1. KRS 304.12-030 is amended to read as follows:

(1) As used in this section:

(a) "Replacement" means any transaction in which ***a*** new life insurance ***policy or annuity contract*** is to be purchased and by reason of such transaction ***an*** existing life insurance ***policy or annuity contract*** has been or is to be:

1. Lapsed, forfeited, surrendered[~~,~~] or ***partially surrendered, assigned to the replacing insurer, or*** otherwise terminated;

2. Converted to reduced paid-up insurance, continued as extended term insurance, or otherwise reduced in value by the use of nonforfeiture benefits or other policy values;

4. Reissued with any reduction in cash value; or

5. ***Used in a financed purchase***[~~Pledged as collateral or subjected to borrowing, whether in a single loan or under a schedule of borrowing over a period of time for amounts in the aggregate exceeding twenty-five percent (25%) of the loan value set forth in the policy~~];

If a withdrawal, surrender, or borrowing involving the policy values of an existing policy is used to pay premiums on a new policy owned by the same policyholder and issued by the same company within four (4) months before or thirteen (13) months after the effective date of the new policy, it will be deemed prima facie evidence of the policyholder's intent to finance the purchase of the new policy with existing policy values. This prima facie standard is not intended to increase or decrease the monitoring obligations of the existing insurer[~~, but excluding life insurance obtained through the exercise of a dividend option~~].

(2) Any person who solicits an application for ***a*** new life insurance ***policy or annuity contract*** on the life of another and who knows, or with the exercise of reasonable inquiry should know, that such insurance will be purchased or otherwise acquired in a replacement transaction shall not issue ***a*** new life insurance ***policy or annuity contract*** to the applicant until thirty (30) days after notice of such proposed replacement together with a copy of all soliciting material shown or delivered to the proposed insured has been delivered by the replacing insurer to the existing insurer.

(b) The new life insurance ***policy or annuity contract*** issued by the replacing insurer may be voluntarily surrendered by the insured at any time within thirty (30) days after its delivery to the insured in exchange for a full refund of premiums paid by the replacing insurer to the insured.

[~~(d) Variable life insurance under which the death benefits and cash values vary in accordance with unit values of investments held in a separate account;~~]

~~(g) Proposed life insurance that is to replace life insurance under a binding or conditional receipt issued by the same company~~].

[~~(5) As to proposed life insurance that is to replace existing life insurance issued by the same insurer or an insurer in the same group of affiliated insurers:~~

~~(a) Subsection (2) of this section shall not apply to such insurance; and~~

The policy, bond, deposit, or combination thereof shall not be terminated without thirty (30) days' prior written notice to the licensee and the commissioner.

(5) No person shall use any viatical settlement contract in this Commonwealth unless it has been filed with and approved by the commissioner. At the expiration of sixty (60) days from the date the filing is complete, the form filed shall be deemed approved unless the commissioner has by order given prior approval or disapproval. The commissioner may extend by not more than thirty (30) days the time period in which he or she may approve or disapprove any form. The commissioner shall give notice to the licensee of the extension before expiration of the initial sixty (60) day period. (8) When a viatical settlement provider elects to use a related provider trust in accordance with KRS 304.15-716, the viatical settlement provider shall file notice of its intention to use that trust with the department with a copy of the trust agreement. Any change in the trust agreement shall be filed with the commissioner prior to its effect.

(9) Notwithstanding the manner in which the viatical settlement broker is compensated, a viatical settlement broker represents the viator and owes a fiduciary duty to the viator to act according to the viator's instructions and in the best interest of the viator.

(10) Any additional death benefit payment on a life insurance policy that is the subject of a viatical settlement contract with a double or additional indemnity for accidental death shall be payable to the following:

SECTION 1. A NEW SECTION OF KRS CHAPTER 294 IS CREATED TO READ AS FOLLOWS:

(1) For purposes of this section, "physical office" means an actual office where the business of mortgage lending or the business of taking or soliciting mortgage loan applications is conducted. The office shall have a street address. A post office box or other similar designation shall not meet the requirements of this section. The office shall be accessible to the general public as a place of business and shall hold itself open on a regular basis during posted hours, unless the office is in the residence of the mortgage loan broker and proof of residence has been submitted as required by subsection (7) of Section 2 of this Act.

(2) (a) Each mortgage loan broker licensed under this chapter shall maintain a physical office in Kentucky.

  (b) Any mortgage loan broker licensed under this chapter on the effective date of this Act who does not maintain a physical office in Kentucky shall have ninety (90) days after the effective date of this Act in which to establish a physical office as required by this section. After the ninety (90) day period, it shall be unlawful for a mortgage loan broker licensed under this chapter on the effective date of this Act to transact business as a mortgage loan broker in Kentucky if the licensed mortgage loan broker does not maintain a physical office in Kentucky as required by this section.

(3) The license certificate of a mortgage loan broker shall be at all times prominently displayed in the mortgage loan broker's physical office.

(j) Require such other information as the commissioner determines necessary.

(3) No mortgage loan company license may be granted unless the applicant has and maintains, so long as the license is in effect, a minimum, documented funding source of five hundred thousand dollars ($500,000). If a mortgage loan company has a net worth in excess of five hundred thousand dollars ($500,000), an additional funding source is not required.

(4) If a licensee is a person other than a natural person, the license issued to it shall entitle all officers and employees of the person, if a corporation, and all members, partners, trustees, and employees, if an association, partnership, or trust, to engage in the mortgage loan business licensed pursuant to this chapter.

(5) If a licensee desires to establish a branch office in Kentucky not already approved, the licensee shall file a registration statement with the commissioner that includes the address and telephone number of the branch office, the name of the prospective manager, the anticipated opening date, and any other information prescribed by the commissioner.

(6) All applicants for a mortgage loan broker license shall have successfully completed an educational training course, approved by the department, of not less than thirty (30) hours' duration. This section shall not become effective until the department has approved at least one (1) educational training course. This section shall not apply to renewals of existing licenses.

(7) (a) On and after the effective date of this Act, the application for a mortgage loan broker license shall state the location of the physical office where the business is to be located in Kentucky in compliance with Section 1 of this Act and whether any location is a residence. If the nonresidence location is leased, the lease shall be for a term of at least one (1) year and a copy of the lease and the names of all employees conducting business under the lease shall accompany the application. If the location is a residence, proof that the location is a residence, in a form as required by the commissioner, shall accompany the application. Proof of residence must confirm that the mortgage loan broker owns or leases the residence and lives in the residence as the mortgage loan broker's main residence.

(b) The information required by paragraph (a) of this section shall be required for renewals of existing licenses which will expire on June 30, 2003, and for all renewals of licenses thereafter.

4) The information and payment shall be received by the commissioner on or before June 20 prior to the June 30 expiration date. The commissioner may reinstate the license if the licensee pays the filing fee and a reinstatement fee of one hundred dollars ($100).

HB 298, AN ACT relating to student credit cards.

Be it enacted by the General Assembly of the Commonwealth of Kentucky:

Section 1. KRS 287.385 is amended to read as follows:

(1) For the purpose of borrowing money from a state or national bank for their own higher educational purposes, the disabilities of nonage of minors are removed for all purposes, whether male or female. Any minor is authorized to make and execute any and all promissory notes, contracts, or other instruments necessary to be executed by him in order to borrow money for his own higher educational purposes, and such promissory notes, contracts, or other instruments shall have the same force and effect as though they were the obligations of persons over the age of their majority. Any promissory note, contract, or other instrument entered into by any such person pursuant to the provisions of this section shall have the approval of the parent or guardian of such minor and of the financial officer of the institution of higher learning.

(2) (a) For the purposes of this section, "student credit card" means any credit card that is provided to a student at a public or private college or university based solely on the student's enrollment in the university, or that is provided to a student who would not otherwise qualify for that credit card on the basis of his or her income.

(b) A "student credit card" does not include a credit card issued to a student who has a co-cardholder or co-signer who would otherwise qualify for a credit card other than a student credit card.

(3) The Council on Postsecondary Education and the governing body of each accredited private or independent college or university in the state are directed to adopt policies to regulate the marketing practices used on campuses by credit card companies. In adopting policies, it is the intent of the General Assembly that those entities consider including all of the following requirements:

(b) That marketers of student credit cards be prohibited from offering gifts to students for filling out credit card applications; and

(c) That credit card and debt education and counseling sessions become a regular part of campus orientation of new students. For purposes of this subsection, colleges and universities shall utilize existing debt education materials prepared by nonprofit entities and thus not incur the expense of preparing new materials.

(1) (a) The term "health maintenance organization" for the purposes of this section means a health maintenance organization as defined in KRS 304.38-030 or as a nonprofit hospital, medical-surgical, dental, and health service corporation, which has been licensed by the Kentucky Health Facilities and Health Services Certificate of Need and Licensure Board or its successor agency and issued a certificate of authority by the Department of Insurance as a health maintenance organization or as a nonprofit hospital, medical-surgical, dental, and health service corporation and which is qualified under the requirements of the United States Department of Health, Education and Welfare except as provided in subsection (2) of this section; and

(b) The term "state employee" for purposes of this section shall include a person, including an elected public official, who is regularly employed by any department, board, agency, branch of state government, or any municipal, urban-county, charter county, or county government, whose legislative body has opted to participate in the state health insurance program pursuant to KRS 79.080 and who is a contributing member to any one (1) of the retirement systems administered by the state. It shall also include a person who must fulfill the requirements established by the Kentucky Board of Education for eligibility and a person who is a present or future recipient of a retirement allowance from any of the Kentucky Retirement Systems who either satisfies the requirements of KRS 61.559 or who is board authorized under KRS 61.702(1), including a beneficiary of a retired employee as defined in KRS 61.542 who is receiving a retirement allowance from any of the Kentucky Retirement Systems and includes members of the Legislators' Retirement Plan as provided in KRS 18A.2287. It shall also include a person who is a present or future recipient of a retirement allowance from the Teachers' Retirement System of Kentucky who either satisfies the requirements of KRS 161.525, 161.620, and 161.675 or who is board certified, including a beneficiary of a retired member who is receiving a retirement allowance from the Teachers' Retirement System of Kentucky, except that a member who is receiving a retirement allowance from the Teachers' Retirement System and who is age sixty-five (65) or older shall not be included.

(2) (a) The secretary of the Finance and Administration Cabinet, upon the recommendation of the secretary of the Personnel Cabinet, shall procure, in compliance with the provisions of KRS 45A.080, 45A.085, and 45A.090, from one (1) or more health insurance companies or from one (1) or more health maintenance organizations authorized to do business in this state, a policy or policies of group health care coverage including, but not limited to, indemnity, health maintenance organization (HMO), preferred provider organization (PPO), point of service (POS), and exclusive provider organization (EPO) benefit plans encompassing all or any class or classes of state employees. Health insurance coverage provided to state employees under this section shall, at a minimum, contain the same benefits as provided under Kentucky Kare Standard as of January 1, 1994. All state employees and other persons for whom the health care coverage is provided or made available shall annually be given an option to elect health care coverage through a self-funded plan offered by the state or, if a self-funded plan is not available, from a list of coverage options determined by the competitive bid process under the provisions of KRS 45A.080, 45A.085, and 45A.090 and made available during annual open enrollment. For calendar year 2001 only, an emergency shall exist when any county in which only one (1) health insurance company offers a single plan to state employees and, subsequent to the open enrollment period, the health insurance company fails to maintain at least sixty-five percent (65%) of its contracts within the geographic region with specialty physicians who were participating in the network at the time of open enrollment. The Finance and Administration Cabinet shall immediately notify the Governor, the Legislative Research Commission, and the secretary of the Personnel Cabinet and shall be authorized to immediately negotiate and contract with additional health insurance companies for additional plans to serve any county without meeting the requirements of the Model Procurement Code under KRS Chapter 45.

(b) The policy or policies shall be approved by the commissioner of insurance and may contain the provisions he approves, whether or not otherwise permitted by the insurance laws.

(c) Any carrier bidding to offer health care coverage to members of the state group shall agree to provide coverage to all members of the state group, including both active employees and retirees within the county or counties specified in its bid. Furthermore, any carrier bidding to offer health care coverage to members of the state group shall also agree to rate all such members of the state group as a single entity, except for those retirees whose former employers insure their active employees outside the state health insurance program.

(d) Any carrier bidding to offer health care coverage to any member of the state group shall agree to provide enrollment, claims, and utilization data to the Commonwealth in a format specified by the Personnel Cabinet with the understanding that the data shall be owned by the Commonwealth; to provide data in an electronic form and within a time frame specified by the Personnel Cabinet; and to be subject to penalties for noncompliance of data reporting requirements as specified by the Personnel Cabinet. The Personnel Cabinet shall take strict precautions to protect the confidentiality of each individual member; however, confidentiality assertions shall not relieve a carrier from the requirement of providing stipulated data to the Commonwealth.

(e) The Personnel Cabinet shall develop the necessary techniques and capabilities for timely analysis of data received from carriers and, to the extent possible, provide in the request-for-proposal specifics relating to data requirements, electronic reporting, and penalties for noncompliance. The Commonwealth shall own the enrollment, claims, and utilization data provided by each carrier and shall develop methods to protect the confidentiality of the individual. The Personnel Cabinet shall provide to the General Assembly in June of each year an analysis of enrollment, claims, utilization data of all carriers for the prior plan year ending December 31, and on the financial stability of the program. The report shall include, but not be limited to, loss ratios, methods of risk adjustment, measurements of carrier quality of service, prescription coverage and cost management, paid dependent coverage, and statutorially required mandates. If state self-insurance was available as a carrier option, the report also shall provide a detailed financial analysis of the self-insurance fund including, but not limited to, loss ratios, reserves, and reinsurance agreements.

(f) If any agency participating in the state employee health insurance program for its active members terminates participation in the state employee health insurance program for its active members and there is a state appropriation for the employer's contribution for active employees' health insurance coverage, neither the agency nor the employees shall receive the state-funded contribution after termination from the state employee health insurance program.

(g) Any funds in flexible spending accounts that remain after all reimbursements have been processed shall be transferred to the credit of the state health insurance plan's appropriation account.

(3) The secretary of the Finance and Administration Cabinet, upon the recommendation of the secretary of the Personnel Cabinet, may procure from one (1) or more dental insurance companies, one (1) or more nonprofit hospital, medical-surgical, dental, and health service corporations organized under Subtitle 32 of KRS Chapter 304, or one (1) or more prepaid dental plan organizations organized under Subtitle 43 of KRS Chapter 304, a policy or policies of group dental insurance or prepaid dental plan coverage encompassing all or any class or classes of state employees. All state employees for whom the dental insurance or prepaid dental plan coverage is provided shall annually be given an option to elect either standard dental insurance coverage or coverage by a prepaid dental plan. The policy or policies shall be approved by the commissioner of insurance and may contain the provisions he approves, whether or not otherwise permitted by the insurance laws. It is intended that either dental insurance or prepaid dental plan coverage may be made available for state employees, except that the procuring of each is permissive.

(4) *(a)* The premiums may be paid by the policyholder:

1.[~~(a)~~] Wholly from funds contributed by the insured employee, by payroll deduction or otherwise;

2.[~~(b)~~] Wholly from funds contributed by any department, board, agency, or branch of state, municipal, urban-county, charter county, or county government; or

3.[~~(c)~~] Partly from each, except that any premium due for health care coverage or dental coverage, if any, in excess of the premium amount contributed by any department, board, agency, or branch of state, municipal, urban-county, charter county, or county government for any other health care coverage shall be paid by the employee.

(b) The state shall provide to each member of the state group the choice of fully paid single or fully paid dependent coverage plan options. The state shall pay for each member of the state group, who elects to be covered under a plan available to the member in the county where he or she lives or works, an amount equal to one hundred percent (100%) of the lowest premium charged for the option with the highest benefit level for the level of coverage selected by the member.

(5) If an employee moves his place of residence or employment out of the service area of a managed health care plan or of a prepaid dental plan, under which he has elected coverage, into either the service area of another managed health care plan or prepaid dental plan or into an area of the state not within a managed health care plan service area or prepaid dental plan service area, the employee shall be given an option, at the time of the move or transfer, to change his or her coverage to another health care plan or dental plan.

(6) No payment of premium by any department, board, agency, or branch of state, municipal, urban-county, charter county, or county government shall constitute compensation to an insured employee for the purposes of any statute fixing or limiting the compensation of such an employee. Any premium or other expense incurred by any department, board, agency, or branch of state, municipal, urban-county, charter county, or county government shall be considered a proper cost of administration.

(7) The policy or policies may contain the provisions with respect to the class or classes of employees covered, amounts of insurance or coverage for designated classes or groups of employees, policy options, terms of eligibility, continuation of insurance or coverage after retirement, and other provisions the commissioner of insurance may approve.

(8) The policy or policies shall contain the provision that employees or retired employees shall be allowed to change health

care plans during the reopening period without any limitation for pre-existing conditions if the employee has met the pre-existing condition limitation upon initial employment or reemployment with the group.

(9) The secretary of the Finance and Administration Cabinet is authorized to perform all acts necessary or advisable for the purpose of contracting for and maintaining health care coverage and dental coverage under the provisions of this section.

(10) Group rates under this section shall be made available to the disabled child of a state employee regardless of the child's age if the entire premium for the disabled child's coverage is paid by the state employee. A child shall be considered disabled if he has been determined to be eligible for federal Social Security disability benefits.

(11) The health care contract or contracts for state employees shall be entered into for a period of not less than one (1) year.

(12) The secretary shall appoint twenty-eight (28) persons to an Advisory Committee of State Health Insurance Subscribers to advise the secretary or his designee regarding the state health insurance program for state employees. The secretary shall appoint, from a list of names submitted by appointing authorities, members representing school districts from each of the seven (7) Supreme Court districts, members representing state government from each of the seven (7) Supreme Court districts, two (2) members representing retirees under age sixty-five (65), one (1) member representing local health departments, two (2) members representing the Kentucky Teachers' Retirement System, and three (3) members at large. The advisory committee shall be appointed in January of each year and shall meet quarterly.

(13) Notwithstanding any other provision of law to the contrary, the policy or policies provided to state employees pursuant to this section shall not provide coverage for obtaining or performing an abortion, nor shall any state funds be used for the purpose of obtaining or performing an abortion on behalf of state employees or their dependents.

(14) Interruption of an established treatment regime with maintenance drugs shall be grounds for an insured to appeal a formulary change through the established appeal procedures approved by the Personnel Cabinet, if the physician supervising the treatment certifies that the change is not in the best interests of the patient.

This system may utilize technology as well as personal contact. The Department of Juvenile Justice shall promulgate an administrative regulation to govern at least the following aspects of this subsection:

(a) Facility access;

(b) Scheduling; and

(c) Access to residents' records.

SECTION 2. A NEW SECTION OF KRS CHAPTER 15A IS CREATED TO READ AS FOLLOWS:

No employee of the Department of Juvenile Justice shall be required to give personal attendance as a witness in any civil suit arising out of or related to his or her employment, out of the county of that employee's assigned work station, but his or her deposition shall be taken in lieu thereof.

Section 3. KRS 605.090 is amended to read as follows:

(1) Unless precluded by law, any child committed to the Department of Juvenile Justice or the cabinet may by the decision of the Department of Juvenile Justice or the cabinet or its designee, at any time during the period of his commitment, be:

(a) Upon fourteen (14) days' prior written notice to the court, discharged from commitment. Written notice of discharge shall be given to the committing court and to any other parties as may be required by law;

(b) Placed in the home of the child's parents, in the home of a relative, a suitable foster home, or boarding home, upon such conditions as the Department of Juvenile Justice or the cabinet may prescribe and subject to visitation and supervision by a social service worker or juvenile probation and parole officer. At the time a committed child is placed in the home of his parents by the Department of Juvenile Justice or the cabinet, the parents shall be informed in writing of the conditions of the placement and the criteria that will be used to determine whether removal is necessary;

(c) Placed in one (1) of the facilities or programs operated by the Department of Juvenile Justice or the cabinet, except that no child committed under the provisions of KRS 610.010(1)(b), (c), or (d) shall be placed in a facility operated by the Department of Juvenile Justice for children adjudicated as a public offender unless the cabinet and the department agree, and the court consents, that the placement is in the best interest of the child and that the placement does not exceed a group home level;

(d) Placed in a child-caring facility operated by a local governmental unit or by a private organization willing to receive the child, upon such conditions as the cabinet may prescribe;

(e) Treated as provided in KRS Chapter 645;

(f) Following the transfer or placement of a child pursuant to paragraphs (b), (c), (d), or (e) of this subsection, the Department of Juvenile Justice or the cabinet shall, within fourteen (14) days, excluding weekends and holidays, give written notice to the court of the transfer, the placement, and the reasons therefor.

(2) No child ten (10) years of age or under shall be placed in a facility operated by the Department of Juvenile Justice for children adjudicated as public offenders***, except that a child charged with the commission of a capital offense or with an offense designated as a Class A or Class B felony may be detained in a state-operated detention facility***;

(3) If a child committed to the cabinet as dependent, neglected, or abused is placed in the home of the child's parents, the child shall not be removed except in accordance with the following standards and procedures:

(a) If the social service worker believes that the committed child continues to be dependent, neglected, or abused, but immediate removal is unnecessary to protect the child from imminent death or serious physical injury, the casework situation and evidence shall be reviewed with his supervisor to determine whether to continue work with the family intact or to remove the child. There shall be documentation that the social service worker, prior to the court hearing, made an effort to contact the parents to inform them of the specific problems that could lead to removal so they have an opportunity to take corrective action. If the parents are unavailable or do not respond to attempts to communicate, the specific circumstances shall be documented;

(b) If it appears that the child's health or welfare or physical, mental, or emotional condition is subjected to or threatened with real and substantial harm and there is not reasonably available an alternative less drastic than removal of the child from the home, the cabinet shall petition the District Court to review the commitment pursuant to KRS 610.120 in relation to the cabinet's intention to remove the child from the parent's home. The petition shall set forth the facts which constitute the need for removal of the child. The court shall serve notice of the petition and the time and place of the hearing on the parents; however, the social service worker shall also contact the parents to ensure that they received the notice and are aware of the right to be represented by counsel. If the parents' whereabouts are unknown, notice may be mailed to the last known address of an adult who is a near relative. If the court fails to find that the child's health or welfare or physical, mental, or emotional condition is subjected to or threatened with real and substantial harm, or recommends a less drastic alternative that is reasonably available, the child shall not be removed from the parents' home;

(c) If a social service worker finds a committed, unattended child who is too young to take care of himself, the social service worker shall make reasonable efforts to arrange for an emergency caretaker in the child's home until the parents return or fail to return within a reasonable time. If no in-home caretaker is available for the child, the social service worker shall request any appropriate law enforcement officer to take the child into protective custody. If, after a reasonable time, it appears the child has been abandoned, the cabinet shall petition the District Court to review the case; or

(d) If there exist reasonable grounds to believe that the child is in danger of imminent death or serious physical injury or is being sexually abused and that the parents are unable or unwilling to protect the child, the social service worker shall, with the assistance of a law enforcement officer, immediately remove the child prior to filing a petition for review. Within seventy-two (72) hours after the removal, the cabinet shall file a petition for review in District Court pursuant to KRS 610.120 with a request for an expeditious hearing. If the court fails to find that the child's health or welfare or physical, mental, or emotional condition is subjected to or threatened with real and substantial harm, or recommends a less drastic alternative that is reasonably available, the child shall be returned to the parents' home.

(4) The cabinet or the Department of Juvenile Justice, as appropriate, shall notify the juvenile court of the county of placement with the conditions of supervised placement of each child placed in that county from one (1) of the residential treatment facilities operated by the Department of Juvenile Justice or the cabinet. Notice of the conditions of such placement may be made available by the court to any law enforcement agency.

(5) The person in charge of any home to which a child is probated, and the governing authority of any private facility or agency to which a child is committed, shall make such reports to the court as the court may require, and such reports as the Department of Juvenile Justice or the cabinet may require in the performance of its functions under the law. The Department of Juvenile Justice or the cabinet shall have the power to make such visitations and inspections of the homes, facilities, and agencies in which children who have committed public offenses have been placed as it deems necessary to carry out its functions under the law.

(6) The Department of Juvenile Justice or the cabinet shall provide a written transfer summary to the person in charge of any foster home or any governing authority of any private facility or agency in which the Department of Juvenile Justice or the cabinet has placed a child. The written summary shall include, at a minimum, demographic information about the child, a narrative statement detailing the child's prior placements, the length of time the child has been committed, a description of the services and assistance provided to the child or the child's family since the most current case plan, a copy of the current case plan for the child and the child's family, and a copy of the child's medical and educational passport, if available, provided that no information shall be provided that violates any statutory confidentiality requirements. The transfer summary shall be provided by the Department of Juvenile Justice if it is responsible for the child, or the cabinet if it is responsible for the child, within seven (7) days of the placement of the child with the person, agency, or facility providing care to the child.

(7) The Department of Juvenile Justice may assist the courts in placing children who have committed public offenses in boarding homes, and, under agreements with the individual courts, may assume responsibility for making such placements. Counties may pay or contribute towards the expenses of maintaining such children and, to the extent authorized by the fiscal court, the Department of Juvenile Justice may incur obligations chargeable to the county for such expenses.

Section 4. KRS 610.200 is amended to read as follows:

(1) When a peace officer has taken or received a child into custody on a charge of committing an offense, the officer shall immediately inform the child of his constitutional rights and afford him the protections required thereunder, notify the parent, or if the child is committed, the Department of Juvenile Justice or the cabinet, as appropriate, and if the parent is not available, then a relative, guardian, person exercising custodial control or supervision of the child, that the child has been taken into custody, give an account of specific charges against the child, including the specific statute alleged to have been violated, and the reasons for taking the child into custody.

(2) Unless the child is subject to trial as an adult or unless the nature of the offense or other circumstances are such as to indicate the necessity of retaining the child in custody, the officer shall release the child to the custody of his parent or if the child is committed, the Department of Juvenile Justice or the cabinet, as appropriate; or if the parent is not available, then a relative, guardian, person exercising custodial control or supervision or other responsible person or agency approved by the court upon the written promise, signed by such person or agency, to bring the child to the court at a stated time or at such time as the court may order. The written promise, accompanied by a written report by the officer, shall be submitted forthwith to the court or court-designated worker and shall detail the reasons for having taken custody of the child, the release of the child, the person to whom the child was released, and the reasons for the release.

(3) If the person fails to produce the child as agreed or upon notice from the court, a summons, warrant, or custody order may be issued for the apprehension of the person or of the child, or both.

(4) The release of a child pursuant to this section shall not preclude a peace officer from proceeding with a complaint against a child or any other person.

(5) Unless the child is subject to trial as an adult, if the child is not released, the peace officer shall contact the court-designated worker who may:

- (a) Release the child to his parents;
- (b) Release the child to such other persons or organizations as are authorized by law;
- (c) Release the child to either of the above subject to stated conditions; or
- (d) ***Except as provided in subsection (6) of this section,*** authorize the peace officer to retain custody of the child for an additional period not to exceed twelve (12) hours during which the peace officer may transport the child to a secure juvenile detention facility***, a***[~~or~~] juvenile holding facility***, or a nonsecure facility***. If the child is retained in custody, the court-designated worker shall give notice to the child's parents or person exercising custodial control or supervision of the fact that the child is being retained in custody.

(6) (a) Except as provided in paragraph (b) of this subsection, no child ten (10) years of age or under shall be taken to or placed in a juvenile detention facility.

- ***(b) Any child ten (10) years of age or under who has been charged with the commission of a capital offense or with an offense designated as a Class A or Class B felony may be taken to or placed in a secure juvenile detention facility or youth alternative center.***

SECTION 5. A NEW SECTION OF KRS CHAPTER 610 IS CREATED TO READ AS FOLLOWS:

(1) Any statute to the contrary notwithstanding, detention costs shall not be assessed by a court against a parent unless the court has conducted a hearing and has determined:

- ***(a) That the child has previously been adjudicated as a habitual truant under KRS Chapter 630, a public offender under KRS Chapter 635, or a youthful offender under KRS Chapter 640, and now stands adjudicated guilty of a subsequent habitual truancy or public offense, or is now being considered for transfer to the Circuit Court for trial as a youthful offender; and***
- ***(b) That the failure or neglect of the parent to properly supervise or control the child is a substantial contributing factor of the act or acts of the child upon which the proceeding is based; and***
- ***(c) That the parent has the financial ability to pay any fees ordered.***

(2) Any orders for payment shall direct that payments be made to the fiscal court if detention is based upon adjudication related to a status offense and to the Department of Juvenile Justice if the adjudication is based upon a public offense or transfer as a youthful offender.

(3) The fiscal court or the Department of Juvenile Justice, as appropriate, shall establish a payment schedule for parents against whom detention costs have been assessed, and may discharge any remaining portion of the debt upon proof of substantial change in circumstances of the parent.

(4) The authority granted under subsection (3) of this section may be applied to all pre-existing court orders assessing detention costs in effect on the effective date of this legislation.

Section 6. KRS 635.100 is amended to read as follows:

(3) A child taken into custody may be held in a Department of Juvenile Justice facility, program, or contract facility, prior to the administrative hearing, provided a preliminary hearing is held by a person designated by the Department of Juvenile Justice within five (5) days, exclusive of weekends and holidays, of the holding, unless the child or his representative request or agree to a longer period of time, to determine if there is probable cause to believe that the child violated his supervised placement conditions and, if so, to determine if the best interest of the child requires that the child be held in custody pending an administrative hearing pursuant to subsection ***(5)***[~~(4)~~] of this section. The child and his parent or other person exercising custodial control or supervision shall be given an opportunity to be heard and to be represented by counsel at the preliminary hearing.

(7)[~~(6)~~] Administrative hearings conducted under this section and administrative regulations promulgated under this section shall be exempt from the requirements of KRS Chapter 13B.

(8)[~~(7)~~] The Department of Juvenile Justice shall promulgate administrative regulations to govern at least the following aspects of this section:

This system may utilize technology to supplement personal contact. The Department of Juvenile Justice shall promulgate an administrative regulation to govern at least the following aspects of this subsection:

SECTION 2. A NEW SECTION OF KRS CHAPTER 15A IS CREATED TO READ AS FOLLOWS:

No employee of the Department of Juvenile Justice shall be required to give personal attendance as a witness in any civil suit arising out of or related to his or her employment, out of the county of that employee's assigned work station, but his or her deposition shall be taken in lieu thereof.

Section 3. KRS 605.090 is amended to read as follows:

(1) Unless precluded by law, any child committed to the Department of Juvenile Justice or the cabinet may by the decision of the Department of Juvenile Justice or the cabinet or its designee, at any time during the period of his commitment, be:

(a) Upon fourteen (14) days' prior written notice to the court, discharged from commitment. Written notice of discharge shall be given to the committing court and to any other parties as may be required by law;

(b) Placed in the home of the child's parents, in the home of a relative, a suitable foster home, or boarding home, upon such conditions as the Department of Juvenile Justice or the cabinet may prescribe and subject to visitation and supervision by a social service worker or juvenile probation and parole officer. At the time a committed child is placed in the home of his parents by the Department of Juvenile Justice or the cabinet, the parents shall be informed in writing of the conditions of the placement and the criteria that will be used to determine whether removal is necessary;

(c) Placed in one (1) of the facilities or programs operated by the Department of Juvenile Justice or the cabinet, except that no child committed under the provisions of KRS 610.010(1)(b), (c), or (d) shall be placed in a facility operated by the Department of Juvenile Justice for children adjudicated as a public offender unless the cabinet and the department agree, and the court consents, that the placement is in the best interest of the child and that the placement does not exceed a group home level;

(d) Placed in a child-caring facility operated by a local governmental unit or by a private organization willing to receive the child, upon such conditions as the cabinet may prescribe;

(e) Treated as provided in KRS Chapter 645;

(f) Following the transfer or placement of a child pursuant to paragraphs (b), (c), (d), or (e) of this subsection, the Department of Juvenile Justice or the cabinet shall, within fourteen (14) days, excluding weekends and holidays, give written notice to the court of the transfer, the placement, and the reasons therefor.

(2) No child ten (10) years of age or under shall be placed in a facility operated by the Department of Juvenile Justice for children adjudicated as public offenders***, except that a child charged with the commission of a capital offense or with an offense designated as a Class A or Class B felony may be detained in a state-operated detention facility when there is no available less restrictive alternative***;

(3) If a child committed to the cabinet as dependent, neglected, or abused is placed in the home of the child's parents, the child shall not be removed except in accordance with the following standards and procedures:

(a) If the social service worker believes that the committed child continues to be dependent, neglected, or abused, but immediate removal is unnecessary to protect the child from imminent death or serious physical injury, the casework situation and evidence shall be reviewed with his supervisor to determine whether to continue work with the family intact or to remove the child. There shall be documentation that the social service worker, prior to the court hearing, made an effort to contact the parents to inform them of the specific problems that could lead to removal so they have an opportunity to take corrective action. If the parents are unavailable or do not respond to attempts to communicate, the specific circumstances shall be documented;

(b) If it appears that the child's health or welfare or physical, mental, or emotional condition is subjected to or threatened with real and substantial harm and there is not reasonably available an alternative less drastic than removal of the child from the home, the cabinet shall petition the District Court to review the commitment pursuant to KRS 610.120 in relation to the cabinet's intention to remove the child from the parent's home. The petition shall set forth the facts which constitute the need for removal of the child. The court shall serve notice of the petition and the time and place of the hearing on the parents; however, the social service worker shall also contact the parents to ensure that they received the notice and are aware of the right to be represented by counsel. If the parents' whereabouts are unknown, notice may be mailed to the last known address of an adult who is a near relative. If the court fails to find that the child's health or welfare or physical, mental, or emotional condition is subjected to or threatened with real and substantial harm, or recommends a less drastic alternative that is reasonably available, the child shall not be removed from the parents' home;

(c) If a social service worker finds a committed, unattended child who is too young to take care of himself, the social service worker shall make reasonable efforts to arrange for an emergency caretaker in the child's home until the parents return or fail to return within a reasonable time. If no in-home caretaker is available for the child, the social service worker shall request any appropriate law enforcement officer to take the child into protective custody. If, after a reasonable time, it appears the child has been abandoned, the cabinet shall petition the District Court to review the case; or

(d) If there exist reasonable grounds to believe that the child is in danger of imminent death or serious physical injury or is being sexually abused and that the parents are unable or unwilling to protect the child, the social service worker shall, with the assistance of a law enforcement officer, immediately remove the child prior to filing a petition for review. Within seventy-two (72) hours after the removal, the cabinet shall file a petition for review in District Court pursuant to KRS 610.120 with a request for an expeditious hearing. If the court fails to find that the child's health or welfare or physical, mental, or emotional condition is subjected to or threatened with real and substantial harm, or recommends a less drastic alternative that is reasonably available, the child shall be returned to the parents' home.

(4) The cabinet or the Department of Juvenile Justice, as appropriate, shall notify the juvenile court of the county of placement with the conditions of supervised placement of each child placed in that county from one (1) of the residential treatment facilities operated by the Department of Juvenile Justice or the cabinet. Notice of the conditions of such placement may be made available by the court to any law enforcement agency.

(5) The person in charge of any home to which a child is probated, and the governing authority of any private facility or agency to which a child is committed, shall make such reports to the court as the court may require, and such reports as the Department of Juvenile Justice or the cabinet may require in the performance of its functions under the law. The Department of Juvenile Justice or the cabinet shall have the power to make such visitations and inspections of the homes, facilities, and agencies in which children who have committed public offenses have been placed as it deems necessary to carry out its functions under the law.

(6) The Department of Juvenile Justice or the cabinet shall provide a written transfer summary to the person in charge of any foster home or any governing authority of any private facility or agency in which the Department of Juvenile Justice or the cabinet has placed a child. The written summary shall include, at a minimum, demographic information about the child, a narrative statement detailing the child's prior placements, the length of time the child has been committed, a description of the services and assistance provided to the child or the child's family since the most current case plan, a copy of the current case plan for the child and the child's family, and a copy of the child's medical and educational passport, if available, provided that no information shall be provided that violates any statutory confidentiality requirements. The transfer summary shall be provided by the Department of Juvenile Justice if it is responsible for the child, or the cabinet if it is responsible for the child, within seven (7) days of the placement of the child with the person, agency, or facility providing

care to the child.

(7) The Department of Juvenile Justice may assist the courts in placing children who have committed public offenses in boarding homes, and, under agreements with the individual courts, may assume responsibility for making such placements. Counties may pay or contribute towards the expenses of maintaining such children and, to the extent authorized by the fiscal court, the Department of Juvenile Justice may incur obligations chargeable to the county for such expenses.

Section 4. KRS 610.200 is amended to read as follows:

(1) When a peace officer has taken or received a child into custody on a charge of committing an offense, the officer shall immediately inform the child of his constitutional rights and afford him the protections required thereunder, notify the parent, or if the child is committed, the Department of Juvenile Justice or the cabinet, as appropriate, and if the parent is not available, then a relative, guardian, person exercising custodial control or supervision of the child, that the child has been taken into custody, give an account of specific charges against the child, including the specific statute alleged to have been violated, and the reasons for taking the child into custody.

(2) Unless the child is subject to trial as an adult or unless the nature of the offense or other circumstances are such as to indicate the necessity of retaining the child in custody, the officer shall release the child to the custody of his parent or if the child is committed, the Department of Juvenile Justice or the cabinet, as appropriate; or if the parent is not available, then a relative, guardian, person exercising custodial control or supervision or other responsible person or agency approved by the court upon the written promise, signed by such person or agency, to bring the child to the court at a stated time or at such time as the court may order. The written promise, accompanied by a written report by the officer, shall be submitted forthwith to the court or court-designated worker and shall detail the reasons for having taken custody of the child, the release of the child, the person to whom the child was released, and the reasons for the release.

(3) If the person fails to produce the child as agreed or upon notice from the court, a summons, warrant, or custody order may be issued for the apprehension of the person or of the child, or both.

(4) The release of a child pursuant to this section shall not preclude a peace officer from proceeding with a complaint against a child or any other person.

(5) Unless the child is subject to trial as an adult, if the child is not released, the peace officer shall contact the court-designated worker who may:

(a) Release the child to his parents;

(b) Release the child to such other persons or organizations as are authorized by law;

(c) Release the child to either of the above subject to stated conditions; or

(d) ***Except as provided in subsection (6) of this section,*** authorize the peace officer to retain custody of the child for an additional period not to exceed twelve (12) hours during which the peace officer may transport the child to a secure juvenile detention facility***, a***[~~or~~] juvenile holding facility***, or a nonsecure facility***. If the child is retained in custody, the court-designated worker shall give notice to the child's parents or person exercising custodial control or supervision of the fact that the child is being retained in custody.

(6) (a) Except as provided in paragraph (b) of this subsection, no child ten (10) years of age or under shall be taken to or placed in a juvenile detention facility.

(b) Any child ten (10) years of age or under who has been charged with the commission of a capital offense or with an offense designated as a Class A or Class B felony may be taken to or placed in a secure juvenile detention facility or youth alternative center when there is no available less restrictive alternative.

SECTION 5. A NEW SECTION OF KRS CHAPTER 610 IS CREATED TO READ AS FOLLOWS:

(1) Any statute to the contrary notwithstanding, detention costs shall not be assessed by a court against a parent unless the court has conducted a hearing and has determined:

(a) That the child has previously been adjudicated as a habitual truant under KRS Chapter 630, a public offender under KRS Chapter 635, or a youthful offender under KRS Chapter 640, and now stands adjudicated guilty of a subsequent habitual truancy or public offense, or is now being considered for transfer to the Circuit Court for trial as a youthful offender; and

(b) That the failure or neglect of the parent to properly supervise or control the child is a substantial contributing factor of the act or acts of the child upon which the proceeding is based; and

(c) That the parent has the financial ability to pay any fees ordered.

(2) Any orders for payment shall direct that payments be made to the fiscal court if detention is based upon adjudication related to a status offense and to the Department of Juvenile Justice if the adjudication is based upon a public offense or transfer as a youthful offender.

(3) The fiscal court or the Department of Juvenile Justice, as appropriate, shall establish a payment schedule for parents against whom detention costs have been assessed, and may discharge any remaining portion of the debt upon proof of substantial change in circumstances of the parent.

(4) The authority granted under subsection (3) of this section may be applied to all pre-existing court orders assessing

(3) A child taken into custody may be held in a Department of Juvenile Justice facility, program, or contract facility, prior to the administrative hearing, provided a preliminary hearing is held by a person designated by the Department of Juvenile Justice within five (5) days, exclusive of weekends and holidays, of the holding, unless the child or his representative request or agree to a longer period of time, to determine if there is probable cause to believe that the child violated his supervised placement conditions and, if so, to determine if the best interest of the child requires that the child be held in custody pending an administrative hearing pursuant to subsection ***(5)***[~~(4)~~] of this section. The child and his parent or other person exercising custodial control or supervision shall be given an opportunity to be heard and to be represented by counsel at the preliminary hearing.

HB 171, AN ACT relating to liens.

Be it enacted by the General Assembly of the Commonwealth of Kentucky:

Section 1. KRS 376.010 is amended to read as follows:

(1) Any person who performs labor or furnishes materials, for the erection, altering, or repairing of a house or other structure or for any fixture or machinery therein, for the excavation of cellars, cisterns, vaults, wells or for the improvement in any manner of real property including the furnishing of agricultural lime, fertilizer, concrete pipe or drainage tile, crushed rock, gravel for roads or driveways, and materials used in the construction or maintenance of fences, by contract with, or by the written consent of, the owner, contractor, subcontractor, architect, or authorized agent, shall have a lien thereon, and upon the land upon which the improvements were made or on any interest the owner has therein, to secure the amount thereof with interest as provided in KRS 360.040 and costs. The lien on the land or improvements shall be superior to any mortgage or encumbrance created subsequent to the beginning of the labor or the furnishing of the materials, and the lien,

if asserted as hereinafter provided, shall relate back and take effect from the time of the commencement of the labor or the furnishing of the materials. The lien shall not be for a greater amount in the aggregate than the contract price of the original contractor, and should the aggregate amount of the liens exceed the price agreed upon between the original contractor and the owner there shall be a pro rata distribution of the original contract price among the lienholders.

(2) The lien shall not take precedence over a mortgage or other contract lien or bona fide conveyance for value without notice, duly recorded or lodged for record according to law, unless the person claiming the prior lien shall, before the recording of the mortgage or other contract lien or conveyance, file in the office of the county clerk of the county wherein he has furnished or expects to furnish labor or materials, a statement showing that he has furnished or expects to furnish labor or materials, and the amount in full thereof. The lien shall not, as against the holder of a mortgage or other contract lien or conveyance, exceed the amount of the lien claimed or expected to be claimed as set forth in the statement. The statement shall, in other respects, be in the form prescribed by KRS 376.080.

(3) No person who has not contracted directly with the owner or his agent shall acquire a lien under this section unless he notifies in writing the owner of the property to be held liable or his authorized agent, within ***ninety (90) days***~~[seventy five (75) days on claims amounting to less than $1,000 and one hundred twenty (120) days on claims in excess of $1,000]~~ after the last item of material or labor is furnished, of his intention to hold the property liable and the amount for which he will claim a lien. It shall be sufficient to prove that the notice was mailed to the last known address of the owner of the property upon which the lien is claimed, or to his duly authorized agent within the county in which the property to be held liable is located.

(4) No person who has not contracted directly with the owner or his authorized agent shall acquire a lien under this section on an owner-occupied single or double family dwelling, the appurtenances or additions thereto, or upon other improvements for agricultural or personal use to the real property or real property contiguous thereto and held by the same owner, upon which the owner-occupant's dwelling is located, unless he notifies in writing the owner of the property to be held liable or his authorized agent not more than ***ninety (90)***~~[forty-five (45)]~~ days after the last item of material or labor is furnished, of the delivery of the material or performance of labor and of his intention to hold the property liable and the amount for which he will claim a lien. It shall be sufficient to prove that the notice was mailed to the last known address of the owner of the property upon which the lien is claimed, or to his duly authorized agent. This notice is in lieu of the notice provided for in subsection (3). Notwithstanding the foregoing provisions of this subsection, the lien provided for under this section shall not be applicable to the extent that an owner-occupant of a single or double family dwelling or owner of other property as described in this subsection has, prior to receipt of the notice provided for in this subsection, paid the contractor, subcontractor, architect, or authorized agent for work performed or materials furnished prior to such payment. The contractor or subcontractor cannot be the authorized agent under this subsection. This subsection shall apply to the construction of single or double family homes constructed pursuant to a construction contract with a property owner and intended for use as the property owner's dwelling.

(5) For purposes of this section, "labor" includes but is not limited to, all supplies and work done by teams, trucks, machinery, and mechanical equipment, whether the owner furnishes a driver or operator or not.

(6) (a) "Supplies" includes small tools and equipment reasonably necessary in performing the work required to be done, including picks, shovels, sledge hammers, axes, pulleys, wire cables, ropes, and other similar items costing not more than fifty dollars ($50) per item, and tires and tubes furnished for use on vehicles engaged in the performance of the work.

(b) "Supplies" also includes the cost of labor, materials, and repair parts supplied or furnished for keeping all machinery and equipment used in the performance of the work in good operating condition; and shall include the agreed or reasonable rental price of equipment and machinery used in performing the work to be done:

1. The lien for rental equipment or machinery shall not be more than the aggregate sum of six (6) months' rental, and the aggregate amount of such rental shall not exceed sixty percent (60%) of the agreed value of the machinery or equipment; and

2. The liens for supplies as defined in this subsection are subordinate to the liens for labor, material, and supplies as defined in this section.

HB 183, AN ACT relating to the Crime Victims Compensation Board.

Be it enacted by the General Assembly of the Commonwealth of Kentucky:

Section 1. KRS 346.020 is amended to read as follows:

As used in this chapter, unless the context otherwise requires:

(2) "Child" means any person less than eighteen (18) years of age;

(3) "Claimant" means any of the following claiming compensation under this chapter: a victim, a dependent of a deceased victim, a third person other than a collateral source, or an authorized person acting on behalf of any of them who is legally

Acts which, but for the insanity or mental irresponsibility or lack of capacity of the perpetrator, would constitute criminal conduct shall be deemed to be criminally injurious conduct. The operation of a motor vehicle, motorcycle, train, boat, aircraft, or other vehicle in violation of law does not constitute[~~ a~~] criminally injurious conduct unless the injury or death was intentionally inflicted***,***[~~ or~~] involved a violation of KRS 189A.010, ***resulted in a felony conviction, or the injury or death was inflicted upon a pedestrian or other bystander not in a motor vehicle, motorcycle, train, boat, aircraft, or other vehicle***[~~ driving under the influence~~];

(5) "Family," when used with reference to a person, shall mean:

(a) Any person related to such person within the third degree of consanguinity;

(b) Any person maintaining a sexual relationship with such person; or

(c) Any person residing in the same household with such person; and

(6) (a) "Victim" means a[~~ needy~~] person who suffers personal physical or psychological injury or death from a criminal act in Kentucky as a result of:

1. Criminally injurious conduct;
2. A good faith effort to prevent criminally injurious conduct; or
3. A good faith effort to apprehend a person reasonably suspected of engaging in criminally injurious conduct.

(b) "Victim" shall also mean a resident who is a victim of a crime occurring outside this state if:

1. The crime would be compensable had it occurred inside this state; and
2. The crime occurred in a state ***or a country other than the United States*** which does not have a crime victim compensation program, for which the victim is eligible as eligibility is set forth in KRS 346.050.

(c) "Victim" shall also mean a resident of this state who is injured or killed by an act of terrorism, as defined in 18 U.S.C. sec. 2331, committed outside the United States.

Section 2. KRS 346.100 is amended to read as follows:

Following the initial filing of a claim, if a claimant or victim does not take such further steps as may be necessary to support or perfect the claim as may be required by the board within thirty (30) days after such requirement is made by the board, the claimant or victim shall be deemed in default. In such case the board ***may***[~~shall~~] summarily deny the claim and the claimant or victim ***may***[~~shall~~] be forever barred from reasserting the claim. The board may remit such proceedings on good cause shown that the failure to take the steps required by the board was totally and completely beyond the control of the claimant or victim.

Section 3. KRS 346.130 is amended to read as follows:

(1) No award shall be made unless the board or board member, as the case may be, finds that:

(a) Criminally injurious conduct occurred;

(b) Such criminally injurious conduct resulted in personal physical or psychological injury to, or death of, the victim; and

(c) Police ***or court*** records show that such crime was promptly reported to the proper authorities; and in no case may an award be made where the police ***or court*** records show that such report was made more than forty-eight (48) hours after the occurrence of such crime unless the board, for good cause shown, finds the delay ***in filing a report or failure to file a report*** to have been justified.

(2) The board upon finding that the claimant or victim has not fully cooperated with appropriate law enforcement agencies shall deny, reconsider, or reduce an award.

(3) Any award made pursuant to this chapter shall be in an amount not exceeding out-of-pocket expenses, including indebtedness reasonably incurred for medical***, dental,*** or other services, including mental health counseling, necessary as a result of the injury upon which the claim is based, together with loss of earnings or support resulting from such injury. ***The board may include reimbursement for mileage at the rate provided for state employees incurred by a victim who is required to travel more than forty (40) miles from the victim's residence to obtain medical treatment or mental health counseling.*** Mental health counseling shall be paid for a maximum of two (2) years, but only after proper documentation is submitted to the board stating what treatment is planned and for what period of time. The board shall have the power to discontinue mental health counseling at any time within the two (2) year period. ***The board may, by promulgation of administrative regulations, set maximum rates for reimbursement of mental health services.*** Replacement of eyeglasses and other corrective lenses***, dentures, medically necessary equipment or prosthetic devices*** shall be included in an award, provided they were ***stolen, destroyed,***[~~broken~~] or damaged during the crime.

(4) Any award made for loss of earnings or support shall, unless reduced pursuant to other provisions of this chapter be in an

amount equal to the actual loss sustained[~~; provided, however, that no such award shall exceed one hundred fifty dollars ($150) for each week of lost earnings or support~~]. The claimant or victim must have been employed at the time the crime occurred ***or lost the financial benefit of state or federal unemployment compensation due to the crime's impact***. Said employment shall be verified by the staff of the board after information is provided by the claimant or victim. Should the claimant or victim fail to supply the board with the information requested, the portion of the claim for lost wages or support shall be denied. If there are two (2) or more persons entitled to an award as a result of the injury or death of a person which is the direct result of criminally injurious conduct, the award shall be apportioned by the board among the claimants.

(5) The board is authorized to set a reasonable limit for the payment of funeral and burial expenses which shall include funeral costs, a monument, and grave plot. In no event shall an award for funeral expenses exceed five thousand dollars ($5,000).

(6) Any award made under this chapter shall not exceed twenty-five thousand dollars ($25,000) ***in total compensation to be received by a claimant from the fund***.

(7) No award shall be made for any type of property loss or damage***, except where otherwise allowed in this chapter***.

Section 4. KRS 346.140 is amended to read as follows:

(1) ***(a) A claimant shall not receive compensation from the fund for the amount of damages covered by***[~~Any award made pursuant to this chapter shall be reduced by the amount of any~~] payments received[~~ or to be received~~] by the claimant as a result of the injury from the following sources:

1.[~~(a)~~] From or on behalf of the person who committed the crime;

2.[~~(b)~~] Under insurance programs mandated by law;

3.[~~(c)~~] From public funds ***or community donations***;

4.[~~(d)~~] Under any contract of insurance ***in excess of ten thousand dollars ($10,000)*** wherein the claimant is the insured or beneficiary; and

5.[~~(e)~~] As an emergency award pursuant to KRS 346.120.

(b) The claimant may still receive compensation from the fund for those damages for which no payment has been received, up to the maximum amount as set out in subsection (6) of Section (3) of this Act.

(2) In determining the amount of an award, the board or board member, as the case may be shall determine whether, because of his conduct, the victim of such crime contributed to the infliction of his injury, and the board or board member shall reduce the amount of the award or reject the claim altogether, in accordance with such determination; provided, however, that the board or board member, as the case may be, may disregard for this purpose the responsibility of the victim for his own injury where the record shows that such responsibility was attributable to efforts by the victim to prevent a crime or an attempted crime from occurrence in his presence or to apprehend a person who had committed a crime in his presence or had in fact committed a felony. The board or board members may request that either the county attorney or Commonwealth's attorney or both state whether in their opinion, the victim suffered injuries as the result of a crime and has cooperated with the prosecution and law enforcement authorities. The board or board member shall not be bound by such opinions and recommendations and if needed may order a further investigation of the claim.

(3) The board or board member may consider whether the claimant's injuries were the ordinary and foreseeable result of unlawful and criminal activities in determining the claimant's eligibility for an award.[~~ If the board or board member, as the case may be, finds that the claimant will not suffer serious financial hardships, as a result of the loss of earnings or support and the out-of-pocket expenses incurred as a result of the injury, if not granted financial assistance pursuant to this chapter to meet such loss of earnings, support or out-of-pocket expenses, the board or board member shall deny an award. In determining such serious financial hardship, the board or board member shall consider all of the financial resources of the claimant. The board shall establish specific standards by rule for determining such serious financial hardships.~~]

Section 5. KRS 346.180 is amended to read as follows:

(1) Any payment of benefits to or on behalf of a victim under this chapter creates a debt due and owing to the state by any person found to have committed such criminal act in either a civil or criminal court proceeding in which he is a party.

(2) The court when placing any convicted person, who owes a debt to the state as a consequence of a criminal act, on probation and conditional discharge as provided in KRS 533.020 ***shall***[~~may~~] set as a condition of the probation or conditional discharge the payment of the debt ***as restitution*** to the state. The court also may set the schedule or amounts of payments to be made subject to modification based on change of circumstances.

(3) The parole board shall[~~ also have the right to~~] make payment of the debt ***as restitution*** to the state a condition of parole under the provisions of KRS Chapter 439 subject to modification based on change of circumstances.

However, this exception shall not apply to county license fees enacted for the first time, or increased, on or after January 1, 2000. This provision shall expire ***June 30, 2003***[~~July 15, 2002~~], unless otherwise extended by the General Assembly.

(6) A county that enacted an occupational license fee under the authority of KRS 67.083 shall not be required to reduce its occupational tax rate when it is determined that the population of the county exceeds thirty thousand (30,000).

Section 13. KRS 91A.080 is amended to read as follows:

(1) The legislative body of each city, county, or urban-county government which elects to impose and collect license fees or taxes upon insurance companies for the privilege of engaging in the business of insurance may enact or change its license fee or rate of tax to be effective July 1 of each year on a prospective basis only and shall file with the commissioner of insurance at least one hundred (100) days prior to the effective date, a copy of all ordinances and amendments which impose any such license fee or tax. No less than eighty-five (85) days prior to the effective date, the commissioner of insurance shall promptly notify each insurance company engaged in the business of insurance in the Commonwealth of those city, county, or urban-county governments which have elected to impose the license fees or taxes and the current amount of the license fee or rate of tax.

(2) Any license fee or tax imposed by a city, county, or urban-county government upon an insurance company with respect to life insurance policies, may be based upon the first year's premiums, and, if so based, shall be applied to the amount of the premiums actually collected within each calendar quarter upon the lives of persons residing within the corporate limits of the city, county, or urban-county government.

(3) Any license fee or tax imposed by a city, county, or urban-county government upon any insurance company with respect to any policy which is not a life insurance policy shall be based upon the premiums actually collected by the company within each calendar quarter on risks located within the corporate limits of the city, county, or urban-county government on those classes of business which the company is authorized to transact, less all premiums returned to policyholders. In determining the amount of license fee or tax to be collected and to be paid to the city, county, or urban-county government, the insurance company shall use the tax rate effective on the first day of the policy term. When an insurance company collects a premium as a result of a change in the policy during the policy term, the tax rate used shall be the rate in effect on the effective date of the policy change. With respect to premiums returned to policyholders, the license fee or tax shall be returned by the insurance company to the policyholder pro rata on the unexpired amount of the premium at the same rate at which it was collected and shall be taken as a credit by the insurance company on its next quarterly report to the city, county, or urban-county government. Any license fee or tax imposed upon premium receipts shall not include premiums received for insuring employers against liability for personal injuries to their employees, or the death of their employees, caused thereby, under the provisions of the Workers' Compensation Act.

(4) The Department of Insurance shall, by administrative regulation, provide for a reasonable collection fee to be retained by the insurance company or its agent as compensation for collecting the tax, except that the collection fee shall not be more than fifteen percent (15%) of the fee or tax collected and remitted to the city, county or urban-county government or two percent (2%) of the premiums subject to the tax, whichever is less. To facilitate computation, collection, and remittance of the fee or tax and collection fee provided in this section, the fees or taxes set out in subsection (1), (2), or (3) of this

section, together with the collection fee in this section, may be rounded off to the nearest dollar amount.

(5) Pursuant to KRS 304.3-270, if any other state retaliates against any Kentucky domiciliary insurer because of the requirements of this section, the commissioner of insurance shall impose an equal tax upon the premiums written in this state by insurers domiciled in the other state.

(6) Accounting and reporting procedures for collection and reporting of the fees or taxes and the collection fee herein provided shall be determined by administrative regulations promulgated by the Department of Insurance.

(7) Upon written request of the legislative body of any city, county, or urban-county government, at the expense of the requesting city, county, or urban-county government, which shall be paid in advance by the city, county, or urban-county government to the Department of Insurance, the Department of Insurance shall examine, or cause to be examined by contract with qualified auditors, the books or records of the insurance companies or agents subject to the fee or tax to determine whether the fee or tax is being properly collected and remitted, and the findings of the examination shall be reported to the city, county, or urban-county government. Willful failure to properly collect and remit the fee or tax imposed by a city, county, or urban-county government pursuant to the authority granted by this section shall constitute grounds for the revocation of the license issued to an insurance company or agent under the provisions of KRS Chapter 304.

(8) The license fees or taxes provided for by subsections (2) and (3) of this section shall be due thirty (30) days after the end of each calendar quarter. Annually, by March 31, each insurer shall furnish each city, county, or urban-county government to which the tax or fee is remitted with a breakdown of all collections in the preceding calendar year for the following categories of insurance:

(a) Casualty;
(b) Automobile;
(c) Inland marine;
(d) Fire and allied perils;
(e) Health; and
(f) Life.

(9) Any license fee or tax not paid on or before the due date shall bear interest at the tax interest rate as defined in KRS 131.010(6) from the date due until paid. Such interest payable to the city, county, or urban-county government is separate of penalties provided for in subsection (7) of this section. No city, county, or urban-county government may impose any penalties other than those provided for in this subsection.

(10) No license fee or tax imposed under this section shall apply to premiums received on policies of group health insurance provided for state employees under KRS 18A.225.

(11) No county may impose the tax authorized by this section upon the premiums received on policies issued to public service companies which pay ad valorem taxes.

(12) (a) ***Subject to the provisions of a tax base coordination agreement adopted in accordance with the provisions of Sections 1 to 11 of this Act,*** insurance companies which pay license fees or taxes pursuant to this section shall credit city license fees or taxes against the same license fees or taxes levied by the county, when the license fees or taxes are levied by the county on or after July 13, 1990.

(b) If a county imposed and collected the license fee or tax authorized by this section before July 1, 2000, then insurance companies that pay license fees or taxes under this section shall not credit against the county license fee or tax that portion of a city license fee or tax that becomes effective for the first time on or after July 1, 2000, or is increased effective on or after July 1, 2000. The provisions of this paragraph shall expire on June 30, ***2003***[~~2002~~], unless extended by the General Assembly.

(13) No license fee or tax imposed under this section shall apply to premiums received on health insurance policies issued to individuals nor to policies issued through Kentucky Access created in KRS 304.17B-005.

SECTION 14. A NEW SECTION OF KRS CHAPTER 81A IS CREATED TO READ AS FOLLOWS:

(1) When a county and its cities have approved a tax base coordination agreement in accordance with Sections 1 to 11 of this Act, a city within the county may annex contiguous unincorporated urbanized areas within the county where the basic urban services provided throughout the incorporated area, such as potable water, police and fire protection, and sanitary sewers are already provided by the city or shall be provided by the city within one (1) year following annexation in accordance with this section.

(2) For purposes of this section, "urbanized areas" shall mean:

(a) Parcels of land developed for residential usage, where none of the residential parcels exceeds three (3) acres, in which the average overall density is four (4) units per gross acre; or

(b) Parcels of land developed with significant buildings that are in use or are capable of being used for retail sales and services, commercial, or professional activity; or

(c) Parcels of land developed with significant buildings that are in use or are capable of being used for

warehousing or industrial purposes; or

(d) Parcels of land that have been paved or developed with the intent of public access and usage, such as fairgrounds, flea markets, and recreational facilities, where more than fifty percent (50%) of the property is covered with impervious surfaces.

(3) When a city desires to annex an urbanized area in accordance with the provisions of this section, the legislative body of the city proposing to annex shall enact an ordinance stating the intention of the city to annex. The ordinance shall accurately define the boundary of the urbanized area proposed to be annexed and declare it desirable to annex the area.

(4) If within sixty (60) days following the publication of the annexation ordinance pursuant to subsection (3) of this section, seventy-five percent (75%) of the resident voters or owners of real property within the limits of the territory proposed to be annexed petition the mayor in opposition to the proposal, an election shall be held at the next regular election if the petition is presented to the county clerk and certified by the county clerk as sufficient not later than the second Tuesday in August preceding the regular election:

(a) The mayor of the city shall deliver a certified copy of the ordinance to the county clerk of the county in which the territory proposed to be annexed is located, who shall have prepared to be placed before the voters in each precinct embraced in whole or in part within the territory proposed to be annexed the question; "Are you in favor of being annexed to the City of ....?" If only a part of any precinct is embraced within the territory proposed to be annexed, only those persons who reside within the territory proposed to be annexed shall be permitted to vote. The clerk shall cause the sheriff to deliver to the election officers in each precinct in the appropriate counties copies of the ordinance proposing to annex;

(b) If less than seventy-five percent (75%) of those persons voting oppose annexation, the unincorporated territory shall become a part of the city; and

(c) If seventy-five percent (75%) or more of those persons voting oppose annexation, the ordinance proposing annexation shall become ineffectual for any purpose.

(5) In not less than sixty (60) days after the enactment of the ordinance, if no petition has been received by the mayor as set out in this section, or within sixty (60) days of the certification of election results in which less than seventy-five percent (75%) of those persons voting opposed annexation, the legislative body may enact an ordinance annexing to the city that area described in the annexation ordinance. If the city has elected to establish the zoning for the new area prior to the completion of the annexation pursuant to KRS 100.209, the ordinance shall include a map showing the zoning for the area. Upon the enactment of this ordinance, the area shall become part of the city for all purposes.

SECTION 2. A NEW SECTION OF KRS CHAPTER 65 IS CREATED TO READ AS FOLLOWS:

(1) It is the purpose of Sections 1 to 11 of this Act to:

(a) Create a framework and a process that will enable a county and the cities within the county to resolve conflicts arising from the levy and collection of occupational license fees and insurance premium taxes; and

(b) Encourage counties and cities to share revenues from occupational license fees and insurance premium taxes based on relative service responsibility and the reasonable cost of providing services while leaving the actual decisions regarding the allocation of service responsibilities to local governments; and

(c) Encourage counties and cities to collect and enforce occupational license fees and insurance premium taxes more efficiently and economically by utilizing a single, county-wide collection agency; and

(d) Recognize that counties provide services that benefit all residents of the county and city residents should pay a fair share of the costs of these services, but that city residents should not pay for services provided solely or primarily to benefit the residents of unincorporated areas and residents of unincorporated areas should not pay for services provided solely or primarily to benefit city residents.

(2) It is the intent of the General Assembly that the provisions of Sections 1 to 11 of this Act shall:

(a) Be supplemental to any other statutory means of resolving tax base conflicts; and

(b) Not eliminate the tax authorizations and requirements including mandatory tax credits contained in Section 12 of this Act and Section 13 of this Act, except as provided in Sections 1 to 11 of this Act; and

(d) Not apply in counties containing a city of the first class, an urban-county, charter county, or consolidated local government; and

The county judge/executive shall send, by certified mail, a copy of the resolution to the Department for Local Government and the chief executive officer of each city within the county within ten (10) days of enactment of the resolution; or

(b) The legislative bodies of one or more cities whose combined populations equal seventy-five percent (75%) of the total population of the incorporated areas of a county as determined by the most recent decennial census or annual census estimate by the United States Bureau of the Census may initiate the tax base coordination process by enacting resolutions stating the desire of the cities to negotiate a tax base coordination agreement with the county and the other cities within the county. The mayor of each city shall send, by certified mail, a copy of the resolution to the Department for Local Government, the county judge/executive, and the chief executive officer of each other city within the county within ten (10) days of the enactment of the resolution.

(2) The Department for Local Government shall notify the county judge/executive and the chief executive officer of each city within the county that the tax base coordination process has been initiated within ten (10) days of receipt of the resolution of the county or receipt of resolutions from the required number of cities.

SECTION 4. A NEW SECTION OF KRS CHAPTER 65 IS CREATED TO READ AS FOLLOWS:

(1) Upon enactment of a resolution by the fiscal court of a county or the legislative body of any city within the county stating its desire to negotiate a tax base coordination agreement as provided by Sections 1 to 11 of this Act, neither the county nor any city within the county may give first reading to any ordinance or enact a resolution to impose or repeal an occupational license fee or insurance premium tax or to alter the rate of an existing occupational license fee or insurance premium tax and no new credits against the county taxes for taxes paid to the cities within that county shall be recognized until a tax base coordination agreement has been adopted in accordance with the provisions of Sections 1 to 11 of this Act. The prohibition against the recognition of the new tax credits set forth in this subsection shall not apply in any case in which the tax credit was not previously taken because the right to take the tax credit was in dispute before the courts of the Commonwealth.

(2) If a resolution initiating the tax base coordination process is enacted by a city, the provisions of subsection (1) of this section shall not apply after ninety (90) days following the enactment of the resolution unless the county or a sufficient number of cities within the county have enacted resolutions to initiate the tax base coordination process as provided in Section 3 of this Act.

(3) If a resolution initiating the tax base coordination process is enacted by a city and the county or a sufficient number of cities within the county do not enact resolutions to initiate the tax base coordination process within the period provided by subsection (2) of this section, neither the county nor any city within the county may initiate the tax base

coordination process within one (1) year of the expiration of the ninety (90) day period set forth in subsection (2) of this section.

SECTION 5. A NEW SECTION OF KRS CHAPTER 65 IS CREATED TO READ AS FOLLOWS:

(1) Upon notification by the Department of Local Government in accordance with Section 3 of this Act, the county and all cities within the county shall engage in a joint deliberative process designed to produce a tax base coordination agreement.

(2) A recommended tax base coordination agreement shall be developed by a joint committee composed of city and county representatives with membership determined as follows:

(a) If there is unanimous agreement as to the composition of the joint committee among the county and all cities with a population of three thousand (3,000) or more persons within the county, and concurrent agreement by a majority of the cities with a population of less than three thousand (3,000) persons as determined by the most recent decennial census or annual census estimates by the United States Bureau of the Census, the committee may be composed of any membership the local governments may agree upon; or

(b) If the level of agreement required by subsection (2)(a) of this section is not obtained, the joint committee shall be comprised of a minimum of six (6) members, but may be comprised of a greater number of members. Membership of the committee shall be evenly divided between the county and the cities within the county. The county and city representatives shall be appointed as follows:

1. The county shall be represented on the joint committee by the county judge/executive or his designee and the remaining county representatives shall be appointed by the county judge/executive with the approval of the fiscal court.

2. If there is only one (1) city within the county, the city shall be represented by the mayor, or his designee, and the remaining representatives shall be appointed by the mayor with the approval of the city legislative body.

3. If there is more than one (1) city within the county, the cities shall be represented by the mayor of the city with the largest population as determined by the most recent decennial census or annual census estimate by the United States Bureau of the Census, or his designee, and the remaining representatives shall be appointed by joint action of a majority of the mayors of the total number of cities within the county.

(c) All appointments to the joint committee shall be made within forty-five (45) days after notification by the Department for Local Government in accordance with Section 3 of this Act.

A tax base coordination agreement shall:

(1) Identify and minimize the duplication of services among the various governmental jurisdictions to the greatest extent possible;

(3) Preserve each jurisdiction's right to levy its own taxes and fees;

(4) Preserve and not interfere with any dedicated tax levies that have been approved by the voters or tax levies that are legally dedicated to the retirement of bonds or that are contractually obligated;

(6) Determine how tax rate increases and decreases and the imposition and elimination of taxes will be handled;

(7) Allocate revenue growth beyond the base revenue level among the county and the cities within the county based upon the provision of services that are funded from the local tax base effort;

(8) Provide that if the total revenues collected within the county from insurance premium taxes and occupational license fees fall below the base revenue level, then revenues from those taxes and fees shall be allocated to each local government based on their proportionate share of the combined base revenue level or by some other method specified in the agreement; and

(9) Have a minimum effective period of ten (10) years.

SECTION 7. A NEW SECTION OF KRS CHAPTER 65 IS CREATED TO READ AS FOLLOWS:

(1) A tax base coordination agreement shall be effective and be binding upon the county and each city within the county upon adoption of an ordinance approving the agreement by the fiscal court and each of the legislative bodies of a number of cities representing seventy-five percent (75%) or more of the population within the incorporated areas of the county as determined by the most recent decennial census or annual census estimates by the United States Bureau of the Census. Notwithstanding the provisions of KRS 67.077, a county ordinance approving a tax base coordination

agreement shall comply with the same publication requirements as required for city ordinances in KRS 83A.060.

(2) Within ten (10) days after the final approval of a tax base coordination agreement in accordance with subsection (1) of this section, the county judge/executive shall send a copy of the agreement to the Department for Local Government. If the agreement involves insurance premium taxes, the county judge/executive shall also send a copy of the final agreement to the Department of Insurance.

SECTION 8. A NEW SECTION OF KRS CHAPTER 65 IS CREATED TO READ AS FOLLOWS:

(1) A tax base coordination agreement may be reviewed and revised as necessary, subject to the same requirements that apply to the initial approval, but at a minimum, the agreement shall be reviewed and revised;

(a) At least every ten (10) years from when the negotiating process is initiated;

(b) Whenever the process of negotiating a tax base coordination agreement is reinitiated by the county or by the number of cities required to initially begin the process based on significant and identifiable changes in the laws or economic circumstances that make the current tax base coordination agreement unworkable; or

(c) In the event of the creation, abolition, or consolidation of governments within the county.

(2) A tax base coordination agreement may be terminated by a vote of the fiscal court and its cities in the same manner and numbers as required to approve the agreement. Termination of a tax base coordination agreement shall be effective the following July 1, provided notice of the termination is given to the Department for Local Government and the Department of Insurance at least one hundred (100) days prior to July 1.

SECTION 9. A NEW SECTION OF KRS CHAPTER 65 IS CREATED TO READ AS FOLLOWS:

(1) Upon adoption of a tax base coordination agreement, a county having a population of thirty thousand (30,000) or more shall not be subject to the one percent (1%) cap on occupational license fees contained in subsection (1) of Section 12 of this Act as long as the tax base coordination agreement is in effect.

(2) A tax base coordination agreement may supersede the crediting requirements on county occupational license fees as set forth in subsection (1) of Section 12 of this Act and on insurance premium taxes as set forth in Section 13 of this Act as long as the tax base coordination agreement is in effect. Any provision of an agreement that supercedes the crediting requirement on insurance premium taxes shall be effective the following July 1, provided notice of the agreement is given to the Department of Insurance at least one hundred (100) days prior to July 1.

(3) Upon the adoption of a tax base coordination agreement, a city may annex contiguous, unincorporated urbanized areas of the county in accordance with the annexation procedure prescribed by Section 14 of this Act as long as the tax base coordination agreement is in effect.

SECTION 10. A NEW SECTION OF KRS CHAPTER 65 IS CREATED TO READ AS FOLLOWS:

(1) If a county and the cities within the county are unable to successfully negotiate a tax base coordination agreement within eighteen (18) months of notification by the Department for Local Government in accordance with Section 3 of this Act, the local governments shall notify the Department for Local Government and attempt to resolve their differences through mediation by a neutral third party mediator.

(2) The mediator shall be appointed by the Commissioner of the Department for Local Government from a list of trained mediators.

(3) The cost of mediation shall be apportioned among the county and the cities within the county based on relative population.

SECTION 11. A NEW SECTION OF KRS CHAPTER 65 IS CREATED TO READ AS FOLLOWS:

The provisions of Sections 1 to 11 of this Act may be cited as the Local Government Service and Tax Base Coordination Act.

Section 12. KRS 68.197 is amended to read as follows:

(1) The fiscal court of each county having a population of thirty thousand (30,000) or more may by ordinance impose license fees on franchises, provide for licensing any business, trade, occupation, or profession, and the using, holding, or exhibiting of any animal, article, or other thing. *Except as provided in Sections 1 to 11 of this Act,* license fees on such business, trade, occupation, or profession for revenue purposes, except those of the common schools, may be imposed at a percentage rate not to exceed one percent (1%) of:

(a) Salaries, wages, commissions, and other compensation earned by persons within the county for work done and services performed or rendered in the county;

(b) The net profits of self-employed individuals, partnerships, professional associations, or joint ventures resulting from trades, professions, occupations, businesses, or activities conducted in the county; and

(c) The net profits of corporations resulting from trades, professions, occupations, businesses, or activities conducted in the county.

In order to reduce administrative costs and minimize paperwork for employers, employees, and businesses, the fiscal court may provide:

1. For an annual fixed amount license fee which a person may elect to pay in lieu of reporting and paying the percentage rate as provided in this subsection on salaries, wages, commissions, and other compensation

earned within the county for work done and services performed or rendered in the county; and

2. For an annual fixed amount license fee which an individual, partnership, professional association, joint venture, or corporation may elect to pay in lieu of reporting and paying the percentage rate as provided in this subsection on net profits of businesses, trades, professions, or occupations from activities conducted in the county.

Licenses imposed for regulatory purposes are not subject to such limitations as to form and amount. No public service company that pays an ad valorem tax is required to pay a license tax, and no license tax shall be imposed upon or collected from any insurance company except as provided in KRS 91A.080, bank, trust company, combined bank and trust company, combined trust, banking, and title business in this state, or any savings and loan association whether state or federally chartered, or in other cases where the county is prohibited by law from imposing a license tax.

(2) No license fee shall be imposed or collected on income received by members of the Kentucky National Guard for active duty training, unit training assemblies, and annual field training, or on income received by precinct workers for election training or work at election booths in state, county, and local primary, regular, or special elections.

(3) Persons who pay a county license fee pursuant to this section and who also pay a license fee to a city contained in the county may, upon agreement between the county and the city, credit their city license fee against their county license fee.

(4) The provisions of subsection (3) of this section notwithstanding, effective with license fees imposed under the provisions of subsection (1) of this section on or after July 15, 1986, persons who pay a county license fee and a license fee to a city contained in the county shall***, subject to the provisions of a tax base coordination agreement adopted in accordance with Sections 1 to 11 of this Act,*** be allowed to credit their city license fee against their county license fee.

(5) On July 14, 2000, the provisions of subsection (4) of this section notwithstanding, city license fees not credited against county license fees enacted under this section or KRS 67.083 as of January 1, 2000, shall not be credited against county license fees. However, this exception shall not apply to county license fees enacted for the first time, or increased, on or after January 1, 2000. This provision shall expire ***June 30, 2003***[~~July 15, 2002~~], unless otherwise extended by the General Assembly.

(6) A county that enacted an occupational license fee under the authority of KRS 67.083 shall not be required to reduce its occupational tax rate when it is determined that the population of the county exceeds thirty thousand (30,000).

Section 13. KRS 91A.080 is amended to read as follows:

(1) The legislative body of each city, county, or urban-county government which elects to impose and collect license fees or taxes upon insurance companies for the privilege of engaging in the business of insurance may enact or change its license fee or rate of tax to be effective July 1 of each year on a prospective basis only and shall file with the commissioner of insurance at least one hundred (100) days prior to the effective date, a copy of all ordinances and amendments which impose any such license fee or tax. No less than eighty-five (85) days prior to the effective date, the commissioner of insurance shall promptly notify each insurance company engaged in the business of insurance in the Commonwealth of those city, county, or urban-county governments which have elected to impose the license fees or taxes and the current amount of the license fee or rate of tax.

(2) Any license fee or tax imposed by a city, county, or urban-county government upon an insurance company with respect to life insurance policies, may be based upon the first year's premiums, and, if so based, shall be applied to the amount of the premiums actually collected within each calendar quarter upon the lives of persons residing within the corporate limits of the city, county, or urban-county government.

(3) Any license fee or tax imposed by a city, county, or urban-county government upon any insurance company with respect to any policy which is not a life insurance policy shall be based upon the premiums actually collected by the company within each calendar quarter on risks located within the corporate limits of the city, county, or urban-county government on those classes of business which the company is authorized to transact, less all premiums returned to policyholders. In determining the amount of license fee or tax to be collected and to be paid to the city, county, or urban-county government, the insurance company shall use the tax rate effective on the first day of the policy term. When an insurance company collects a premium as a result of a change in the policy during the policy term, the tax rate used shall be the rate in effect on the effective date of the policy change. With respect to premiums returned to policyholders, the license fee or tax shall be returned by the insurance company to the policyholder pro rata on the unexpired amount of the premium at the same rate at which it was collected and shall be taken as a credit by the insurance company on its next quarterly report to the city, county, or urban-county government. Any license fee or tax imposed upon premium receipts shall not include premiums received for insuring employers against liability for personal injuries to their employees, or the death of their employees, caused thereby, under the provisions of the Workers' Compensation Act.

(4) The Department of Insurance shall, by administrative regulation, provide for a reasonable collection fee to be retained by the insurance company or its agent as compensation for collecting the tax, except that the collection fee shall not be more than fifteen percent (15%) of the fee or tax collected and remitted to the city, county or urban-county government or two percent (2%) of the premiums subject to the tax, whichever is less. To facilitate computation, collection, and remittance of the fee or tax and collection fee provided in this section, the fees or taxes set out in subsection (1), (2), or (3) of this section, together with the collection fee in this section, may be rounded off to the nearest dollar amount.

(5) Pursuant to KRS 304.3-270, if any other state retaliates against any Kentucky domiciliary insurer because of the requirements of this section, the commissioner of insurance shall impose an equal tax upon the premiums written in this state by insurers domiciled in the other state.

(6) Accounting and reporting procedures for collection and reporting of the fees or taxes and the collection fee herein provided shall be determined by administrative regulations promulgated by the Department of Insurance.

(7) Upon written request of the legislative body of any city, county, or urban-county government, at the expense of the requesting city, county, or urban-county government, which shall be paid in advance by the city, county, or urban-county government to the Department of Insurance, the Department of Insurance shall examine, or cause to be examined by contract with qualified auditors, the books or records of the insurance companies or agents subject to the fee or tax to determine whether the fee or tax is being properly collected and remitted, and the findings of the examination shall be reported to the city, county, or urban-county government. Such interest payable to the city, county, or urban-county government is separate of penalties provided for in subsection (7) of this section. No city, county, or urban-county government may impose any penalties other than those provided for in this subsection.

(10) No license fee or tax imposed under this section shall apply to premiums received on policies of group health insurance provided for state employees under KRS 18A.225.

(11) No county may impose the tax authorized by this section upon the premiums received on policies issued to public service companies which pay ad valorem taxes.

(12) (a) ***Subject to the provisions of a tax base coordination agreement adopted in accordance with the provisions of Sections 1 to 11 of this Act,*** insurance companies which pay license fees or taxes pursuant to this section shall credit city license fees or taxes against the same license fees or taxes levied by the county, when the license fees or taxes are levied by the county on or after July 13, 1990.

  (b) If a county imposed and collected the license fee or tax authorized by this section before July 1, 2000, then insurance companies that pay license fees or taxes under this section shall not credit against the county license fee or tax that portion of a city license fee or tax that becomes effective for the first time on or after July 1, 2000, or is increased effective on or after July 1, 2000. The ordinance shall accurately define the boundary of the urbanized area proposed to be annexed and declare it desirable to annex the area.

(4) If within sixty (60) days following the publication of the annexation ordinance pursuant to subsection (3) of this section, seventy-five percent (75%) of the resident voters or owners of real property within the limits of the territory proposed to be annexed petition the mayor in opposition to the proposal, an election shall be held at the next regular election if the petition is presented to the county clerk and certified by the county clerk as sufficient not later than the second Tuesday in August preceding the regular election:

If the city has elected to establish the zoning for the new area prior to the completion of the annexation pursuant to KRS 100.209, the ordinance shall include a map showing the zoning for the area. Upon the enactment of this ordinance, the area shall become part of the city for all purposes.

Health insurance coverage provided to state employees under this section shall, at a minimum, contain the same benefits as provided under Kentucky Kare Standard as of January 1, 1994***, and shall include a mail order***

drug option as provided in subsection (14) of this section. For calendar year 2001 only, an emergency shall exist when any county in which only one (1) health insurance company offers a single plan to state employees and, subsequent to the open enrollment period, the health insurance company fails to maintain at least sixty-five percent (65%) of its contracts within the geographic region with specialty physicians who were participating in the network at the time of open enrollment. The Finance and Administration Cabinet shall immediately notify the Governor, the Legislative Research Commission, and the secretary of the Personnel Cabinet and shall be authorized to immediately negotiate and contract with additional health insurance companies for additional plans to serve any county without meeting the requirements of the Model Procurement Code under KRS Chapter 45.

Furthermore, any carrier bidding to offer health care coverage to members of the state group shall also agree to rate all such members of the state group as a single entity, except for those retirees whose former employers insure their active employees outside the state health insurance program.

(d) Any carrier bidding to offer health care coverage to any member of the state group shall agree to provide enrollment, claims, and utilization data to the Commonwealth in a format specified by the Personnel Cabinet with the understanding that the data shall be owned by the Commonwealth; to provide data in an electronic form and within a time frame specified by the Personnel Cabinet; and to be subject to penalties for noncompliance of data reporting requirements as specified by the Personnel Cabinet. The Personnel Cabinet shall take strict precautions to protect the confidentiality of each individual member; however, confidentiality assertions shall not relieve a carrier from the requirement of providing stipulated data to the Commonwealth.

(e) The Personnel Cabinet shall develop the necessary techniques and capabilities for timely analysis of data received from carriers and, to the extent possible, provide in the request-for-proposal specifics relating to data requirements, electronic reporting, and penalties for noncompliance. The Commonwealth shall own the enrollment, claims, and utilization data provided by each carrier and shall develop methods to protect the confidentiality of the individual. The Personnel Cabinet shall provide to the General Assembly in June of each year an analysis of enrollment, claims, utilization data of all carriers for the prior plan year ending December 31, and on the financial stability of the program. The report shall include, but not be limited to, loss ratios, methods of risk adjustment, measurements of carrier quality of service, prescription coverage and cost management, paid dependent coverage, and statutorially required mandates. If state self-insurance was available as a carrier option, the report also shall provide a detailed financial analysis of the self-insurance fund including, but not limited to, loss ratios, reserves, and reinsurance agreements.

(f) If any agency participating in the state employee health insurance program for its active members terminates participation in the state employee health insurance program for its active members and there is a state appropriation for the employer's contribution for active employees' health insurance coverage, neither the agency nor the employees shall receive the state-funded contribution after termination from the state employee health insurance program.

(g) Any funds in flexible spending accounts that remain after all reimbursements have been processed shall be transferred to the credit of the state health insurance plan's appropriation account.

(3) The secretary of the Finance and Administration Cabinet, upon the recommendation of the secretary of the Personnel Cabinet, may procure from one (1) or more dental insurance companies, one (1) or more nonprofit hospital, medical-surgical, dental, and health service corporations organized under Subtitle 32 of KRS Chapter 304, or one (1) or more prepaid dental plan organizations organized under Subtitle 43 of KRS Chapter 304, a policy or policies of group dental insurance or prepaid dental plan coverage encompassing all or any class or classes of state employees. All state employees for whom the dental insurance or prepaid dental plan coverage is provided shall annually be given an option to elect either standard dental insurance coverage or coverage by a prepaid dental plan. The policy or policies shall be approved by the commissioner of insurance and may contain the provisions he approves, whether or not otherwise permitted by the insurance laws. It is intended that either dental insurance or prepaid dental plan coverage may be made available for state employees, except that the procuring of each is permissive.

(4) The premiums may be paid by the policyholder:

(a) Wholly from funds contributed by the insured employee, by payroll deduction or otherwise;

(b) Wholly from funds contributed by any department, board, agency, or branch of state, municipal, urban-county, charter county, or county government; or

(c) Partly from each, except that any premium due for health care coverage or dental coverage, if any, in excess of the premium amount contributed by any department, board, agency, or branch of state, municipal, urban-county, charter county, or county government for any other health care coverage shall be paid by the employee.

(5) If an employee moves his place of residence or employment out of the service area of a managed health care plan or of a prepaid dental plan, under which he has elected coverage, into either the service area of another managed health care plan or prepaid dental plan or into an area of the state not within a managed health care plan service area or prepaid dental plan service area, the employee shall be given an option, at the time of the move or transfer, to change his or her coverage to another health care plan or dental plan.

(6) No payment of premium by any department, board, agency, or branch of state, municipal, urban-county, charter county, or county government shall constitute compensation to an insured employee for the purposes of any statute fixing or limiting the compensation of such an employee. Any premium or other expense incurred by any department, board, agency, or branch of state, municipal, urban-county, charter county, or county government shall be considered a proper cost of administration.

(7) The policy or policies may contain the provisions with respect to the class or classes of employees covered, amounts of insurance or coverage for designated classes or groups of employees, policy options, terms of eligibility, continuation of insurance or coverage after retirement, and other provisions the commissioner of insurance may approve.

(8) The policy or policies shall contain the provision that employees or retired employees shall be allowed to change health care plans during the reopening period without any limitation for pre-existing conditions if the employee has met the pre-existing condition limitation upon initial employment or reemployment with the group.

(9) The secretary of the Finance and Administration Cabinet is authorized to perform all acts necessary or advisable for the purpose of contracting for and maintaining health care coverage and dental coverage under the provisions of this section.

(10) Group rates under this section shall be made available to the disabled child of a state employee regardless of the child's age if the entire premium for the disabled child's coverage is paid by the state employee. A child shall be considered disabled if he has been determined to be eligible for federal Social Security disability benefits.

(11) The health care contract or contracts for state employees shall be entered into for a period of not less than one (1) year.

(12) The secretary shall appoint twenty-eight (28) persons to an Advisory Committee of State Health Insurance Subscribers to advise the secretary or his designee regarding the state health insurance program for state employees. The secretary shall appoint, from a list of names submitted by appointing authorities, members representing school districts from each of the seven (7) Supreme Court districts, members representing state government from each of the seven (7) Supreme Court districts, two (2) members representing retirees under age sixty-five (65), one (1) member representing local health departments, two (2) members representing the Kentucky Teachers' Retirement System, and three (3) members at large. The secretary shall also appoint two (2) members from a list of five (5) names submitted by the Kentucky Education Association, two (2) members from a list of five (5) names submitted by the largest state employee organization of nonschool state employees, and two (2) members from a list of names consisting of five (5) names submitted by each state employee organization that has two thousand (2,000) or more members on state payroll deduction. The advisory committee shall be appointed in January of each year and shall meet quarterly.

(13) Notwithstanding any other provision of law to the contrary, the policy or policies provided to state employees pursuant to this section shall not provide coverage for obtaining or performing an abortion, nor shall any state funds be used for the purpose of obtaining or performing an abortion on behalf of state employees or their dependents.

(14) ***The policies of health insurance coverage procured under subsection (2) of this section shall include a mail order drug option for state employees. An insurer that provides health insurance coverage for state employees that includes the mail order drug option shall not discriminate against any pharmacy located within the geographic coverage area of the health benefit plan who is willing to meet the mail order drug prices and other reasonable terms and conditions for participation established by the insurer for coverage of drugs.***

(15) Interruption of an established treatment regime with maintenance drugs shall be grounds for an insured to appeal a formulary change through the established appeal procedures approved by the Personnel Cabinet, if the physician supervising the treatment certifies that the change is not in the best interests of the patient.

HB 34, AN ACT relating to elections and making an appropriation therefor.

Be it enacted by the General Assembly of the Commonwealth of Kentucky:

Section 1. KRS 117.045 is amended to read as follows:

(1) The county board of elections shall in the manner prescribed by this section, not later than March 20 each year, except in a year in which no primary and regular elections are scheduled, appoint for each precinct in the county two (2) judges, one (1) clerk and one (1) sheriff of election. They shall serve in all elections held in the county during the year, except as provided in KRS Chapter 242. If a special election is ordered to be held in a year in which no elections are scheduled, the county executive committee of each political party in each county in the territory affected by the special election shall, not later than twenty-eight (28) days preceding the date of the special election, submit a written list of nominees for precinct election officers to serve in the special election in a manner consistent with the provisions of subsection (2) of this section. The county board of elections in each county in the territory affected by the special election shall, not later than twenty-one (21) days preceding the date of the special election, appoint precinct election officers to serve in the special election in a manner consistent with the provisions of subsections (4), (5), and (6) of this section. The State Board of Elections shall promulgate an administrative regulation establishing evaluation procedures which county boards of elections may use to qualify persons nominated to serve as precinct election officers.

(2) The county executive committees of the two (2) political parties having representation on the State Board of Elections may, on or before March 15 each year, designate in writing to the county board of elections a list of not less than four (4) names for each precinct; except that, in any precinct where there are not as many as four (4) persons possessing the qualifications of an election officer belonging to the political party filing the list, a lesser number may be designated. If there are two (2) or more contending executive committees of the same party in any county, the one (1) recognized by the written certificate of the chairman of the state central committee of the party shall be the one (1) authorized to submit the lists. The lists shall contain the full name, address, phone number, and Social Security number, if available, of each person listed. The lists shall be accompanied by a signed statement from each person stating that he is willing to serve, has not failed to serve without excuse in the past, and has not been convicted of an election law offense or any felony, unless the person's civil rights have been restored by the Governor. The State Board of Elections shall prescribe by administrative regulation the form of the list.

(3) The Attorney General shall notify each party state central committee of the duties of the party.

(4) If lists are submitted, the county board of elections shall select one (1) judge at each voting place from each political party's list, and the county board shall select the sheriff from one (1) political party's list and the clerk from the other. If no lists are submitted, the two (2) members of the county board of elections who are appointed by the State Board of Elections may submit lists; and the county board shall select the sheriff and one (1) judge from one (1) list and the clerk and the other judge from the remaining list. If no lists are submitted, the county board shall select the sheriff and one (1) judge from the membership of one (1) party and the clerk and the other judge from the membership of the remaining party. The county board shall, when possible, also appoint an adequate number of alternate precinct election officers from names on the lists which were submitted but which were not selected by the county board as precinct election officers. If alternate precinct election officers are not appointed from the lists of nominees who were not selected as precinct election officers, the county board of elections shall submit its method of selecting alternate precinct election officers to the State Board of Elections for its approval.

(5) If, after all reasonable efforts have been made, the county board of elections is unable to find two (2) qualified officers for each precinct who are affiliated with the two (2) political parties having representation on the State Board of Elections, the county board shall submit a list of emergency election officer appointments to the State Board of Elections. The county board shall also present, in writing, its efforts to recruit and appoint election officers as prescribed in subsection (4) of this section. The list of emergency appointments may include qualified voters not affiliated with the two (2) parties represented on the state board. The state board, after its review, may approve any or all of the emergency appointments submitted by the county board or may direct the county board to take other action. Any emergency appointment shall be made for the next ensuing election only.

(6) In addition to precinct election officers appointed under subsection (1) of this section, a county board of elections may appoint up to two (2) additional precinct election officers per precinct with the approval of the State Board of Elections. The state board shall promulgate an administrative regulation establishing conditions under which additional precinct officers may be approved.

(7) The county board of elections shall, within ten (10) days before the next ensuing election, give each election officer written notice of his appointment. The board may direct the sheriff of the county to serve the notice of appointment, if it deems the action is necessary.

(8) The State Board of Elections may require the county board of elections to submit its list of precinct officers for review. The State Board of Elections may, after a hearing, direct the removal of any election officer who the board finds would not fairly administer the state election laws. The state board shall replace any officer so removed. The board shall provide for the method and manner of the hearing by administrative regulation.

(9) An election officer shall be a qualified voter of the precinct; except that, where no qualified voter of the required political party is available within the precinct, the election officer shall be a qualified voter of the county. An election officer shall not be a candidate or the spouse, parent, brother, sister, or child of a candidate who is to be voted for at the election. An election officer shall not have changed his voter registration party affiliation for one (1) year prior to his appointment. An election officer may be removed, for cause, at any time up to five (5) days before an election. Vacancies shall be filled by the county board with alternate precinct election officers and the person appointed to fill the vacancy shall be of the same political party as the vacating officer, except for emergency appointments made as provided in subsection (5) of this section.

(10) If the county board of elections fails to appoint election officers, or if any officer is not present at the precinct at the time for commencing the election, or refuses to act, and if no alternate is available, the officer in attendance representing the political party of the absentee shall appoint a suitable person to act in his place for that election. If both representatives of the same political party are absent, qualified voters present affiliating with that party shall elect, viva voce, suitable persons to act in their places.

(11) Each election officer shall be paid a minimum of sixty dollars ($60) per election day served, and such an additional amount as compensation as may be determined by the county board of elections, with the approval of the governing body which would be responsible for funding the election officers' pay, for each election in which the election officer serves, to be paid by the county. ***Provided that adequate state funds become available to assist counties with additional pay for election officers, each election officer may be paid a minimum of one hundred dollars ($100), or such an additional amount as compensation as may be determined by the county board of elections.*** For delivering the election packets to the polls, the precinct election officers shall receive in addition~~[the mileage reimbursement provided for state employees, for each mile necessarily traveled in the delivery of the packets to the polls, or]~~ a flat fee ***of ten dollars ($10)***~~[if the fee equals or exceeds that amount]~~. The fiscal court may, prior to any election, authorize the use of additional voting machines in any particular precinct.

(2) The fiscal court of any county that utilized lever voting machines in any precinct for the 2000 general election may replace those lever machines with electronic voting systems conforming to the requirements of KRS Chapter 117, provided that adequate state or county funds become available for that purpose. The fiscal court may utilize funds made available through General Assembly appropriations, state grants, or other funding in order to transition from lever machines to other voting systems. The fiscal court shall coordinate this transition with the county clerk of its county in order to provide for adequate time for training and operation of the new voting systems prior to any election in which they are used. HB 106, AN ACT relating to a child identification program.

Be it enacted by the General Assembly of the Commonwealth of Kentucky:

Section 1. KRS 186.412 is amended to read as follows:

(1) A person under the age of twenty-one (21) at the time of application for an instruction permit may apply for an operator's license to operate a motor vehicle, motorcycle, or moped if the person has possessed the valid instruction permit for at least one hundred eighty (180) days. A person who is at least twenty-one (21) years of age at the time of application for an instruction permit may apply for an operator's license to operate a motor vehicle, motorcycle, or moped if the person has possessed the valid instruction permit for at least thirty (30) days. The person shall apply for an operator's license in the office of the circuit clerk of the county where he lives. The application form shall require the applicant's full legal name and signature, date of birth, Social Security number, sex, present resident address, other information necessary to permit the application to also serve as an application for voter registration, and brief physical description of the applicant. If the person is not a United States citizen, the application form shall be accompanied by a photographic copy of the person's employment authorization card, visa card to enter the United States, or permanent residency card issued by the United States Department of Immigration Services and, if applicable, a photographic copy of the person's international driving permit. All applications shall state:

(a) If the applicant has previously been licensed as an operator and by what nation or state; and

(b) Other information the cabinet may require by administrative regulation promulgated pursuant to KRS Chapter 13A.

(2) The Transportation Cabinet shall issue a plastic laminated operator's license bearing a color photograph of the applicant. The photograph shall be taken by the circuit clerk so that one (1) exposure will photograph the applicant and the application simultaneously, using the process determined under provisions of KRS 186.413. When taking the photograph, the applicant shall be prohibited from wearing sunglasses or any other attire that obscures any features of the applicant's face as determined by the clerk. The clerk shall require an applicant to remove sunglasses or other obscuring attire before taking the photograph required by this subsection. Any person who refuses to remove sunglasses or other attire prohibited by this section as directed by the clerk shall be prohibited from receiving an operator's license. The plastic laminated operator's license issued by the cabinet shall not contain the applicant's Social Security number. The cabinet shall promulgate administrative regulations pursuant to KRS Chapter 13A that develop a numbering system that uses an identification system other than Social Security numbers. The license shall also designate by color coding and use the phrase "under 21" if the licensee is under the age of twenty-one (21); "CDL" if the license is issued pursuant to KRS

Chapter 281A; or "under 21 CDL" if the licensee holds a commercial driver's license issued pursuant to KRS Chapter 281A and is under the age of twenty-one (21).

(3) Every applicant shall make oath to the circuit clerk as to the truthfulness of the statements contained in the form.

(4) The clerk may, after determining that the applicant has fully complied with the law governing applications, issue a temporary operator's license to be valid for not more than ninety (90) days. The temporary license shall be valid in lieu of the permanent license during the certification period and shall be destroyed upon receipt of the permanent operator's license.

(5) The circuit clerk shall issue a color photo nondriver's identification card to any person who resides in the county who applies in person in the office of the circuit clerk. A nondriver's identification card shall be subject to the provisions of this section. An application for a nondriver's identification card shall be accompanied by a signed Social Security card and a birth certificate, or other proof of the applicant's date of birth provided under subsection (1) of this section. If the person is not a United States citizen, an application for a nondriver's identification card shall be accompanied by a photographic copy of the person's employment authorization card, visa card to enter the United States, or permanent residency card issued by the United States Department of Immigration Services. The application shall require the applicant to provide his or her full legal name and most current resident address that may include, but is not limited to, a mailing address, post office box, or an address provided on a voter registration card. If an applicant for a nondriver's identification card is under the age of twenty-one (21), the applicant's most current resident address shall be required unless a current resident address is not available, in which case a mailing address, post office box, or an address provided on a voter registration card may be used. Every applicant for a nondriver's identification card shall make an oath to the circuit clerk as to the truthfulness of the statements contained on the application form. If the applicant is not the legal possessor of the address provided on the application form, the applicant shall swear that he has permission from the legal possessor to use the address for purposes of obtaining the nondriver's identification card. The nondriver's identification card shall designate by color coding and by use of the phrase "under 21" if the applicant is under the age of twenty-one (21).

(6) ***The Transportation Cabinet shall implement a voluntary statewide child identification program. The program shall issue a color photo nondriver's identification card to a child two (2) to fifteen (15) years of age. Application for a child identification card shall be accompanied by a Social Security card and a birth certificate for the child, or other proof of the child's date of birth as provided under subsection (1) of this section. The card shall contain the child's name and the toll-free number of the Kentucky Missing Person Clearinghouse, Kentucky State Police. The card shall not contain the child's Social Security number. The cabinet shall set a four dollar ($4) fee for the child identification card. Two dollars ($2) of the fee shall be used to cover the cabinet's cost for equipment and supplies. Two dollars ($2) of the fee shall be an administrative fee for issuing the card and shall be used to assist the circuit clerks in hiring additional deputy clerks. The administrative fee shall be paid directly to the circuit clerks and deposited in a trust and agency account to the credit of the Administrative Office of the Courts. The card shall expire every two (2) years on the child's birthday. The program shall provide an applicant with the option of having descriptive data and a photo image of the child stored in a child identification data set for access and retrieval by the Kentucky State Police.***

(7) Licensed drivers temporarily out-of-county may be issued a license without a photograph. The license shall show in the space provided for the photograph the legend "valid without photo and signature."

(8)[~~(7)~~] If a citizen of the Commonwealth currently serving in the United States military is stationed or assigned to a base or other location outside the boundaries of the Commonwealth, the citizen may renew a Class D operator's license issued under this section by mail. If the citizen was issued an "under 21" operator's license, upon the date of his or her twenty-first birthday, the "under 21" operator's license may be renewed for an operator's license that no longer contains the outdated reference to being "under 21".

(9)[~~(8)~~] A citizen of the Commonwealth renewing an operator's license by mail under subsection ***(8)***[~~(7)~~] of this section may have a personal designee apply to the circuit clerk on behalf of the citizen to renew the citizen's operator's license. An operator's license being renewed by mail under subsection ***(8)***[~~(7)~~] of this section shall be issued a license without a photograph. The license shall show in the space provided for the photograph the legend "valid without photo and signature".

(10)[~~(9)~~] If a citizen of the Commonwealth has been serving in the United States military and has allowed his operator's license to expire, he shall, within ninety (90) days of returning to the Commonwealth, be permitted to renew his license without having to take a written test or road test. A citizen who does not renew his license within ninety (90) days of returning to the Commonwealth shall be required to comply with the provisions of this chapter governing renewal of a license that has expired. If a citizen of the Commonwealth has been issued an "under 21" or "under 21 CDL" operator's license and the person is unable to renew the license on the date of his twenty-first birthday, the "under 21" or "under 21 CDL" operator's license shall be valid for ninety (90) days beyond the date of the person's twenty-first birthday.

(11)[~~(10)~~] The cabinet shall provide on each license to operate motor vehicles, motorcycles, and mopeds a space for the licensed driver's:

(a) Blood type;

(b) Medical insignia if the person provides evidence that a medical identification bracelet noting specific physical ailments or a drug allergy is being worn or other proof as may be required by the cabinet; and

(c) A statement whereby the owner of the license may certify in the presence of two (2) witnesses his willingness to make an anatomical gift under KRS 311.195.

(12)[~~(11)~~] If the motor vehicle operator denotes a physical ailment or drug allergy on the operator's license, he may apply for and shall receive, for a fee of one dollar ($1) paid to the circuit clerk, a medical insignia decal that may be affixed to the lower left side of the front windshield of a motor vehicle.

(13)[~~(12)~~] An operator's license pursuant to this section shall be designated a Class D license.

HB 4, AN ACT relating to a criminal DNA database.

Be it enacted by the General Assembly of the Commonwealth of Kentucky:

SECTION 1. A NEW SECTION OF KRS CHAPTER 422 IS CREATED TO READ AS FOLLOWS:

(1) At any time, a person who was convicted of and sentenced to death for a capital offense and who meets the requirements of this section may request the forensic deoxyribonucleic acid (DNA) testing and analysis of any evidence that is in the possession or control of the court or Commonwealth, that is related to the investigation or prosecution that resulted in the judgment of conviction and that may contain biological evidence.

(2) After notice to the prosecutor and an opportunity to respond, the court shall order DNA testing and analysis if the court finds that all of the following apply:

(a) A reasonable probability exists that the petitioner would not have been prosecuted or convicted if exculpatory results had been obtained through DNA testing and analysis;

(b) The evidence is still in existence and is in a condition that allows DNA testing and analysis to be conducted; and

(c) The evidence was not previously subjected to DNA testing and analysis or was not subjected to the testing and analysis that is now requested and may resolve an issue not previously resolved by the previous testing and analysis.

(3) After notice to the prosecutor and an opportunity to respond, the court may order DNA testing and analysis if the court finds that all of the following apply:

(a) A reasonable probability exists that either:

1. The petitioner's verdict or sentence would have been more favorable if the results of DNA testing and analysis had been available at the trial leading to the judgment of conviction; or

2. DNA testing and analysis will produce exculpatory evidence.

(b) The evidence is still in existence and is in a condition that allows DNA testing and analysis to be conducted.

(c) The evidence was not previously subject to DNA testing and analysis or was not subjected to the testing and

analysis that is now requested and that may resolve an issue not previously resolved by the previous testing and analysis.

(4) If the court orders testing and analysis pursuant to subsection (2) of this section, the court shall order the responsibility for payment, if necessary. If the court orders testing and analysis of this section pursuant to subsection (3) of this section the court shall require the petitioner to pay the costs of testing and analysis, if required by Section 3 of this Act. If the court orders testing and analysis under subsection (2) or (3) of this section the court shall appoint counsel to those petitioners who qualify for appointment under KRS Chapter 31.

(5) If the prosecutor or defense counsel has previously subjected evidence to DNA testing and analysis, the court shall order the prosecutor or defense counsel to provide all the parties and the court with access to the laboratory reports that were prepared in connection with the testing and analysis, including underlying data and laboratory notes. If the court orders DNA testing and analysis pursuant to this section, the court shall order the production of any laboratory reports that are prepared in connection with the testing and analysis may order the production of any underlying data and laboratory notes.

(6) If a petition is filed pursuant to this section, the court shall order the state to preserve during the pendency of the proceeding all evidence in the state's possession or control that could be subjected to DNA testing and analysis. The state shall prepare an inventory of the evidence and shall submit a copy of the inventory to the defense and the court. If the evidence is intentionally destroyed after the court orders its preservation, the court may impose appropriate sanctions, including criminal contempt.

(7) The court may make any other orders that the court deems appropriate, including designating any of the following:

(a) The preservation of some of the sample for replicating the testing and analysis;

(b) Elimination samples from third parties.

(8) If the results of the DNA testing and analysis are not favorable to the petitioner, the court shall dismiss the petition. The court may make further orders as it deems appropriate, including any of the following:

(a) Notifying the Department of Corrections and the Parole Board;

(b) Requesting that the petitioner's sample be added to the Kentucky State Police database;

(c) Providing notification to the victim or family of the victim.

(9) In a capital case in which the death penalty has been imposed, notwithstanding any other provision of law that would bar a hearing as untimely, if the results of the DNA testing and analysis are favorable to the petitioner, the court shall order a hearing and make any further orders that are required pursuant to this section or the Kentucky Rules of Criminal Procedure.

SECTION 2. A NEW SECTION OF KRS CHAPTER 422 IS CREATED TO READ AS FOLLOWS:

(1) When a person is being tried for a capital offense and there is evidence in the case which may be subjected to deoxyribonucleic acid (DNA) testing and analysis the Commonwealth or the defendant may move to have any item of evidence not previously subjected to DNA testing and analysis tested and analyzed.

(2) If the court is satisfied that the item of evidence has not been tested and analyzed, that DNA testing and analysis would yield appropriate evidence, and that the item of evidence has not previously been the subject of DNA testing and analysis or that new DNA testing and analysis would yield a more accurate result, the court shall order DNA testing and analysis of the evidence.

(3) The testing and analysis of the evidence shall be done by the State Police laboratory or at another laboratory selected by the Kentucky State Police laboratory.

(4) DNA testing and analysis results shall be made available to both the Commonwealth and the defendant and either the Commonwealth or the defendant may move that they be admitted at trial.

(5) If the defendant is convicted of any offense for which DNA test and analysis results are required to be maintained by law, the DNA test and analysis results obtained pursuant to this section shall be utilized for that purpose, whether or not the test and analysis results were introduced in the case.

SECTION 3. A NEW SECTION OF KRS CHAPTER 17 IS CREATED TO READ AS FOLLOWS:

(1) In addition to the requirements specified in Section 1 of this Act, any evidence submitted for testing and analysis pursuant to Section 1 or 2 of this Act shall be of probative value. When the motion is filed with the court requesting testing and analysis of evidence pursuant to this section the applicant shall include sufficient information about the evidence, the necessity for its testing and analysis, and its applicability to the proceeding for a court to make a determination of the probative value of the evidence proposed to be tested and analyzed.

(2) The prosecution, with a court order issued pursuant to this section, may submit not more than five (5) items of evidence for testing and analysis by the Kentucky State Police laboratory or another laboratory selected by the Kentucky State Police laboratory without charge. The cost of testing and analysis any items of evidence in excess of the five (5) initial items to be tested and analyzed shall be borne by the agency or person requesting the testing and analysis. Any additional item of evidence submitted for testing and analysis shall be accompanied by the court order specified in subsection (1) of this section.

(4) The defense, with a court order issued pursuant to this section, may submit not more than five (5) items of evidence for testing and analysis by the Kentucky State Police laboratory or another laboratory selected by the Kentucky State Police laboratory without charge. The cost of testing and analysis any item of evidence in excess of the five (5) initial items to be tested and analyzed shall be borne by the agency or person requesting the testing and analysis. Any additional item of evidence submitted for testing and analysis shall be accompanied by the court order specified in subsection (1) of this section.

(5) Any other party in a criminal case, with permission of the court after a specific showing of necessity for testing and analysis, together with the items specified in subsection (1) of this section, may submit an item of evidence for testing and analysis by the Kentucky State Police laboratory or another laboratory selected by the Kentucky State Police laboratory for testing and analysis. The cost of testing and analysis of any item of evidence permitted to be submitted by the court shall be borne by the person or organization requesting the testing and analysis.

(6) The Kentucky State Police shall promulgate by administrative regulation a uniform schedule of fees to be charged for testing and analysis conducted pursuant to Section 1 or 2 of this Act.

(6) Destruction of evidence in violation of this section shall be a violation of KRS 524.100.

(7) Subject to subsection (6) of Section 1 of this Act, the appropriate governmental entity shall retain any biological material secured in connection with a criminal case for the period of time that any person remains incarcerated in connection with that case. Any district board of education may pay all or part of the premium on the policies, and may deduct from the salaries of the employees that part of the premium which is to be paid by them and may contract with the insurer to provide the above benefits. As permitted in KRS 160.280(5), board members shall be eligible to participate in any group medical or dental insurance provided by the district for employees.

(b) If a district board of education participates in the state employee health insurance program, as described in KRS 18A.225, for its active employees and terminates participation and there is a state appropriation approved by the General Assembly for the employer's contribution for active employees' health insurance coverage, neither the board of education nor the employees shall receive the state-funded contribution after termination from the state employee health insurance program.

(2) Each district board of education shall adopt policies or regulations which will provide for deductions from salaries of its employees or groups of employees whenever a request is presented to the board by said employees or groups thereof. The deductions shall be made from salaries earned in at least eight (8) different pay periods, and shall be remitted to the appropriate organization or association as specified by the employees within thirty (30) days following the deduction provided the district has received appropriate invoices or necessary documentation. The deductions may be made for, but are not limited to, membership dues, tax-sheltered annuities, and group insurance premiums. With the exception of membership dues, the board shall not be required to make more than one (1) remittance of amounts deducted during a pay period for a separate type of deduction. Health insurance, life insurance, and tax-sheltered annuities shall be interpreted as separate types of deductions. When amounts have been correctly deducted and remitted by the board, the board shall bear no further responsibility or liability for subsequent transaction.

(3) Payments and deductions made by the board of education under the authority of this section are presumed to be for services rendered and for the benefit of the common schools, and the payments and deductions shall not affect the eligibility of any school system to participate in the public school funding program as established in KRS Chapter 157.

(4) Attorneys hired by the district board of education, pursuant to KRS 160.160 and 160.290, to provide legal advice to the board on a regular basis shall be deemed to be employees of the school district for the sole purpose of participating in the school district's group medical and dental insurance plans, at the discretion of the district board of education.

(a) 1. Up to three and one-half million dollars ($3,500,000) annually shall be made available by the cabinet to the Kentucky Infrastructure Authority for the debt service of bonds issued by the Kentucky Infrastructure Authority under KRS 224A.120, the proceeds of which are to be used as grant funds to counties, cities, and solid waste management districts to be used to permanently close abandoned and unused landfills, until such time as all abandoned and unused landfills have been permanently closed, after which the cabinet shall provide these funds to counties to be used for other purposes relating to solid waste management;

2. Up to seven and one-half million dollars ($7,500,000) annually shall be made available to the cabinet for the purpose of funding grants to counties, cities, and solid waste management districts to be used for the cleanup of illegal dumps, not to include those containing hazardous waste;

3. One and one-half million dollars ($1,500,000) shall be distributed annually by the cabinet to the Kentucky Environmental Education Council established in KRS 157.910 to fund the master plan for environmental education, and for other litter awareness and education programs, and curriculum development and instruction;

(b) The remaining balance received by the cabinet from the Kentucky pride fund shall be apportioned among the one hundred twenty (120) counties for the purpose of removing litter from federal, state, county, and city roads for costs associated with solid waste collection, recycling, and continuous illegal dump cleanup, and for other purposes provided for in this section, as follows:

1. One-third (1/3) shall be apportioned among the one hundred twenty (120) counties on the basis of the ratio which the rural population of each county bears to the total rural population of the state as determined by the most recent decennial census of the United States Bureau of Census. "Rural population" as used in this section means the population in a county outside cities, towns, and urban areas having a population of two thousand five hundred (2,500) or more;

2. One-third (1/3) shall be apportioned among the one hundred twenty (120) counties on the basis of the ratio that the public road mileage outside of cities, towns, and urban areas having a population of two thousand five hundred (2,500) or more bears to the total mileage of these roads for the entire state;

3. One-third (1/3) shall be apportioned among the one hundred twenty (120) counties on the basis of the ratio which the total population of each county bears to the total population of the state as shown by the most recent decennial census of the United States Bureau of the Census; and

Counties that comply with this subsection using less funds than their annual allocation pursuant to subsection (2)(b) of this section may expend unused moneys to fund other projects and program activities related to solid waste management and collection, recycling, and litter abatement, including the repayment of loans used for the closure of abandoned landfills. Counties may, when available and feasible, utilize nonviolent misdemeanant and Class D felon inmate labor for litter and illegal open dump cleanups and pay the jail out of the Kentucky pride fund money received by the county a reasonable fee of not less than the minimum wage for the use of inmate labor to be credited to the jail fund and utilized for operating expenses of the county jail.

(6) Cities receiving moneys according to this section shall conduct cleanups of city streets at least two (2) times per year. The burden of proof shall be on the cabinet to establish that the county has not achieved and maintained the required participation rate. Should the cabinet fail to establish that the county has not achieved or maintained the required rate, the court shall order the cabinet to pay the county for all costs incurred by the county in defense of the petition, including reasonable attorney fees.

(2) If the Circuit Court grants the petition, the cabinet shall assume responsibility for the management of a county's municipal solid waste management and other obligations under Section 3 of this Act until the required rate of participation is achieved and shall use all of the retained funds to manage those county programs that are funded according to the provisions of subsection (2)(a) and (2)(b) of Section 3 of this Act.

(2) ***In counties with an ordinance requiring that all residents participate in curbside or end-of-driveway solid waste collection, delinquent charges to be collected may include late payment charges normally assessed by any entity providing solid waste collection service up to the date the delinquencies are submitted to the county clerk.***

(3) The ***collection service charges***[~~pick-up fee~~] when combined with the property tax bill shall be clearly set out as the delinquent amount owed for solid waste ***collection***[~~pick-up~~] services and shall in no way be represented as an assessment based on the value of the property. ***The delinquent service charges shall be collected in the same manner and shall be subject to the same discounts, penalties, interest, liens, and add-on fees as the county property taxes pursuant to KRS Chapters 132, 133, and 134. In requesting the waiver, the owner shall certify he is not the occupant of the property and that the occupant will be notified that failure of the occupant to pay the solid waste ***collection service charge***[~~pick-up fee~~] will be considered a breach of the occupant's lease making the occupant subject to eviction.

The Committee Substitute to **HB 174** is as follows:

HB 174, AN ACT relating to environmental protection.

Be it enacted by the General Assembly of the Commonwealth of Kentucky:

Section 1. KRS 224.43-010 is amended to read as follows:

(1) It is hereby declared to be the policy of this Commonwealth and the purpose of this chapter to provide for the management of solid waste, including reduction, collection, transportation, and disposal in a manner that will protect the public health and welfare, prevent the spread of disease and creation of nuisances, conserve our natural resources, and enhance the beauty and quality of our environment.

(2) It is the policy of the Commonwealth to limit and reduce the amount of solid waste disposed in municipal solid waste disposal facilities in the Commonwealth ***through reduction in the amount of waste generated, reuse of solid waste, waste recycling or yard waste composting, and resource recovery,*** and to encourage a regional approach to solid waste management.

(3) It is the policy of the Commonwealth that a comprehensive and integrated waste management system to handle solid waste is to be fostered. State policies and funding assistance shall reflect a preference for ***projects and practices consistent with the policies and goals established by this section***[~~solid waste management practices according to the following priority:~~

~~(a) Reduction in the amount of waste generated;~~

~~(b) Reuse of solid waste;~~

~~(c) Waste recycling or yard waste composting;~~

~~(d) Resource recovery through mixed municipal solid waste composting or incineration;~~

~~(e) Land disposal in publicly owned landfills or incineration of solid waste without energy recovery; and~~

~~(f) Land disposal in landfills other than publicly-owned landfills~~].

(4) It is ***the policy of the Commonwealth that existing open dumps be cleaned up and that new open dumps be prevented***[~~further the goal of this Commonwealth that the amount by weight of municipal solid waste disposed at municipal solid waste disposal facilities shall be reduced by a minimum of twenty-five percent (25%) by July 1, 1997, as compared to fiscal year 1993 on a statewide per capita basis. However, credit shall be given for reductions achieved prior to 1993 when accurate measurements are available. The reduction goal shall not apply to special wastes as designated by KRS 224.50-760 or industrial solid waste~~].

(5) It is the policy of the Commonwealth that municipal solid waste disposal facilities that ceased accepting waste before July 12, 1992 undergo proper closure, characterization, and corrective action.

(6) The General Assembly finds that the goal of reducing the amount of solid waste disposed in municipal solid waste disposal facilities cannot be achieved without first identifying the amount of municipal solid waste generated statewide per capita, including the waste now disposed in open dumps, and providing incentives for the cleanup of existing open dumps and the prevention of new open dumps.

(c) Other alternatives proposed by counties: Counties may propose other alternatives ***including subscription service,*** and the cabinet shall approve same as long as the county can demonstrate that all of its citizens are being given access to the solid waste collection system which is proposed ***and the solid waste collection system does not include unstaffed collection boxes.***

(2) Beginning October 1, 2003, all persons providing commercial collection service, including collection for the purpose of recycling, shall register annually with the counties in which they provide the service.

(3) Beginning January 1, 2004, all persons providing commercial collection service, including collection for the purpose of recycling, shall report annually to the counties in which they provide the service. The reports shall include:

(5)[~~(3)~~] The county may enter into agreements with any person for the performance of the responsibilities described in this section, including cities within its geographic boundaries, but the county shall be responsible for providing the universal collection program described in this section, except any city of the first or second class having sole responsibility for developing its portion of the solid waste plan shall be responsible for providing the universal collection within its jurisdiction, and except any city contracting for the collection of its solid waste on February 26, 1991, may continue to contract for the collection of its solid waste if the contract provides for disposal in accordance with the area solid waste management plan.

(6)[~~(4)~~] If a county or city fails to comply with the provisions of this section, the Commonwealth shall not endorse projects that generate solid waste under the Kentucky intergovernmental review process for the county or city.

(7)[~~(5)~~] A commercial or industrial entity which transports or contracts for the transport of the municipal solid waste it generates or which operates an industrial solid waste management facility for its exclusive use may be excluded from participation in the universal collection program***, if the commercial or industrial entity demonstrates to the county that the solid waste generated is disposed in accordance with applicable statutes and administrative regulations***.

Section 7. KRS 224.43-340 is amended to read as follows:

(1) The cabinet shall promulgate administrative regulations pursuant to KRS Chapter 224 for the reduction and management of solid waste, consistent with the statewide solid waste reduction and management plan, the ***policies and*** goals established by KRS 224.43-010, and the provisions of KRS Chapter 109.

(2) Waste management districts, counties, or any combination thereof, shall confer and determine which shall submit to the cabinet a solid waste management plan. The plan shall address municipal solid waste management needs for the area. Each county shall be responsible for implementing the plan, except that any city of the first or second class having sole responsibility for developing the portion of the area plan applicable to its jurisdiction shall be responsible for

implementing the portion of the plan prepared by the city. However, if a county participates in a regional solid waste management area, then the governing body of the solid waste management area shall be responsible for implementing those components of the plan it is assuming on behalf of the county. However, the cabinet shall not disapprove a solid waste management plan for a single county if the plan complies with the requirements of KRS Chapter 224 and administrative regulations adopted by the cabinet. Plans shall be updated once every five (5) years. Plans may be amended and such amendments shall be submitted to the cabinet for review and approval. The review and approval of the cabinet shall be limited to a determination of whether the proposed amendments are in conformity with KRS 224.43-345 and the statewide solid waste reduction and management plan and KRS Chapter 224 and administrative regulations adopted by the cabinet.

(3) A county may delegate responsibility for preparing all or portions of the plan to one (1) or more cities within the county. Such delegation of responsibility shall be made only with the mutual agreement of the city and county. Each city and county shall be included in a solid waste management plan.

(4) Any city of the first or second class shall have the sole responsibility for developing and preparing the portion of the solid waste management plan applicable to the jurisdiction of the city, unless the city elects to have the county prepare the plan. If the city prepares the solid waste management plan for its jurisdiction, the city plan shall be incorporated within the area plan prior to its submission to the cabinet. The plan developed by the city, to the extent practicable, shall be reasonably consistent with the plan developed by the county. The cabinet, as a part of the area plan approval process, shall determine whether the city portion of the area plan is reasonably consistent with the overall area plan so as to effectuate the purposes of this chapter.

(5) Cities, other than of the first or second class, operating solid waste management facilities or services, or who contracted with a person to provide such services on or before July 13, 1984, and pay a pro rata share of the cost of plan development may assume joint responsibility with a county for plan development. Where joint responsibility for plan development is assumed, both the county fiscal court and city legislative body must adopt the plan before it is submitted to the cabinet for approval.

(6) Counties, waste management districts, or any combination thereof preparing the solid waste management plan shall apply for and be designated as a solid waste management area. The application shall be submitted by June 1, 1991. The application shall include but not be limited to:

(a) A brief description of existing disposal capacity and of the capability of the proposed area to effectively manage solid waste;

(b) Resolution of the fiscal courts of all counties in the proposed area approving the application for designation;

(c) Resolution of those city legislative bodies in the proposed area that are currently operating solid waste management facilities or services and will participate in and provide financial assistance in plan development;

(d) Any agreement or contract necessary to establish the proposed area; and

(e) Resolution of the boards of any existing waste management districts located within the proposed area approving the application for designation.

(7) The jurisdiction of the solid waste management area shall be limited to the geographical area established or designated by the cabinet in accordance with the provisions of this chapter unless the preparer submits justification for any deviation therefrom acceptable to the cabinet.

(8) Upon receipt of such application, the cabinet shall, within thirty (30) days either approve the creation of a proposed solid waste management area or shall disapprove such application, and in the event of disapproval shall state in writing the reasons for such disapproval. Any changes in the application contents shall be submitted to the cabinet.

(9) Solid waste management areas shall be designated for five (5) year periods. At the end of five (5) years, the plan shall be updated and reapproved by the cabinet.

(10) If the cabinet does not receive on behalf of a county a solid waste management plan and the application for a solid waste management area in which the county will participate required by this section and KRS 224.43-345, the cabinet may develop a solid waste management plan for that county or may place that county in a designated solid waste management area.

(11) If the solid waste management plan for a county is not implemented, the Commonwealth shall not endorse projects that generate solid waste under the Kentucky intergovernmental review process for that county.

(12) The governing body of a solid waste management area ***shall***[~~may~~] employ***, alone or in conjunction with governing bodies of other solid waste management areas, a solid waste coordinator with enforcement powers necessary***[~~an enforcement representative~~] to ensure compliance with ***the area's solid waste management plan and any applicable statutes or administrative***[~~applicable~~] regulations of the cabinet relating to ***solid waste management***[~~construction and operation of municipal solid waste management facilities. The enforcement representative shall possess at least minimum qualifications required of representatives of the cabinet performing similar functions~~].

The plan shall demonstrate how all persons in the planning area will within the near future have reasonable opportunity to dispose of their waste in a manner that complies with state and federal laws;
4. Identification of planned programs for the control and cleanup of litter and open dumps. The programs shall include: ***identification of an approved***[~~a~~] schedule for the cleanup of[~~ illegal~~] open ***dumps in existence as of October 1, 2002***[~~dump sites which will result in the cleanup of those sites within one (1) year of cabinet approval of the plan~~]; an annual survey of the ***planning area***[~~county~~] to discover new ***open dumps***[~~sites~~] which shall then be scheduled for cleanup within one (1) year ***unless the cabinet approves a longer schedule***;[~~ and~~] measures to prevent the recurrence of dumping at sites which are cleaned up***; and cleanup of litter along public roads, excluding interstate highways, three (3) times per year; and cleanup of litter along city streets two (2) times per year. In these public road cleanups and also open dump cleanups, nonviolent misdemeanant and Class D felon inmate laborers may be used, subject to the approval of the jailer, and the jail shall be paid from county funds received from the Kentucky pride fund, a reasonable fee of not less than the minimum wage for the use of inmate labor and this money shall be credited to the jail fund and utilized for operating expenses of the county jail. (h) A five (5) year schedule and description of activities to be undertaken to implement the proposed plan;

(i) A description of short-term costs of the plan including capital and operational costs[~~ on a per-ton and per-capita basis~~] for each element of the plan, and the identification of the means of financing plan implementation;

(j) Designation of the governing body for implementation of the solid waste management plan or components of the plan. A description of its responsibilities and authority shall be provided;

Section 9. KRS 109.042 is amended to read as follows:

~~(3) The solid waste management facility was in existence prior to June 17, 1978; and~~

~~(4)~~] The solid waste management facility complies with the intent and purposes of KRS Chapters 109 and 224.

Section 12. KRS 109.300 is amended to read as follows:

(1) It is the purpose of KRS 109.310[~~ to 109.320~~] to further the intention of the General Assembly of the Commonwealth of Kentucky[~~ as expressed in KRS 109.011~~] that the primary responsibility for adequate ***municipal*** solid waste collection[~~, disposal and resource recovery~~] rests with counties ***or waste management districts***, and to assist ***them in carrying***[~~local governments to carry~~] out those responsibilities.

(2) The authority granted by KRS 109.310[~~ to 109.320~~] shall be construed as being in addition to other power already given to counties ***and waste management districts***. Section 20. KRS 109.011 is amended to read as follows:

The General Assembly of the Commonwealth of Kentucky hereby finds, determines, and declares, as follows:

(1) That an ever-increasing volume of solid waste both within and outside the Commonwealth is being generated as a result of increasing economic and commercial activity, continuing technological progress, and changes in methods of manufacturing, packaging, and marketing of consumer products, which results in additional solid wastes discarded by the users of these products;

(2) That the continued economic and population growth of the Commonwealth has required increased industrial and commercial expansion and has made necessary the demolition of obsolete structures, the construction of new structures, the provision of highways and other avenues of transportation, and the construction and installation of public works which, together with pre-existing commercial, industrial, and agricultural operations, have resulted in the generation of further volumes of solid waste;

(3) That the handling of solid wastes has been primarily carried out through the dumping of wastes on open soil and in landfills, which in some cases are inimical to the public health, safety, and welfare;

(4) That by the enactment by the Congress of the United States of the Resource Conservation and Recovery Act of 1976 (Public Law 94-580), as amended, the collection, sanitary disposal, and recovery of solid waste has been determined to be a matter of nationwide importance, recognizing that the management of solid waste should continue to be primarily the function of state, regional, and local agencies; and that pursuant to this federal law, the Commonwealth has taken and will take certain actions in respect to the planning and implementation of solid waste plans within the guidelines of time requirements set forth in this federal law;

(5) That as a result of the conditions described in the foregoing findings, problems of solid waste collection, management, and treatment, and resource recovery activities in connection therewith have become a matter of statewide concern necessitating action by the General Assembly to:

(a) Enable responsible planning and management agencies to be created to define solid waste management requirements, with all of the foregoing subject to regulation by the Natural Resources and Environmental Protection Cabinet;

(b) Assist those units of government primarily responsible for the management of solid waste and the acquisition, financing and operation of facilities to dispose of solid waste to fulfill their functions in a responsible and proper manner with primary emphasis on the regionalization of these functions; and

(c) Reduce the amount of solid waste generated and disposed in Kentucky;

(6) That it is the intent of the General Assembly of the Commonwealth of Kentucky that the primary responsibility for adequate solid waste collection, management, treatment, disposal, and resource recovery shall rest with combinations of counties and waste management districts, subject to standards set by administrative regulations adopted by the Natural Resources and Environmental Protection Cabinet. In those cities currently operating solid waste management systems, the city and county may assume joint responsibility of preparing a solid waste management plan. If it is in the best public interest to do so and with the mutual agreement of both the county and city, a county may delegate responsibility for adequate collection, management, treatment, disposal, or materials recovery to a city. This delegation of responsibility is contingent upon the approval of a solid waste management plan by the cabinet. The purpose of delegating responsibilities shall be to effectuate the safe and sanitary management, use, and handling of solid waste, the protection of the health, welfare, and safety of the citizens and inhabitants of the Commonwealth, and for making the most efficient use of all resources for the benefit of the citizens and inhabitants of the Commonwealth;

(7) That the General Assembly recognizes the generation of solid waste is inevitable, but much of it is unnecessary and should be discouraged. However, where solid waste does exist, it should be considered to the extent possible as a valuable resource, and be made use of wherever and whenever desirable and economically justifiable. Therefore, it shall be the policy of the Commonwealth to, above all things, encourage resource conservation and preservation of our natural resources before waste contributes in a needless fashion to the volumes of solid waste and litter produced by our society; but in dealing with existing solid waste, materials recovery from the solid waste stream is deemed to be the most environmentally sound alternative for handling waste;

(8) It is not the intent of this chapter to prohibit or discourage the participation of the private sector in any aspect of solid waste management. Moreover, it is preferable for solid waste management functions to be performed by the private sector when it is in the best interests of the public and conforms with the policies and provisions in this chapter;

(9) It is the intent of the General Assembly that counties and waste management districts cooperate to develop and implement the solid waste management plans mandated by KRS Chapter 224 and the administrative regulations adopted by the cabinet with the goal of regionalizing the management of solid waste;

(10) It is the intent of the General Assembly that waste requiring disposal in municipal solid waste disposal facilities be reduced and that solid waste be managed in an environmentally protective manner;

(11) Notwithstanding any provision of KRS Chapters 82, 83, and 94, it is the intent of the General Assembly that this chapter and KRS 67.083(3)(o) provide counties with authority to develop a solid waste management system for solid waste generated within the geographical boundaries of the county, consistent with the provisions of this chapter and KRS Chapter 224. It is further the intent of the General Assembly that cities be authorized to finance, own, and operate solid waste management systems with the consent of the county or by contract with the county, except that in the event a county fails to submit a solid waste management plan pursuant to KRS Chapter 224 cities may proceed to develop solid waste management systems consistent with administrative regulations adopted by the cabinet pursuant to KRS Chapter 224. Cities that develop solid waste management facilities pursuant to this section shall have all the powers and restrictions set forth for counties in KRS 109.041, 109.056, ***and*** 109.059[~~, and 109.062~~]; and

(12) It is the intent of the General Assembly that waste management districts which are formed and operated under this chapter shall comply with the standards set by administrative regulations adopted by the cabinet pursuant to KRS Chapter 224.

Section 21. KRS 109.041 is amended to read as follows:

(1) In addition to all other powers enumerated in Chapter 67 and other sections of the Kentucky Revised Statutes, counties, acting by and through their fiscal courts, may own and hold the permit for, plan, initiate, acquire, construct, and maintain solid waste management facilities, enter into contracts or leases with private parties for the design, construction, or operation of a publicly-owned solid waste management facility, and adopt administrative regulations with respect thereto in accordance with this chapter. It is hereby determined and declared that in the implementation, acquisition, financing, and maintenance of solid waste management facilities, and in the enforcement of their use, counties will be performing state functions duly delegated to them for the public welfare. In such regard, the right of counties to condemn land necessary for the acquisition of solid waste management facilities pursuant to the Eminent Domain Act of Kentucky and to exercise the police power in respect thereto is confirmed. Any county may contract with third parties for the management by public or private means of solid waste within the county.

(2) No solid waste management facility shall be acquired and constructed until the construction thereof has been approved in writing by the cabinet. Planning for a solid waste management facility shall be conducted in accordance with the policy set forth in KRS 109.011(7) and KRS Chapter 224.

(3) ~~[Except as provided in KRS 109.062,]~~No county or waste management district shall prohibit or otherwise restrict materials recovery by:

(c) Any new materials recovery operation that reclaims the same type of materials as materials recovery operations included in paragraph (a) of this subsection;

(d) Any new suppliers to materials recovery operations included in paragraphs (a) and (c) of this subsection;

(e) Any materials recovery operation for glass, plastic, or metal beverage containers, unless a commitment has been made by a local government or other political subdivision of the state, by ordinance or contract, to a solid waste project consistent with the provisions of this chapter, that is dependent upon the materials recovery of glass, plastic, or metal beverage containers to meet its financial obligations for said project, and such commitment has been made prior to the operation of any other such materials recovery facility in the county or district; or

(f) Any other materials recovery operation within the county or district not included in paragraphs (a) through (e) of this subsection or the supply of materials to such operation unless it is established that such operation would jeopardize the ability of a local government or other political subdivision of the state to meet financial obligations incurred in the maintenance, operation, or amortization of capital acquisition costs for a solid waste management facility.

(4) Notwithstanding any other provision of the Kentucky Revised Statutes to the contrary, no county or waste management district shall regulate special wastes as defined in KRS 224.50-760, other than sludge from water and waste water treatment facilities as it pertains to landfarming, or solid waste from agricultural or mining operations.

(5) Any county undertaking the planning, implementation, construction, installation, acquisition, and financing of a solid waste management facility pursuant to this chapter shall have the authority set forth in Chapter 58 of the Kentucky Revised Statutes concerning the financing of such solid waste management facility, including the authority to promulgate, enforce, and collect reasonable rates, rentals, and charges for the use of such solid waste management facility.

(6) Bonds authorized to be issued by any county pursuant to the authority of this chapter for the financing of solid waste management facilities may be sold at either private or public sale as may in the sound discretion of the county be in the best interests of the county.

(7) Any county undertaking solid waste management pursuant to the provisions of this chapter may contract with any person for the provision of solid waste management services. A county may contract with any city to provide solid waste management services or may delegate the responsibility for solid waste management within incorporated areas to a city when the city agrees to assume such responsibility. In connection with solid waste management, any county may enter into contracts with any person for any term of years.

(8) Counties are authorized to charge a reasonable fee to transporters for the handling of their waste at a solid waste management facility approved by the cabinet.

(9) Counties are authorized to sell or market materials and energy recovered from solid waste and to enter into long-term contracts guaranteeing supply to insure markets for the sale of recovered products.

(10) In carrying out the provisions of this chapter, counties shall be subject to standards set by regulations adopted by the cabinet on waste management pursuant to KRS Chapter 224.

(11) No county or waste management district shall prohibit long-term contracts by ordinance or other means.

(12) Counties are expressly authorized in addition to the powers enumerated in KRS Chapter 65 and this chapter to contract

with one another in order to regionalize solid waste management to the maximum extent practicable.

(13) Notwithstanding any other provision of law, a fiscal court may, by ordinance, create a solid waste district to exercise the powers of the county pursuant to this chapter, except that a district created for this purpose shall not levy or collect ad valorem property taxes.

~~(4)~~] (a) For the purpose of funding and prefunding the liabilities of the Kentucky coal workers' pneumoconiosis fund and financing the administration and operation of the Kentucky coal workers' pneumoconiosis fund, as reflected in the budget of the Commonwealth enacted by the General Assembly, a Kentucky coal workers' pneumoconiosis fund assessment at the rate of three percent (3%) is hereby imposed upon the amount of workers' compensation premiums received on and after January 1, 1997, through December 31, 1997, by every insurance carrier writing workers' compensation insurance in the Commonwealth and by every group of self-insurers operating under the provisions of KRS 342.350(4), from employers engaged in the severance or processing of coal. Likewise, on and after January 1, 1997, through December 31, 1997, an assessment at the rate of three percent (3%) of premium shall be paid by every employer engaged in the severance or processing of coal who is carrying his or her own risk.

(b) In addition to the assessment imposed in paragraph (a) of this subsection, an additional Kentucky coal workers' pneumoconiosis fund assessment at the rate of two and one-half cents ($0.025) per ton is hereby imposed upon the total annual amount of tons of coal severed on or after January 1, 1997, through December 31, 1997, by every entity engaged in the severance of coal as required pursuant to KRS Chapter 143.

(c) As of September 1, 1997, and each year thereafter, the funding commission shall determine the assets of the fund and the claim and administrative expense liability incurred by the fund for all previous years and shall establish the rates under the provisions of paragraphs (a) and (b) of this subsection necessary as of January 1 of the next year to fully fund and prefund all claim liabilities and administrative expenses through December 31 of the next year of operations. The assessment rate authorized by this section for premiums received and tons of coal severed shall be set so as to receive fifty percent (50%) of the needed revenue from each assessment. Notice of any rate changes shall be provided no later than December 1 of the year preceding the rate change.

(4)[~~(5)~~] All assessments imposed by this section shall be paid to the Kentucky Workers' Compensation Funding Commission and shall be credited to a separate account within the benefit reserve fund within the Kentucky Workers' Compensation Funding Commission. In addition, the powers and responsibilities of the Kentucky Workers' Compensation Funding Commission including its fiduciary duties and responsibilities relating to assessments collected for the special fund pursuant to KRS 342.122, 342.1222, 342.1223, 342.1226, 342.1229, and 342.1231 shall apply to assessments collected for the Kentucky coal workers' pneumoconiosis fund created pursuant to this section. Each entity subject to assessments for the Kentucky coal workers' pneumoconiosis fund shall provide any and all information requested by the Kentucky Workers' Compensation Funding Commission necessary to carry out its powers and responsibilities relating thereto.

(5)[~~(6)~~] These assessments shall be paid quarterly not later than the thirtieth day of the month following the end of the quarter in which the premium is received or the coal is processed or severed. Receipt shall be considered timely through actual physical receipt or by postmark by the United States Postal Service. Employers carrying their own risk and employers defined in KRS 342.630(2) shall pay the annual assessments in four (4) equal quarterly installments. Penalty and interest penalties imposed pursuant to KRS 342.1221 and the authority of the Kentucky Workers' Compensation Funding Commission to waive part or all of the penalty shall apply to assessments for the Kentucky coal workers' pneumoconiosis fund in the same manner and amount as they are imposed on assessments for the special fund under KRS 342.122.

(6)[~~(7)~~] Notwithstanding any other provisions of this section or this chapter to the contrary, the total amount of funds collected pursuant to the assessment rates adopted by the funding commission shall not be limited to the provisions of this section.

(7)[~~(8)~~] Claims for benefits by reason of the development of coal workers' pneumoconiosis shall be maintained pursuant to KRS 342.732, and the Kentucky coal workers' pneumoconiosis fund shall be liable for payment of a part of the liability only for employees of employers engaged in the severance or processing of coal as defined in KRS 342.0011(23)(a) and (b).

Section 3. KRS 342.232 is amended to read as follows:

(1) The boards of directors of the following funds shall make quarterly reports according to generally-accepted accounting

principles of all money received and disbursed by the listed funds during each quarter to the Legislative Research Commission. The funds which shall be reported are:

(a) Kentucky individual self-insurance guaranty fund;

(b) Kentucky group self-insurance fund; and

(c) Kentucky coal employers self-insurance fund.

(2) The director of the Division of ***Workers' Compensation Funds***~~[the Kentucky Coal Workers' Pneumoconiosis Fund]~~ shall make quarterly reports according to generally-accepted accounting principles of all money received and disbursed by the ***coal workers' pneumoconiosis*** fund~~[during each quarter]~~ to the Legislative Research Commission.

(3) The Department of Workers' Claims shall make quarterly reports to the Legislative Research Commission on the status of the provisions of this chapter.

Section 4. KRS 342.265 is amended to read as follows:

(1) If the employee and employer and special fund or any of them reach an agreement conforming to the provisions of this chapter in regard to compensation, a memorandum of the agreement signed by the parties or their representatives shall be filed with the commissioner, and, if approved by an administrative law judge, shall be enforceable pursuant to KRS 342.305. Where all parties have not joined in the settlement agreement, it shall not be approved unless it is certified that the party not participating in the settlement has been served with a copy of the agreement not less than ten (10) days prior to submission of the agreement for approval. This provision shall not be construed to prevent the voluntary payment of compensation for the periods and in the amounts prescribed by this chapter, but nothing shall operate as a final settlement except a memorandum of agreement filed with the commissioner and approved by the administrative law judge. Upon claims settled after December 12, 1996, the special fund shall have the option of settling its liability for income benefits on the same terms as those reached between the employee and employer. Notice of the special fund exercise of the option granted in this subsection shall be made by letter of the director of the ***Division of Workers' Compensation Funds***~~[special fund]~~ mailed to the parties within ten (10) days of receipt by the director of a copy of the agreement.

(2) Settlement agreements concluded after July 14, 2000, providing for commuted lump-sum payment of future income benefits which would otherwise be payable in amounts greater than one hundred dollars ($100) per week shall not be approved unless there is reasonable assurance that the worker will have an adequate source of income during disability. This subsection is remedial and applies to all pending and future claims.

(3) Upon lump-sum settlement of future periodic payments, the discount rate used in the calculation of the settlement amount shall not exceed a reasonable amount fixed by the commissioner. For settlements approved after December 12, 1996, until December 31, 1997, the true discount rate shall be six percent (6%) compounded annually on each payment. Before January 1 of each year commencing in 2001, the commissioner shall fix the discount rate to be utilized in the succeeding year based at one-half of one percent (0.5%) below the interest rate paid upon ten (10) year United States Treasury Notes as of August 1 of the preceding year.

(4) If the parties have previously filed an agreement which has been approved by the administrative law judge, and compensation has been paid or is due in accordance therewith and the parties thereafter disagree, either party may invoke the provisions of KRS 342.125, which remedy shall be exclusive.

(5) An application for resolution of claim shall be held in abeyance during any period voluntary payments of income benefits are being made under any benefit sections of this chapter to the maximum which the employee's wages shall entitle unless it shall be shown that the prosecution of the employee's claim would be prejudiced by delay.

Section 5. KRS 342.320 is amended to read as follows:

(1) All fees of attorneys and physicians, and all charges of hospitals under this chapter, shall be subject to the approval of an administrative law judge pursuant to the statutes and administrative regulations.

(2) In an original claim, attorney's fees for services under this chapter on behalf of an employee shall be subject to the following maximum limits:

(a) Twenty percent (20%) of the first twenty-five thousand dollars ($25,000) of the award, fifteen percent (15%) of the next ten thousand dollars ($10,000), and five percent (5%) of the remainder of the award, not to exceed a maximum fee of twelve thousand dollars ($12,000). This fee shall be paid by the employee from the proceeds of the award or settlement.

(b) Attorney-client employment contracts entered into and signed after July 14, 2000, shall be subject to the conditions of paragraph (a) of this subsection.

(3) In approving an allowance of attorney's fees, the administrative law judge shall consider the extent, complexity, and quality of services rendered, and in the case of death, the Remarriage Tables of the Dutch Royal Insurance Institute. An attorney's fee may be denied or reduced upon proof of solicitation by the attorney. However, this provision shall not be construed to preclude advertising in conformity with standards prescribed by the Kentucky Supreme Court.

(4) No attorney's fee in any case involving benefits under this chapter shall be paid until the fee is approved by the administrative law judge, and any contract for the payment of attorney's fees otherwise than as provided in this section shall be void. The motion for approval of an attorney's fee shall be submitted within thirty (30) days following finality of

the claim. Except when the attorney's fee is to be paid by the employer or carrier, the attorney's fee shall be paid in one (1) of the following ways:

(a) The employee may pay the attorney's fee out of his personal funds or from the proceeds of a lump-sum settlement; or

(b) The administrative law judge, upon request of the employee, may order the payment of the attorney's fee in a lump sum directly to the attorney of record and deduct the attorney's fee from the weekly benefits payable to the employee in equal installments over the duration of the award or until the attorney's fee has been paid, commuting sufficient sums to pay the fee.

(5) At the commencement of the attorney-client relationship, the attorney shall explain to the employee the methods by which this section provides for the payment of the attorney's fee, and the employee shall select the method in which his attorney's fee is to be paid. His selection and statement that he fully understands the method to be used shall be submitted by his attorney, on a notarized form signed by the employee, at the time the motion for approval of the attorney's fee is submitted. The commissioner shall develop the format and content of the form to be used pursuant to this section. The form to be used shall list on its face all options permitted in this section for the payment of an attorney's fees and contain an explanation in nontechnical language of each method.

(6) The General Assembly declares that by the enactment of KRS 342.316(3), it is the legislative intent to encourage settlement and prompt administrative handling of those claims and thereby reduce expenses to claimants for compensation under the provisions of KRS 342.316, and the administrative law judge shall give due regard to this legislative intent in the handling of uncontested claims and the allowance of attorney's fees therein.

(7) In a claim that has been reopened pursuant to the provisions of this chapter, an attorney's fee may be awarded by the administrative law judge subject to the limits set forth in subsection (2) of this section. In awarding the attorney's fee, the administrative law judge shall consider the factors set forth in subsection (3) of this section. If no additional amount is recovered upon reopening, no attorney's fee shall be awarded. No attorney's fee shall be allowed or approved exceeding the amounts provided in subsection (2)(a) of this section applicable to any additional amount recovered.

(8) Attorney's fees for representing employers in proceedings under this chapter pursuant to contract with the employer shall be subject to approval of the administrative law judge in the same manner as prescribed for attorney representation of employees. Employer attorney's fees are subject to the limitation of twelve thousand dollars ($12,000) maximum fees except that fees for representing employers shall not be dependent upon the result achieved. Employer attorney's fees may be paid on a periodic basis while a claim is adjudicated and the payments need not be approved until the claims resolution process is completed. Fees for legal services in presenting a claim for reimbursement ***from***[~~to the director of~~] the Kentucky coal workers' pneumoconiosis fund shall not exceed one thousand dollars ($1,000). All such approved fees shall be paid by the employer and in no event shall exceed the amount the employer agreed by contract to pay.

Section 6. KRS 336.020 is amended to read as follows:

(1) The Department of Workplace Standards shall be headed by a commissioner and shall be divided for administrative purposes into the Divisions of Employment Standards, Apprenticeship and Training; ***Workers' Compensation Funds***[~~Special Fund~~]; Occupational Safety and Health Compliance; and Education and Training for Occupational Safety and Health.

(2) The Department of Workers' Claims shall be administered by a commissioner and shall be divided for administrative purposes into the Divisions of Claims Processing and Appeals, Information and Research, Security and Compliance, Administrative Law Judges, and Insurance.

Section 7. KRS 342.1241 is amended to read as follows:

(1) The General Assembly finds and declares that the awards of workers' compensation benefits for coal workers' pneumoconiosis (black lung) have placed a substantial financial burden on all employers of the Commonwealth through the special fund assessments imposed on all employers to cover the liabilities of the special fund.

(2) The General Assembly finds and declares that the purpose of creating the Kentucky Coal Workers' Pneumoconiosis Fund in KRS 342.1242 is to assure that liabilities incurred as a result of workers' compensation awards for coal workers' pneumoconiosis with dates of last exposure after December 12, 1996, shall be the financial responsibility of employers engaged in severance and processing of coal.

(3) Therefore, it is the intent of the General Assembly in imposing the assessments required in KRS 342.1242*(3)*[~~(4)~~](a) and (b) to assure that liabilities incurred as a result of workers' compensation awards for coal workers' pneumoconiosis with dates of last exposure after December 12, 1996, shall be the financial responsibility of employers engaged in the severance and processing of coal.

Section 8. The General Assembly hereby confirms Executive Order 2001-1294, dated October 17, 2001, which abolishes the Division of the Kentucky Coal Workers' Pneumoconiosis Fund; transfers the duties, personnel, funds, equipment and records of the Division of the Kentucky Coal Workers' Pneumoconiosis Fund to the Division of the Special Fund, and changes the name of the Division of the Special Fund to the Division of Workers' Compensation Funds, to the extent it is not otherwise confirmed by this Act.

(5) Mentor leave shall count as hours of pay but shall not count as hours of work for overtime purposes as mentor leave may only be granted for time during the employee's regular work hours, not including the employee's lunch hour or break time. A state employee shall not accrue mentor leave for later use, if he or she does not use an hour of mentor leave in a given week.

(6) The intended use of the one (1) hour for mentoring is for actual time spent on the activity; however, if a mentoring session is scheduled by the school for less time, the remainder of the hour may be used for travel. If the time of the mentor activity and the location require travel time within the work day, the employee shall take annual leave or compensatory leave.

(7) On occasion, the state employee may request approval to aggregate hours within a month in order to assist the school with special events such as a field trip, a school assembly, or other activity.

(a) The agency may advance up to three (3) additional hours within a month to permit the employee to use four (4) hours of mentor leave on a given day.

(b) A supervisor shall not approve a mentor to aggregate hours in consecutive months.

(8) On occasion, it may be necessary for a supervisor to deny a request for leave when the employee's absence would impact the ability of the work unit to accomplish its mission; however, the supervisor shall determine an alternative that will permit the employee to mentor under provisions of this section.

(9) The state shall not be liable for workers' compensation benefits arising from accident or injury while the state employee is on assignment as a mentor in a school.

(10) The Kentucky Department of Personnel shall inform all state employees of the Commonwealth Mentor Initiative and facilitate the implementation of this program.

(a) The department shall advise each agency on a method to code the mentor leave and to summarize the data relating to the Commonwealth Mentor Initiative.

(b) The department shall provide a report to the Interim Joint Committee on Education as to the implementation and initial impact of this initiative by August 15, 2003.

SECTION 2. A NEW SECTION OF KRS CHAPTER 164 IS CREATED TO READ AS FOLLOWS:

The boards of trustees and the boards of regents for the public postsecondary education institutions defined in KRS 164.001 shall develop personnel policies to encourage their employees to serve as education mentors.

The Committee on State Government reported **HB 73, HB 247** with Committee Substitute attached thereto, **HB 313, HB 322, HB 349, HB 449, HCR 42,** and **HCR 62** with the expression of opinion that the same should pass. Read at length for the first time and ordered placed in the Calendar.

HB 73, AN ACT relating to retirement.

Be it enacted by the General Assembly of the Commonwealth of Kentucky:

Section 1. KRS 6.505 is amended to read as follows:

(1) Each legislator in office on July 1, 1980, may within thirty (30) days after that date, and any legislator thereafter taking office may within thirty (30) days after the date thereof, elect to make monthly contributions to the Legislators' Retirement Plan, in an amount equal to five percent (5%) of his monthly creditable compensation, as defined in KRS 61.510(13). The election shall be effective to establish membership in the plan as of July 1, 1980, or as of the date from which the thirty (30) day period is measured, as the case may be. Provided, however, that any legislator who was in office on July 1, 1980, and who is in office at the time he makes the election may, after the expiration of the thirty (30) day period and until May 1, 1982, make the election, in which event he shall pay to the Legislators' Retirement Plan, for the months between July 1, 1980, and the date of his election such sum as, when added to any member's contribution by him that is transferred from another retirement system under KRS 6.535, will equal the member's contribution required by this section. If the member makes his election after February 1, 1981, he shall in addition pay to the plan interest on the foregoing sum, at six percent (6%) per annum, calculated as if the sum consisted of equal monthly payments, one (1) of which was due at the end of each month between July 1, 1980, and the date the election was made. The election shall be addressed to and filed with the secretary of the Finance and Administration Cabinet and shall constitute an authorization to the secretary to thereafter cause to be deducted from the member's monthly creditable compensation an amount equal to five percent (5%) thereof, as a voluntarily elected contribution by the member towards the funding of the Legislators' Retirement Plan. Such election shall operate to create an inviolable contract between such member and the Commonwealth, guaranteeing to and vesting in the member the rights and benefits provided for under KRS 6.515 to 6.530. An election once made under this section either to participate or not to participate in the Legislators' Retirement Plan, shall be considered to apply to all future service as a legislator, whether in the same or a different office as a legislator, and whether or not it is in successive terms.

(2) The state shall, solely for the purpose of compliance with Section 414(h) of the United States Internal Revenue Code, pick up the employee contributions required by this section for all compensation earned after August 1, 1982, and the contributions so picked up shall be treated as employer contributions in determining tax treatment under the United States Internal Revenue Code and KRS 141.010(10). The picked-up employee contribution shall satisfy all obligations to the retirement system satisfied prior to August 1, 1982, by the employee contribution, and the picked-up employee contribution shall be in lieu of an employee contribution. The state shall pay these picked-up employee contributions from the same source of funds which is used to pay earnings to the employee. The employee shall have no option to receive the contributed amounts directly instead of having them paid by the employer to the system. Employee contributions picked up after August 1, 1982, shall be treated for all purposes of KRS 6.500 to 6.535 in the same manner and to the same extent as employee contributions made prior to August 1, 1982.

(3) ***(a) Except as otherwise provided in paragraph (b) of this subsection,*** when any legislator elects membership in the Legislators' Retirement Plan in accordance with this section, his active membership in the Kentucky Employees Retirement System, State Police Retirement System, County Employees Retirement System, or Teachers' Retirement System shall terminate, as of the date his membership in the Legislators' Retirement Plan becomes effective, and any credit in such other system or systems, earned for service as a legislator, which he then has or which he subsequently regains while being an active member of the Legislators' Retirement Plan, shall be

transferred to and counted as service credit in the Legislators' Retirement Plan, and shall no longer constitute credit in such other retirement system except for the purpose of validating any other credit in that system. However, any credit he then has in such other retirement system, earned for service in any capacity other than a legislator, shall not be affected. No person may attain credit in more than one (1) of the retirement plans or systems mentioned in this section, for the same period of service.

(b) Any other provision of law to the contrary notwithstanding, a member of the Legislators' Retirement Plan who was previously an active member of the Kentucky Employees Retirement System, State Police Retirement System, County Employees Retirement System, or Teachers' Retirement System, and who would otherwise qualify for active membership in one of those plans, may elect, in writing, to transfer out of the Legislators' Retirement Plan to that other retirement plan for which the member would otherwise qualify. If an election under this paragraph is made, all service credit and benefits earned as a member of the Legislators' Retirement System shall be transferred, as well as the dollar amount equal to the member's and employer's contributions from the date the contributions were made to the date of the transfer, plus interest, at the actuarially assumed interest rate for the Legislators' Retirement Plan. The member shall be entitled to the transferred service credit in the plan to which the member seeks transfer, when the member pays the difference, if any, between the amount of the funds transferred by the Legislators' Retirement Plan and the cost of the credit to the system accepting the transfer as determined by the receiving system's actuary.

(4) A member of the Legislators' Retirement Plan who would be entitled, under KRS 61.552, to repurchase credit in the Kentucky Employees Retirement System, for previous service as a legislator, which credit had been lost by refund of contributions, may pay the amount required by KRS 61.552 directly to the Legislators' Retirement Plan and thereby obtain credit in that plan for such service, rather than making payment to the Kentucky Employees Retirement System for credit which would be transferred to the Legislators' Retirement Plan. In such event, the Kentucky Employees Retirement System shall transfer to the Legislators' Retirement Plan an amount equal to the employer's contributions that originally were made to the Kentucky Employees Retirement System for the regained service credit, with interest as provided in KRS 6.535. Six (6) months' current service shall be required in the Legislators' Retirement Plan in order for the repurchased credit to remain in force, the same as provided in KRS 61.552.

HB 247, AN ACT relating to state risk.

Be it enacted by the General Assembly of the Commonwealth of Kentucky:

Section 1. KRS 44.055 is amended to read as follows:

(1) Any state agency, as defined in KRS Chapter 12, may in its discretion, for the protection of the public and its employees, expend state funds to purchase policies of insurance of all kinds deemed advisable covering vehicles, including boats, owned by the state and operated by state employees when in the conduct of official business. The commissioner of insurance, upon recommendation of the secretary of the Finance and Administration Cabinet, shall initiate and be responsible for the purchase of a blanket liability insurance policy to cover the officers and employees of the several state agencies and shall determine, by administrative regulation, the policy limits that shall be applicable to the persons covered in each such affected agency[~~ not to exceed the limit prescribed in KRS 44.070~~].

(2) Nothing contained in this section shall be construed to be a waiver of sovereign immunity and claims against the Commonwealth, its agencies, officers, employees, or insurers may be asserted only in the manner set forth in KRS 44.070 to 44.160.

(3) Policies authorized by this section shall be purchased only from insurers authorized to do business in this state and shall be countersigned by a licensed resident agent.

Section 2. KRS 56.080 is amended to read as follows:

Before July 1 of each year, the Department of Insurance shall reconsider its appraisal and valuation of ***all real property***[~~public buildings~~] and personal property belonging to or under the control and use of the state or any state agency, and shall certify any changes in value to the agency that has the custody or control of the property. The appraisal and valuation shall equal the amount that the Department of Insurance deems necessary to replace the property at the time of the appraisal, which may be less actual depreciation.

Section 3. KRS 56.090 is amended to read as follows:

Before July 1 of each year the Department of Insurance shall fix, upon ***all real property***[~~each public building~~] and[~~ upon~~] each class of personal property belonging to or controlled or used by the state or any agency of the state, the rate of premium that the Department of Insurance deems to be the average rate charged by responsible insurance companies doing business in this state for insurance against damage by fire and other hazards upon property of like kind and degree of risk. The premium and insurance shall be calculated upon ***one hundred***[~~ninety~~] percent ***(100%)***[~~(90%)~~] of the valuation ***of all real property and each class of personal property***. Before July 1 of each year the Department of Insurance shall certify to the State Treasurer the premium to be charged against each agency of the state.

Section 4. KRS 56.100 is amended to read as follows:

(1) Each fiscal year the State Treasurer shall deduct from any funds in his hands payable to an agency for the care and

maintenance of ***real and personal***~~[public buildings or]~~ property, an amount equal to the premiums certified to him as chargeable against that agency. The amount so debited shall be credited to an account kept by the State Treasurer and known as the state fire and tornado insurance fund. No premium shall be charged on any one (1) subject of risk upon a valuation of more than ***one million dollars ($1,000,000)***~~[five hundred thousand dollars ($500,000)]~~ unless the Department of Insurance has contracted for reinsurance that limits the liability of the fund to ***one million dollars ($1,000,000)***~~[five hundred thousand dollars ($500,000)]~~ upon such subject of risk.

(2) The department shall prescribe a certificate setting forth the terms and conditions of coverage under the state fire and tornado insurance fund. Different forms of certificates may be used for different risks. Such certificates may contain such terms and conditions as the department may prescribe, including, but not limited to, a deductible in order that there be fair allocation of significant losses and the elimination of unnecessary costs in administering the state fire and tornado insurance fund.

Section 5. KRS 56.120 is amended to read as follows:

When the amount of damage has been determined, the State Treasurer shall debit the account of the state fire and tornado insurance fund by that amount and credit~~[with]~~ an equal amount ***to*** the account of the agency that has control or custody of the property damaged, and upon warrant from the Finance and Administration Cabinet, the Treasurer shall pay to the agency the amount so credited to it, for the purpose of repairing the damage or reconstructing or replacing the damaged or destroyed property. If the agency deems it impracticable or undesirable to use the money for repair, reconstruction, or replacement of the property damaged or destroyed, it may, with the approval of the Finance and Administration Cabinet, and subject to the provisions of KRS 56.491, expend said funds for the acquisition, repair, construction, or reconstruction of property similar to the property damaged or destroyed. No debit, credit, or payment made on account of the damage to any one (1) subject of risk, by any one (1) loss, shall be in excess of ***one million dollars ($1,000,000)***~~[five hundred thousand dollars ($500,000)]~~, unless the Department of Insurance has effected reinsurance upon the subject of risk such as to limit the liability of the state fire and tornado insurance fund to ***one million dollars ($1,000,000)***~~[five hundred thousand dollars ($500,000)]~~, and unless the excess over this amount has actually been paid into the fund by the reinsuring company or companies.

Section 6. KRS 56.140 is amended to read as follows:

(1) The State Treasurer, with approval of every investment by the Finance and Administration Cabinet, may invest the state fire and tornado insurance fund in ***compliance with KRS 42.500***~~[:~~

~~(a) Obligations of the United States government, its agencies, and Kentucky cities of the first, second, third, and fourth classes;~~

~~(b) Warrants issued on the State Treasurer;~~

~~(d) Bonds or other evidences of indebtedness of any domestic corporation that is an agent or instrumentality of the state or of any city, county, or school district of the state, secured by a mortgage on real estate in Kentucky that has been conveyed to the corporation by any city, county, school district, or state educational institution, and which the corporation has leased and given the option to lease to the city, county, school district, or state educational institution, with option in the lessee to purchase the property, or an interest therein, on the payment of the aggregate sum of the bond issue, plus the expenses incident to the issuance of the bonds and the formation and dissolution of the corporation, subject to credit of the amounts paid as rental for such property; and~~

~~(e) School bonds issued by cities under KRS 162.120 to 162.290]~~.

(2) The Finance and Administration Cabinet shall not approve investments on which there has ever been a default in payment of principal or interest preceding the date of acceptance by the State Treasurer.

(3) All income from investments credited to the state fire and tornado insurance fund shall be credited to that fund.

Section 7. KRS 56.150 is amended to read as follows:

The Department of Insurance and the State Treasurer may employ such assistance and incur such expenses as are necessary to carry out the purposes of KRS 56.070 to 56.180, subject to approval in advance by the Finance and Administration Cabinet. All such expenses may be debited against the state fire and tornado insurance fund, and paid on warrant of the Finance and Administration Cabinet***.***~~[, but]~~ The total ***calculated standard premiums, prior to the application of any experience credits,***~~[of such expenses]~~ during any fiscal year shall not exceed ten percent (10%) of the total receipts of the fund during the same fiscal year. If such expenses are incurred at a time when there is not a sufficient amount in the fund to pay them, they shall constitute a prior claim to be paid out of the first ***premium*** receipts of the fund thereafter before any damages on account of insured losses are paid.

Section 8. KRS 56.160 is amended to read as follows:

With the approval of the Finance and Administration Cabinet, the Department of Insurance may contract with any responsible ***property and casualty insurer***~~[fire and tornado insurance or reinsurance company]~~ authorized to do business in Kentucky to reinsure any subject of risk of which the total valuation has been fixed at over ***one million dollars ($1,000,000)***~~[five hundred~~

The premium for reinsurance shall be paid out of the state fire and tornado insurance fund, on warrant of the Finance and Administration Cabinet.

HB 313, AN ACT relating to county consolidation.

Be it enacted by the General Assembly of the Commonwealth of Kentucky:

SECTION 1. A NEW SECTION OF KRS CHAPTER 67 IS CREATED TO READ AS FOLLOWS:

It is the intent of the General Assembly to encourage county governments to perform at the highest levels of efficiency and economy while providing the highest standards of governmental services possible to their citizens. It is also the belief of the General Assembly that, in order to attain these high standards of efficiency, economy, and service and to ensure the ongoing improvement in the quality of life of all citizens of the Commonwealth, all county governments must be permitted by the action of their fiscal courts or at the request of their citizens to consider consolidation with adjoining counties for these purposes. The General Assembly, in support of those counties that take action to consolidate, further intends to provide financial and technical assistance for those counties through legislative action in order to ease the transitions brought by consolidation.

SECTION 2. A NEW SECTION OF KRS CHAPTER 67 IS CREATED TO READ AS FOLLOWS:

(1) Any two (2) or more adjoining counties may consolidate.

(2) (a) An action to consolidate a county may be initiated by:

1. The adoption of an ordinance by a fiscal court stating the intent of the county to consider consolidation with another county or counties; or

2. The petitioning of the fiscal court by residents who are registered voters within the county.

(b) The number of signatures required for a petition to consolidate shall equal twenty percent (20%) of the total

number of persons voting in the last presidential election. All petitions shall be certified as sufficient by the county clerk. All petitions shall include the printed name, address, age, and signature of each registered voter signing the petition, and the date of the signature. The petition shall not be circulated for a period of time exceeding one hundred twenty (120) days. If the petition exceeds the one hundred twenty (120) days time frame it shall become void. Any petition containing irregularities shall be returned to the petitioner who shall have ten (10) days to correct the irregularities and resubmit the petition to the county judge/executive for final certification.

(c) Upon receipt of a certified petition or the final adoption of an ordinance stating the intent of a county to consolidate with another county or counties, the county judge/executive in the initiating county shall within ten (10) working days notify by certified mail, return receipt requested, the fiscal courts of the adjoining counties proposed for consolidation and shall notify the residents of those counties by legal public notice of the action taken in the initiating county. If no action is taken within one hundred twenty (120) days from the receipt of the certified letter to present a petition or to enact an ordinance in the adjoining counties which are proposed to be consolidated as provided in paragraphs (a) and (b) of this subsection, the actions in the initiating county shall be considered void.

(3) All ordinances relating to county consolidation shall be adopted in accordance with the provisions of KRS 67.076, 67.077, 67.855, 67A.070, and 67C.103. Upon enactment, the ordinances shall be published in accordance with the provisions of KRS Chapter 424.

(4) (a) If within one hundred twenty (120) days of the public notice in an adjoining county proposed for consolidation, a petition is received or an ordinance is enacted stating the intent of the county to consolidate with a county or counties as provided in subsection (2)(a) and (2)(b) of this section, a special election shall be held within ninety (90) days on the same day within each county, to determine the will of the people in each separate county.

(b) The county judge/executive shall in each county proposed for consolidation deliver a certified copy of the enacted ordinance or the final certified petition to the county clerk of the county in which the election is to be held. The county clerk in each county proposed for consolidation shall prepare the following question to be placed before the voters: "Are you in favor of being consolidated with the county (or counties) of .... which will form a new county?" The advertisement of the election by the sheriff shall be in accordance with KRS 242.040. The advertisement shall include the date of the election and the question to be voted upon.

(c) If a simple majority of those persons voting in each county vote in favor of the consolidation, the counties shall become consolidated. If less than a simple majority of those persons voting in each county favor the consolidation, then the issue of consolidation will become void for all purposes in each county.

(5) All general costs associated with the conduct of special elections relating to a proposed consolidation of counties shall be paid by the state. The publication costs for legal public notice of the election and the costs for legal public notices in adjoining counties proposed for consolidation as required in subsection (2)(c) of this section shall be considered a general cost of the election, but no other advertising shall be paid for by state funds.

(6) Upon certification of an affirmative action to consolidate counties, no further action shall be made to alter the territory of the newly consolidated county for a period of ten (10) years.

SECTION 3. A NEW SECTION OF KRS CHAPTER 67 IS CREATED TO READ AS FOLLOWS:

The fiscal court of any new county created by the consolidation of two (2) or more counties shall not take any legal action until the expiration of the current terms of office of all elected county officials holding office when the counties were consolidated and the election and certification of the officials of the newly consolidated county. The officers of the newly consolidated county shall be elected and take office in the same manner and at the same time as other elected county officials.

SECTION 4. A NEW SECTION OF KRS CHAPTER 67 IS CREATED TO READ AS FOLLOWS:

(1) Upon certification of an election to consolidate counties, the county judge/executive of each county shall, within thirty (30) days after the certification, appoint six (6) voters from the county to serve as members of a transition committee for the purpose of dividing the area of the new county into districts for the election of members of the fiscal court for the new county. The appointments for each county shall be made so that they reflect as closely as possible the ratio of each of the two (2) major political parties to the total county population. The committee members representing each county shall begin meeting jointly within fifteen (15) days after their appointment and proceed to divide the area of the new county into not less than three (3) nor more than eight (8) magisterial districts, each to be as nearly equal in area and population as possible. The committee shall also select not fewer than two (2) names nor more than five (5) names for the new county, which shall be submitted to the voters for their selection at the same time as the election for the members of the new fiscal court. The report of the transition committee shall be filed with the county judge/executive of each consolidating county not less than sixty (60) days after the appointment of the members. The members of the transition committee shall select a chairman from among themselves to preside over the meetings of the group.

(2) If, at the expiration of sixty (60) days after the initial meeting of the transition committee, a majority of the members have failed to agree upon the selection of the names for the proposed county or fail to agree upon a plan to divide the new county into magisterial districts, the Governor shall appoint an additional person to act as chairman of the committee. HCR 42, A CONCURRENT RESOLUTION urging the Legislative Research Commission to adopt the provisions of the Governor's Executive Order 2001-1084 relating to domestic violence and sexual assault in the public workplace.

WHEREAS, as awareness about domestic violence and sexual assault has grown, so has the recognition that these crimes have a major impact in the workplace; and

WHEREAS, domestic violence and sexual assault adversely affect not only the victim and the victim's family but also the victim's employer, managers, and co-workers through the loss of productivity, increased absenteeism, increased health care costs, and employee turnover; and

WHEREAS, the Commonwealth of Kentucky, as an employer, is committed not only to providing a work environment for its employees that is free of violence and intimidation, but also to creating a sensitive and safe environment for those employees who are the victims of domestic violence or sexual assault; and

WHEREAS, the Governor and First Lady have developed a model policy for the executive branch, as set forth in the document "Domestic Violence and Sexual Assault in the Public Workplace: *A Kentucky Model Policy*"; and

WHEREAS, the model policy for the executive branch consists of: (1) zero tolerance toward perpetrators; (2) assistance for victims who need time off for medical appointments, legal assistance, court appearances, relocation, or other arrangements for their personal safety, or who have performance problems as a direct result of the crime against them; and (3) use of prevention and intervention strategies to prevent or minimize the occurrence and devastating effects of these crimes; and

WHEREAS, the Governor, in Executive Order 2001-1084, dated August 24, 2001, established certain principles for program cabinets to follow in implementing the model policy; and

WHEREAS, the Secretary of State, the Attorney General, the State Auditor, the State Treasurer, and the Commissioner of Agriculture have also implemented the policy; and

WHEREAS, the General Assembly likewise is committed to providing a work environment for its employees that is safe from violence and intimidation and that provides a sensitive and safe environment for any employee who is a victim of domestic violence or sexual assault; and

WHEREAS, the General Assembly desires that the Legislative Research Commission continue to refine its policy of zero tolerance toward perpetrators and a safe and secure work environment for its employees; and

WHEREAS, the General Assembly recognizes the value and benefit of prevention and intervention strategies that will not only protect its employees but will also provide a sensitive environment and appropriate assistance for an employee who is a victim;

NOW, THEREFORE,

Be it resolved by the House of Representatives of the General Assembly of the Commonwealth of Kentucky, the Senate concurring therein:

Section 1. The Legislative Research Commission is hereby urged to join the executive branch and the statewide constitutional officers in adopting for its employees the following provisions of the Governor's Executive Order 2001-1084 relating to implementation of the Kentucky Model Policy for domestic violence and sexual assault in the public workplace:

"(1) The Commonwealth of Kentucky declares that domestic violence and sexual assault are strictly prohibited and constitute a major violation of state policy. Domestic violence and sexual assault include, but are not limited to harassment or the display of violence or threatening behavior that may result in physical or emotional injury to any state employee while in state offices, facilities, work sites, vehicles, or while conducting state business.

(2) All employees who are victims of domestic or sexual violence should have access to immediate assistance. This assistance shall, at a minimum, include: crisis intervention information provided in a private environment for victims and a workplace safety plan that has as its purpose the reduction of risk to the victim and other employees.

(3) All employees deserve consideration when seeking to protect themselves from abuse. All program agencies should allow adjustment of work schedules and the use of accrued or unpaid leave in order to allow a victimized employee to obtain medical treatment, legal assistance, or make other arrangements to ensure safety.

(4) State employees who commit acts of domestic or sexual violence shall be held accountable for their action. Agencies shall take prompt and appropriate disciplinary action against any employee who: misuses state resources to perpetrate domestic or sexual violence; harasses, threatens, or commits an act of domestic or sexual violence in the workplace or while conducting state business or using state resources; is convicted of a crime of domestic violence or a sex crime while on state business or using state resources, or is adjudicated as having violated a civil order of protection due to an incident of domestic or sexual violence when such action has a direct connection to the individual's duties as a state employee.

(5) Penalizing or disciplining employees solely based on their status as a victim of domestic and sexual violence is inappropriate and will not be tolerated.

(6) Agencies shall post resource information on domestic violence and sexual assault in locations where employees can obtain it without having to request it."

(c) The positive advancement of the welfare of the citizens of the Commonwealth through the transmission of knowledge can only be achieved by the incorporation of ethical standards, the historic American moral principles promoted by the nation's Founding Fathers, into Kentucky public instruction, state educational training, and personal development of its teachers, students, and people, and affirms President George Washington's statement in his September 19, 1796, farewell address: "Of all the dispositions and habits which lead to political prosperity, Religion and morality are indispensable."

(2) The General Assembly declares on behalf of the people of the Commonwealth the following goals to be achieved by the year 2020:
